(57) **CLAIM**

The ornamental design for a combination ceiling fan and light fixture, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of my combination ceiling fan and light fixture in accordance with my design;

FIG. 2 is a top plan view of the combination ceiling fan and light fixture according to my design;

FIG. 3 is a bottom plan view of the combination ceiling fan and light fixture according to my design;

FIG. 4 is a side elevational view of the combination ceiling fan and light fixture according to my design; and,

FIG. 5 is a side elevational view of the combination ceiling fan and light fixture according to my design, rotated about its central vertical axis 45 degrees.
