(57) **CLAIM**

The ornamental design for a graphic user interface for a display screen, as shown and described.

**DESCRIPTION**

The single FIGURE is a front view of a graphic user interface for a display screen showing my new design.

The broken line showing of the display panel is not part of the claimed design. Where the graphical user interface is shown, the perimeter of the display screen and the graphical user interface are understood to be flush.

**1 Claim, 1 Drawing Sheet**
