(57) **CLAIM**

The ornamental design for a catheter anchor pad with release layer, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the catheter anchor pad with release layer, shown in an open position.

FIG. 2 is a top view of the catheter anchor pad with release layer, shown in the closed position.

FIG. 3 is a bottom view of the catheter anchor pad with release layer, shown in the closed position.

FIG. 4 is a right side view of the catheter anchor pad with release layer, shown in the closed position.

FIG. 5 is a left side view of the catheter anchor pad with release layer, shown in the closed position.

FIG. 6 is a front view of the catheter anchor pad with release layer, shown in the closed position., the rear view being a mirror image.

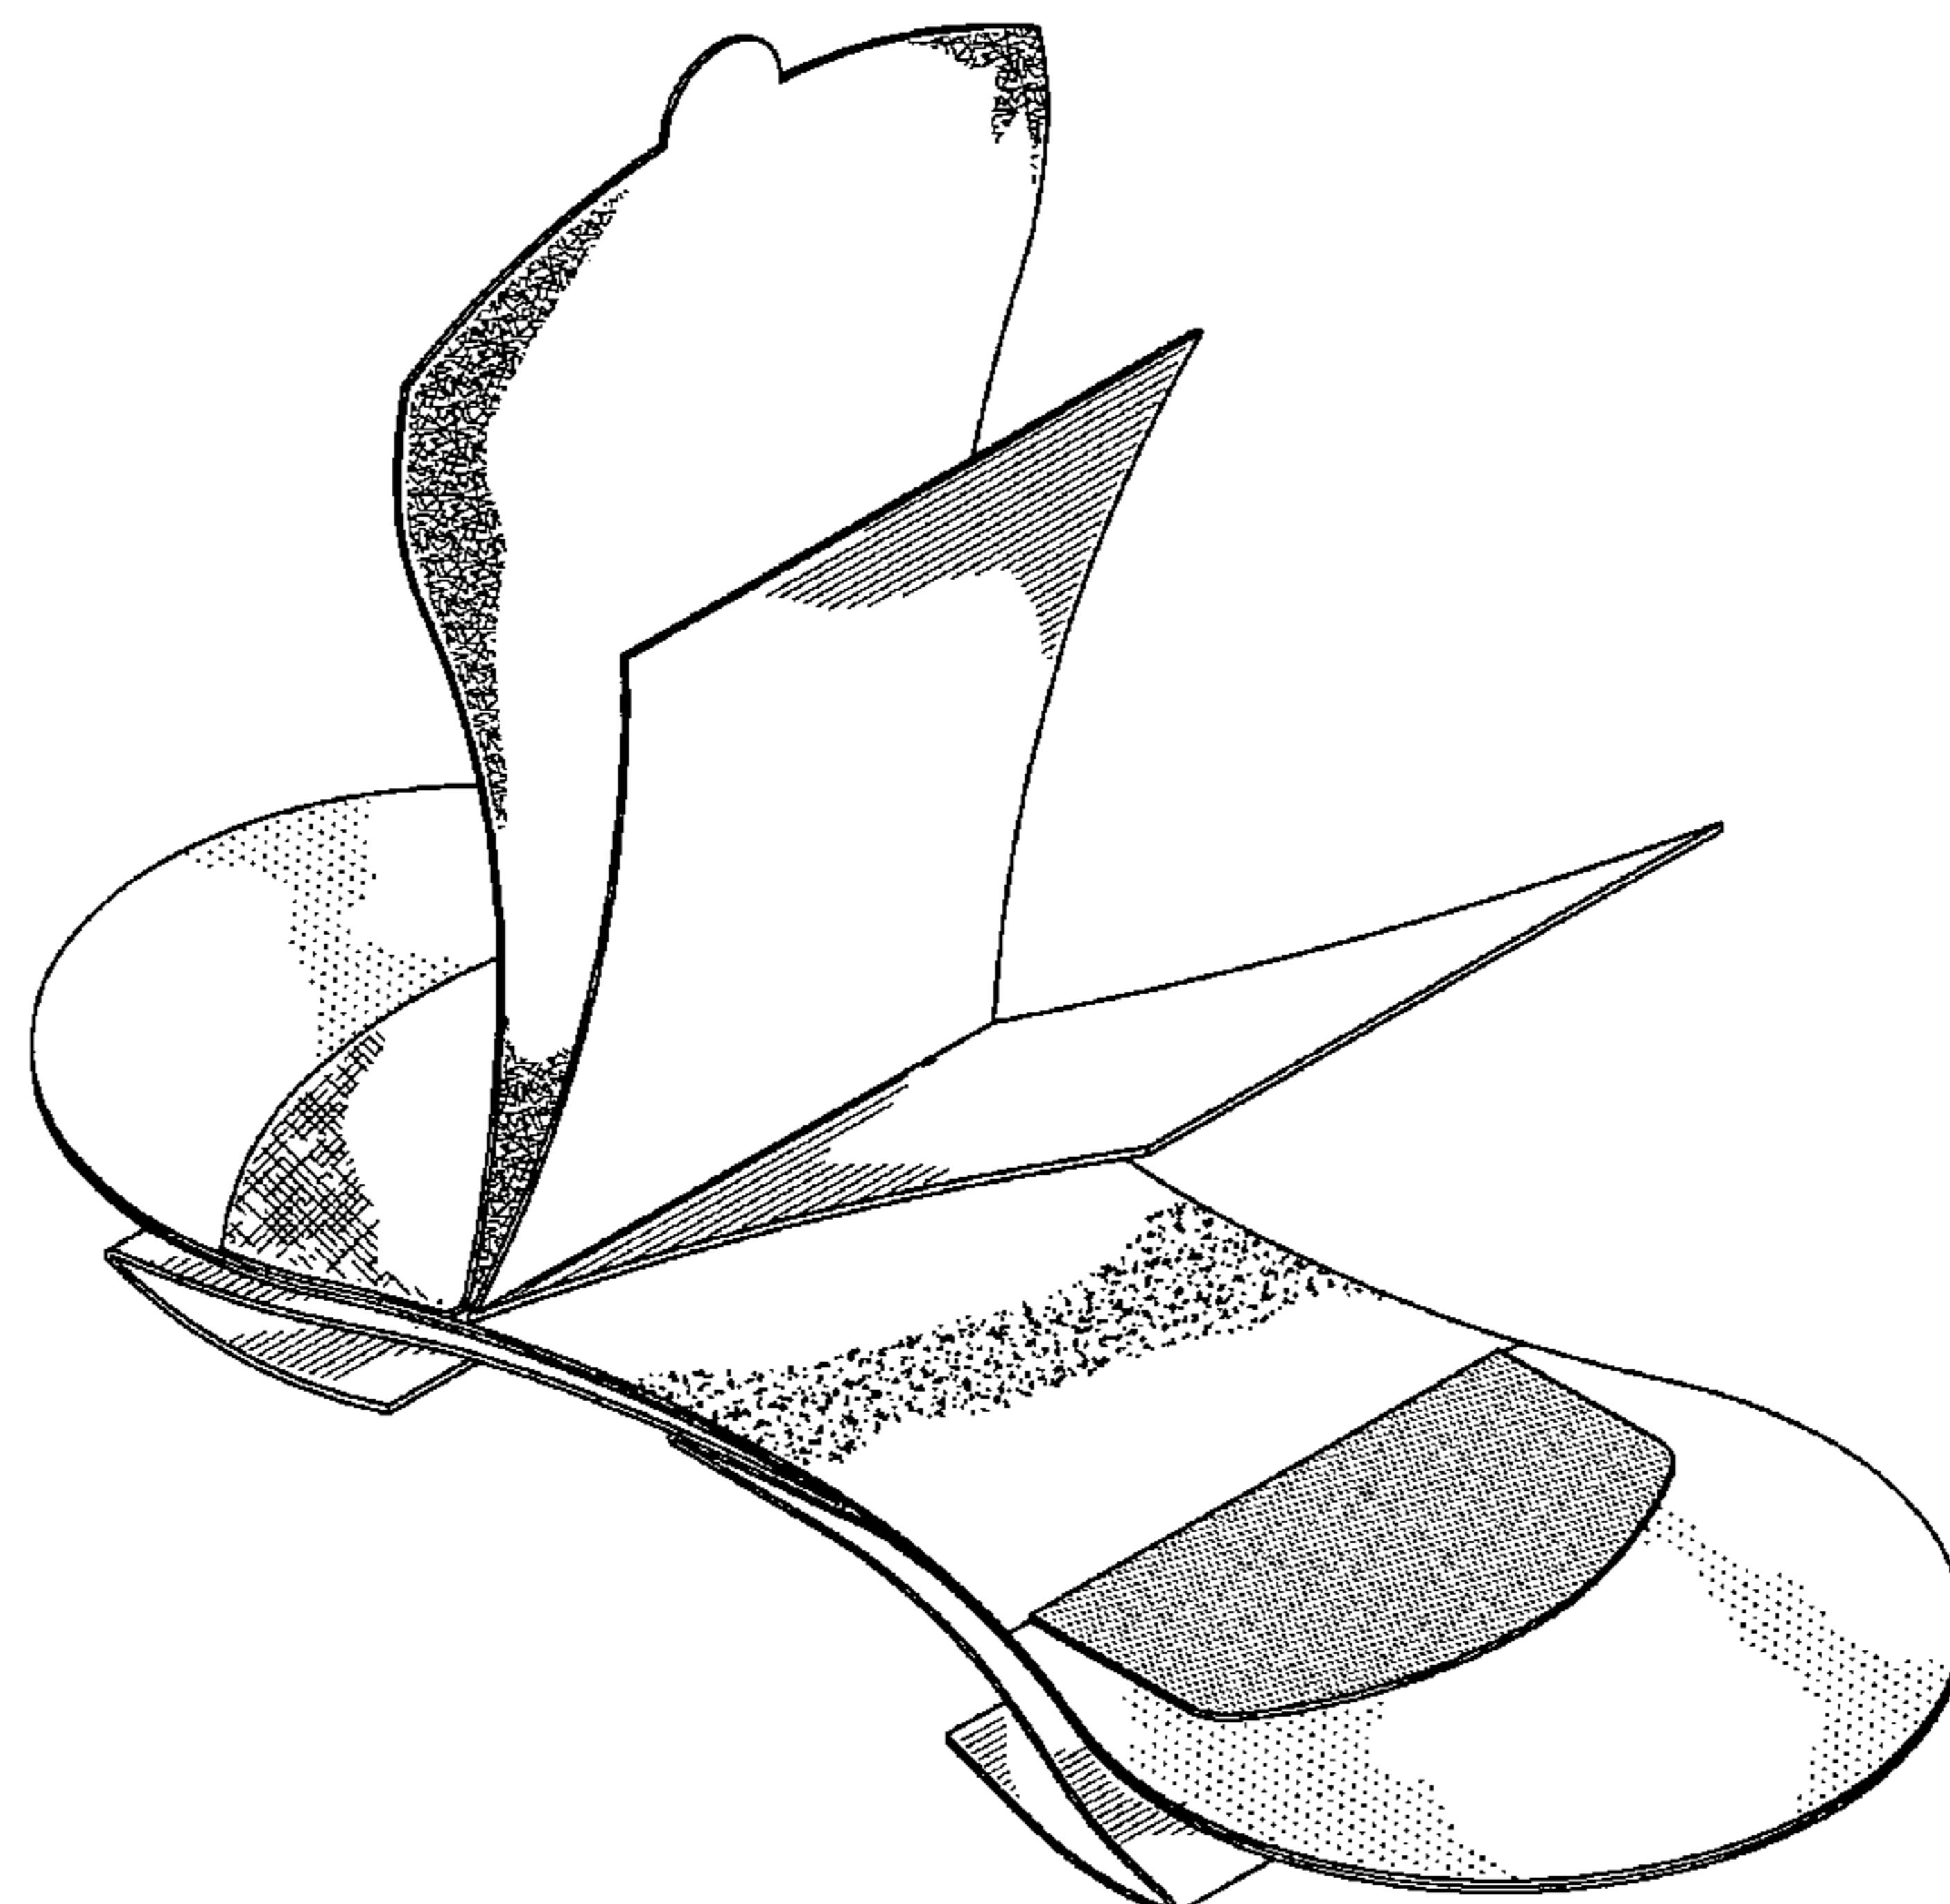

FIG. 7 is a top view of the catheter anchor pad with the release layer removed, shown in the closed position.

FIG. 8 is a bottom view of the catheter anchor pad with release layer removed, shown in the closed position.

FIG. 9 is a right side view of the catheter anchor pad with release layer removed, shown in the closed position.

FIG. 10 is a left side view of the catheter anchor pad with release layer removed, shown in the closed position; and,

FIG. 11 is a front view of the catheter anchor pad with release layer removed, shown in the closed position., the rear view being a mirror image.
