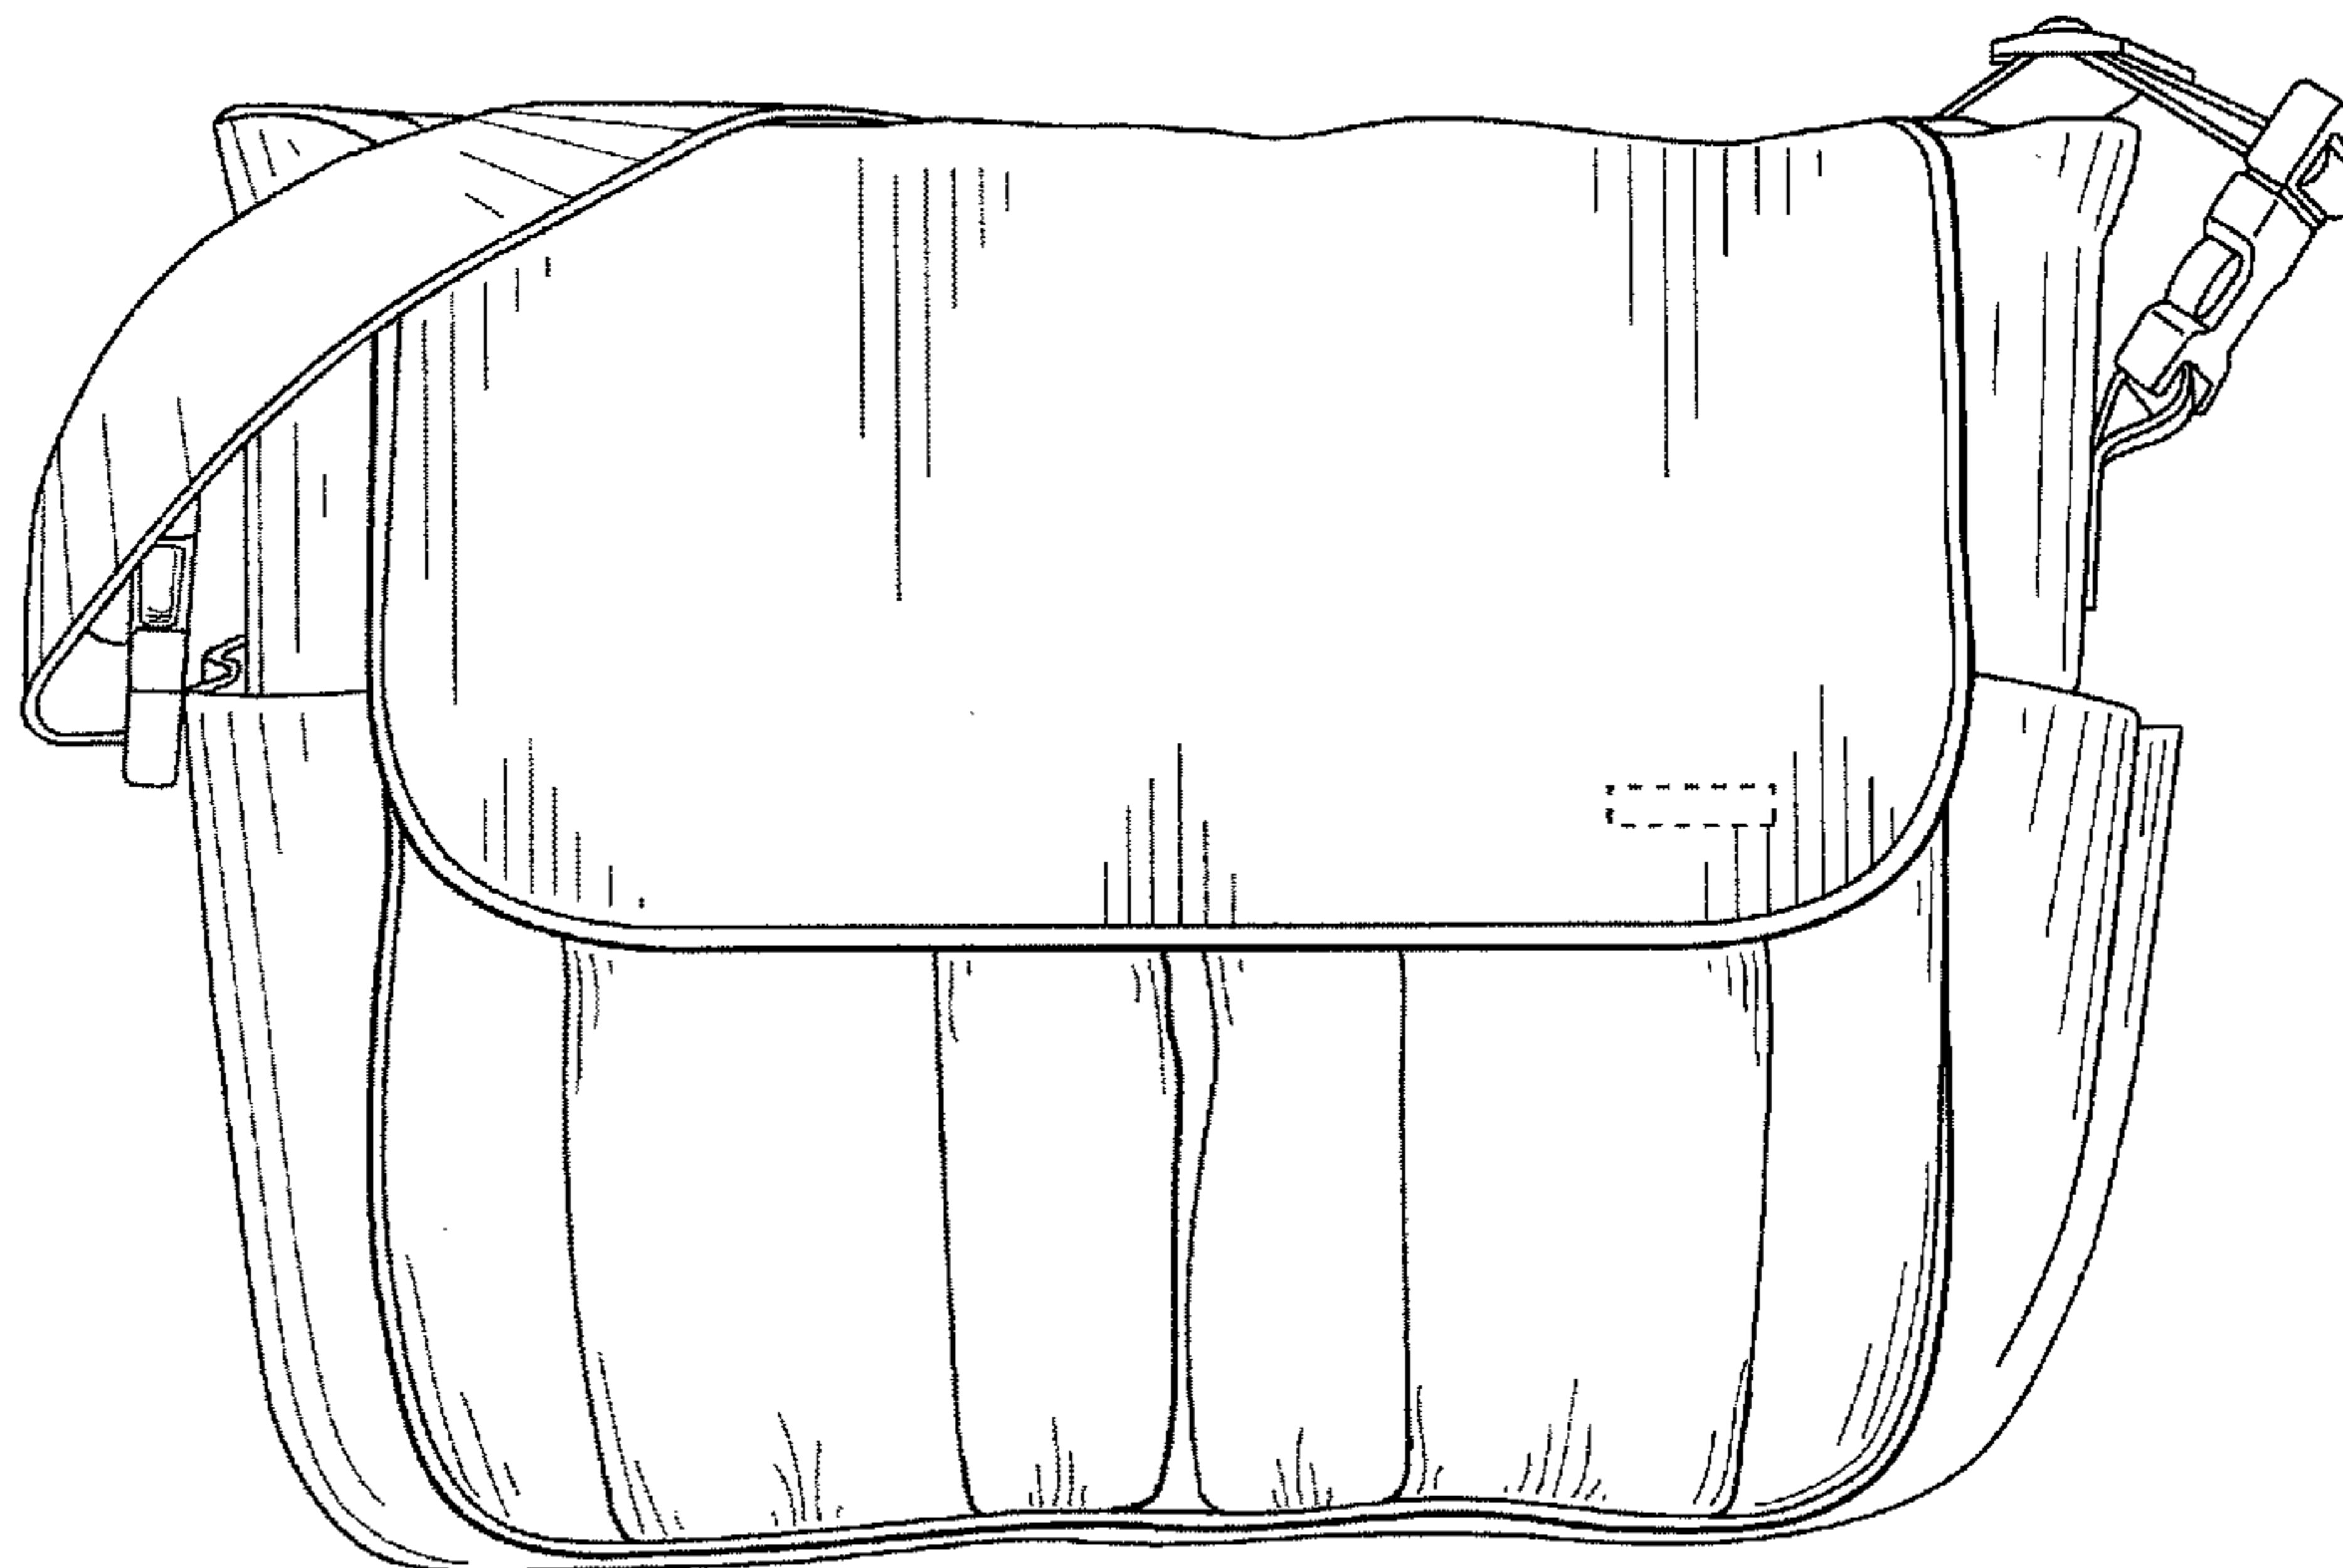

FIG. 3 is a perspective view with the shoulder strap moved out of the way in order to reveal the rear and one side thereof;

FIG. 4 is a front view of the diaper bag in an open condition showing the front pouch with its zipper open; and,

FIG. 5 is a front perspective view of the diaper bag fully opened, with the shoulder strap inside the large open pouch, and with the pockets shown in a condition of use.

The broken lines just inside the perimeter of the two rectangular elements in FIGS. 4 and 5 represent stitching and are part of the claimed design. All other broken lines in the figures illustrate environment and form no part of the claimed design.
