(57) **CLAIM**

The ornamental design for a combination cooler and barbeque grill, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a combination cooler and barbeque grill according to an embodiment of the present invention;

FIG. 2 is a rear perspective view of a combination cooler and barbeque grill according to an embodiment of the present invention;

FIG. 3 is a front view of a combination cooler and barbeque grill according to an embodiment of the present invention;

FIG. 4 is a rear view of a combination cooler and barbeque grill according to an embodiment of the present invention;

FIG. 5 is a top side view of a combination cooler and barbeque grill according to an embodiment of the present invention;

FIG. 6 is a bottom view of a combination cooler and barbeque grill according to an embodiment of the present invention;

FIG. 7 is a left side view of a combination cooler and barbeque grill according to an embodiment of the present invention;

FIG. 8 is a right side view of a combination cooler and barbeque grill according to an embodiment of the present invention;

FIG. 9 is a side view of a combination cooler and barbeque grill in an expanded state according to an embodiment of the present invention;

FIG. 10 is a front view of a combination cooler and barbeque grill in an expanded state according to an embodiment of the present invention; and,

FIG. 11 is a side view of a combination cooler and barbeque grill in an expanded state according to an embodiment of the present invention.

The broken lines are for illustrative purposes only and form no part of the claimed design.
