(57) **CLAIM**

The ornamental design for a fluorescent lighting fixture, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the fluorescent lighting fixture according to the present invention;

FIG. 2 is an elevational view of one end of the fluorescent lighting fixture, the other end being identical thereto;

FIG. 3 is a bottom plan view of the fluorescent lighting fixture;

FIG. 4 is an elevational view of one side thereof, the other side being identical thereto; and,

FIG. 5 is a top plan view of the fluorescent lighting fixture according to the present invention.

The broken lines are directed to environment and portions so indicated form no part of the claimed design.
