(57) **CLAIM**

I claim the ornamental design for a table, as shown and described.

DESCRIPTION

FIG. 1 is a front corner perspective view of a table according to a first embodiment of the invention in the form of a cocktail table. The view from the opposite corner being a mirror image thereto.

FIG. 2 is a side elevational view of a table according to a first embodiment of the invention in the form of a cocktail table. The view from the opposite side being a mirror image thereto.

FIG. 3 is a top plan view of a table according to a first embodiment of the invention in the form of a cocktail table.

FIG. 4 is a side elevational view of a table according to a second embodiment of the invention in the form of an end table. The view from each of the sides being a mirror image thereto.

FIG. 5 is a top plan view of a table according to a second embodiment of the invention in the form of an end table.

FIG. 6 is a side elevational view of a table according to a third embodiment of the invention in the form of a sofa table. The view from the opposite side being a mirror image thereto; and,

FIG. 7 is a top plan view of a table according to a third embodiment of the invention in the form of a sofa table.

The portions of the figures shown in dashed lines are for illustrative purposes only and form no part of the claimed invention.
