(57) **CLAIM**

The ornamental design for a greeting card having a heart shaped blister pack, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a greeting card in an open configuration;

FIG. 2 is a perspective of the greeting card in a closed configuration;

FIG. 3 is a front elevation of the card in the closed configuration;

FIG. 4 is a right side elevation of the card in the closed configuration;

FIG. 5 is a top plan of the card in the closed configuration;

FIG. 6 is a bottom plan of the card in the closed configuration; and,

FIG. 7 is a left side view of the card in the closed configuration.

The broken lines in the drawings illustrate environmental features that do not form a part of the design. The back of the card forms no part of the design.
