(57) **CLAIM**

The ornamental design for an interior of a passenger cabin of an aircraft, as shown and described.

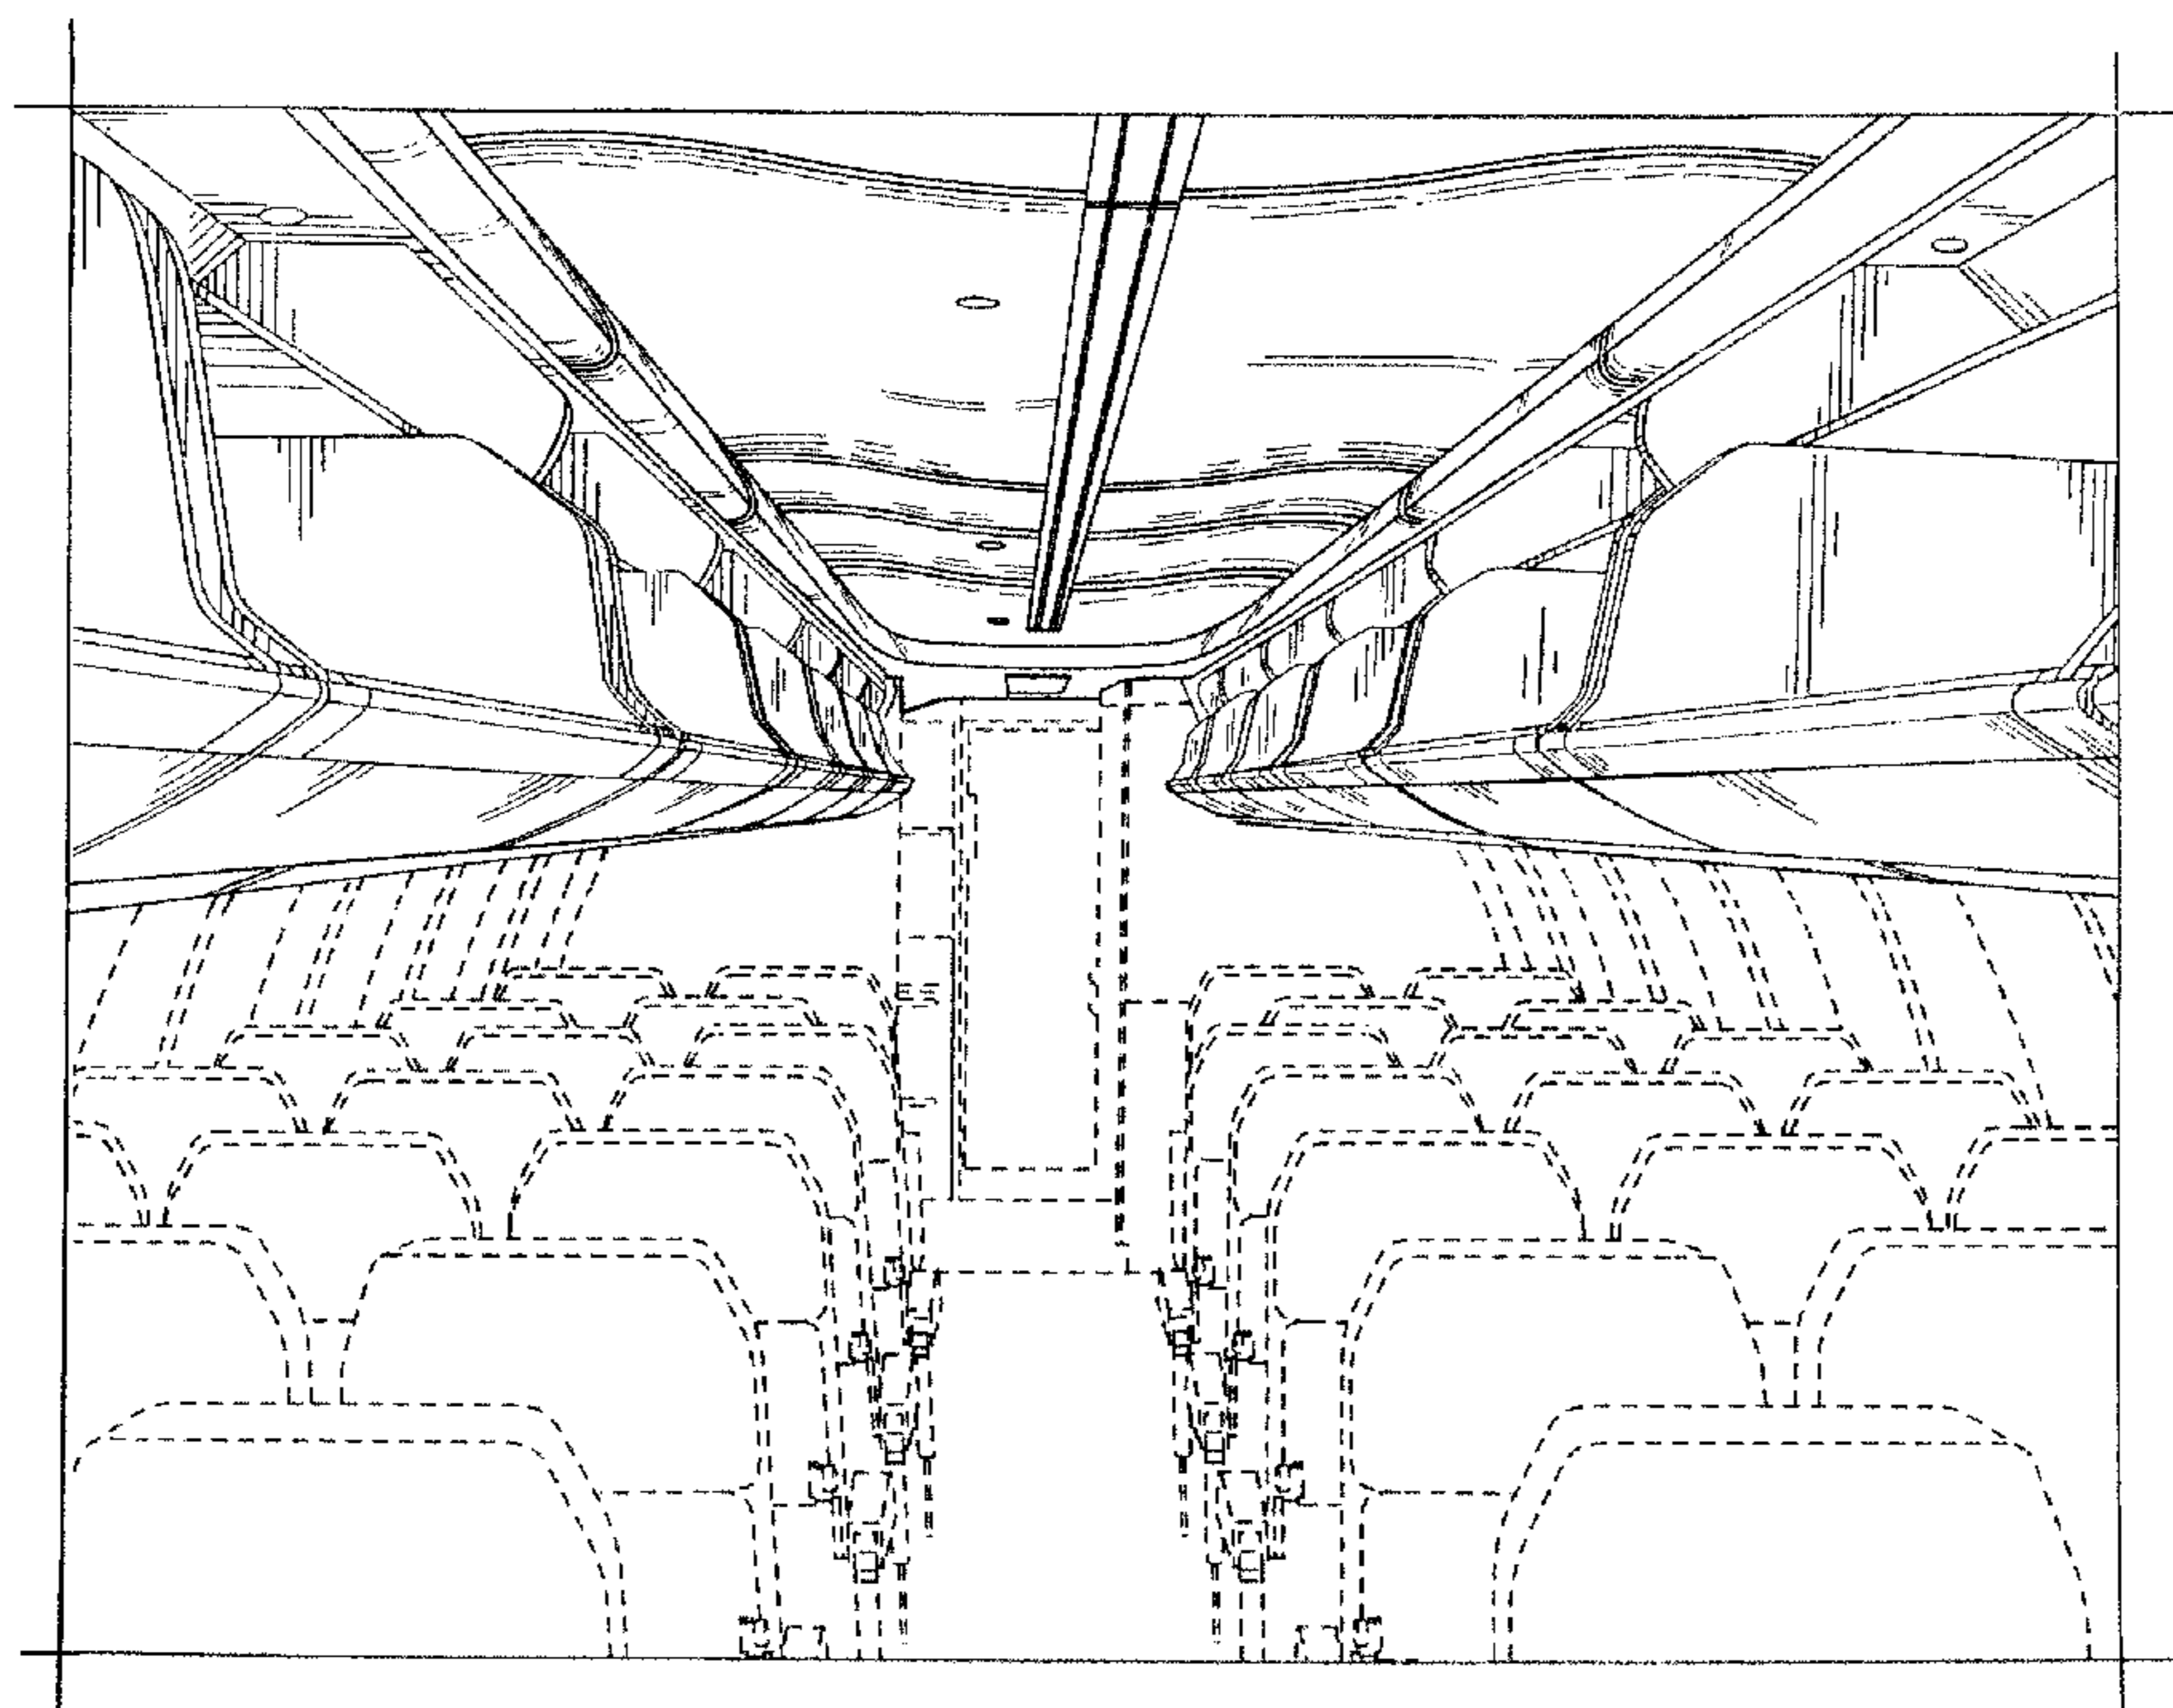

DESCRIPTION

FIG. 1 is a perspective view of an interior of an aircraft cabin having pivotable lower bucket of luggage stow bins in the down or open position, where the lower bucket has a curved front face with curved inner and outer surfaces; and,

FIG. 2 is a further perspective view of an interior of an aircraft cabin having pivotable lower bucket of luggage stow bins in the up or closed position, where the lower bucket has a curved front face with curved inner and outer surfaces.

The broken line showing of unclaimed portions of the interior of the airplane cabin forms no part of the claimed design.
