(57) **CLAIM**

The ornamental design for a pair of gloves/mittens, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a right hand glove/mitten having a pocket located on an upper portion of the glove with a closable flap and a pair of Velcro® attachment members, as well as having a first Velcro® attachment member positioned over a portion of the mitten.

FIG. 2 is a back view of the right hand glove/mitten shown in FIG. 1 depicting a second Velcro® attachment member located on the upper portion of the glove and showing a thumb cover.

FIG. 3 is a front view of the right hand glove/mitten shown in FIG. 1 with the front portion of the mitten being released from the glove so as to reveal a third Velcro® attachment member located above the four finger covers.

FIG. 4 is a back view of the right hand glove/mitten shown in FIG. 1 with the mitten portion being folded over the thumb cover.

FIG. 5 is a back view of the right hand glove/mitten shown in FIG. 1 with the mitten portion being folded a second time to overlap the upper portion of the glove and secured in the first and second Velcro® attachment members.

FIG. 6 is a front view of a left hand glove/mitten having a pocket located on an upper portion of the glove with a closable flap and a pair of Velcro® attachment members, as well as having a first Velcro® attachment member positioned over a portion of the mitten.

FIG. 7 is a back view of the left hand glove/mitten shown in FIG. 6 depicting a second Velcro® attachment member located on the upper portion of the glove and showing a thumb cover.

FIG. 8 is a front view of the left hand glove/mitten shown in FIG. 6 with the front portion of the mitten being released from the glove so as to reveal a third Velcro® attachment member located above the four finger covers.

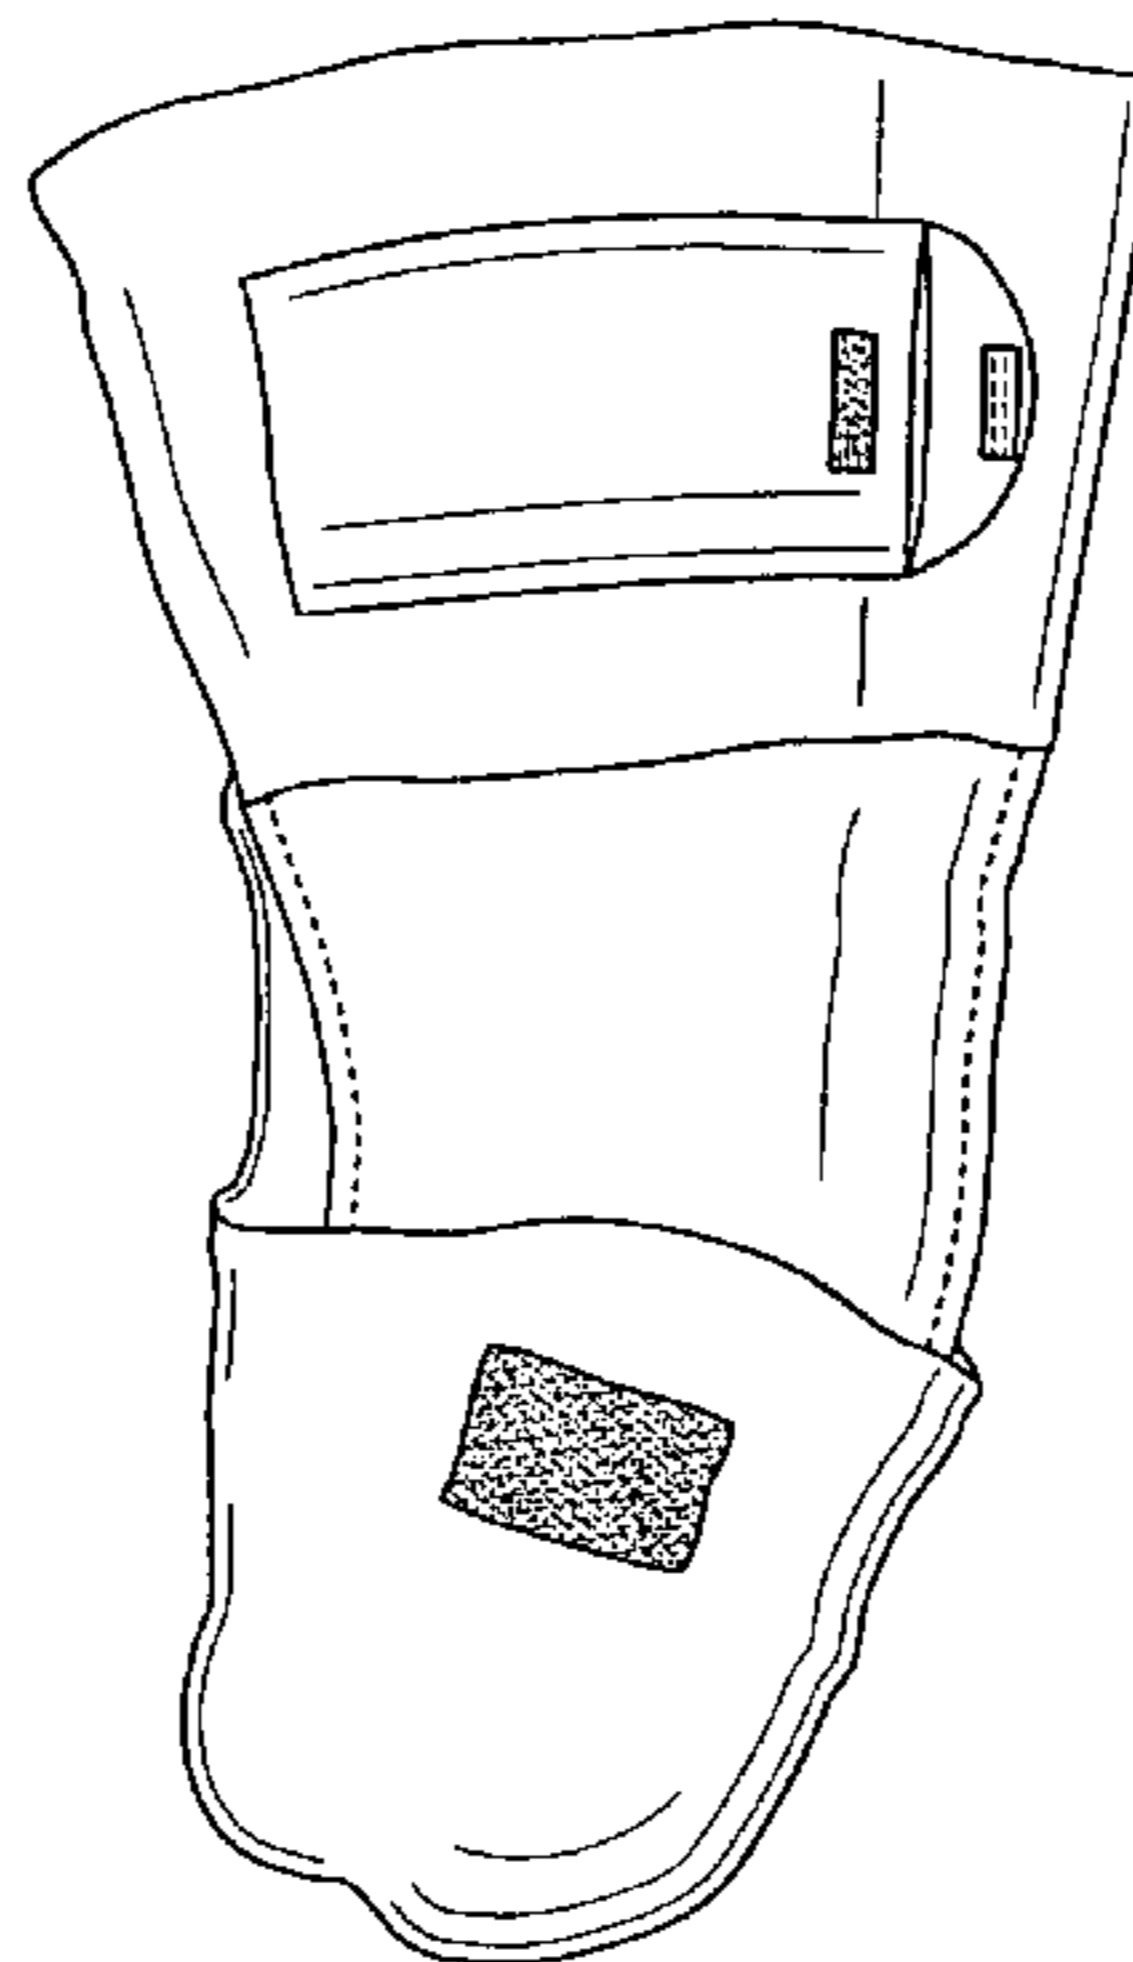

FIG. 9 is a perspective view of a person wearing the pair of gloves/mittens with the fingers of each hand covered by the mittens; and,

FIG. 10 is a perspective view of a person wearing the pair of gloves/mittens with the fingers of each hand exposed.

The right and left hand pair of gloves/mittens are shown in FIGS. 1–8 separately for ease of illustration.

It will be understood that the dashed lines presented in the drawings are for illustration only, and do not form a part of the claimed design.
