(57) **CLAIM**

The ornamental design for a substation automation device, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a substation automation device according to my new design; and,

FIG. 2 is a front prospective view thereof.

The broken line showing of various text and portions of the substation automation device is for illustrational purposes only and forms no part of the claimed design.

1 Claim, 2 Drawing Sheets

FIG. 1
