(57) **CLAIM**

The ornamental design for a waste carrier, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of the waste carrier of the present invention;

FIG. 2 is a front view of the waste carrier of the present invention;

FIG. 3 is an edge view of the waste carrier of the present invention, the other edges being the same; and,

FIG. 4 is a back view of the waste carrier of the present invention.

The dashed lines in the FIGS. 1–4 represent stitching.
