(57) **CLAIM**

The ornamental design footwear sole, as shown and described.

DESCRIPTION

FIG. 1 is a side elevational view of a design footwear sole showing the new design.

The solid lines comprise the claimed design and the claimed design is not limited to the specific location on or in the sole or a particular size in relationship to the sole. The broken lines adjacent to the claimed design element represent elements that are not a part of the claimed design. The broken lines showing the remainder of a sole are for illustrative purposes only and form no part of the claimed design.
