(57) **CLAIM**

The ornamental design for a recessed door stop, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the recessed door stop of this invention showing how it is positioned in a door, and door jamb.

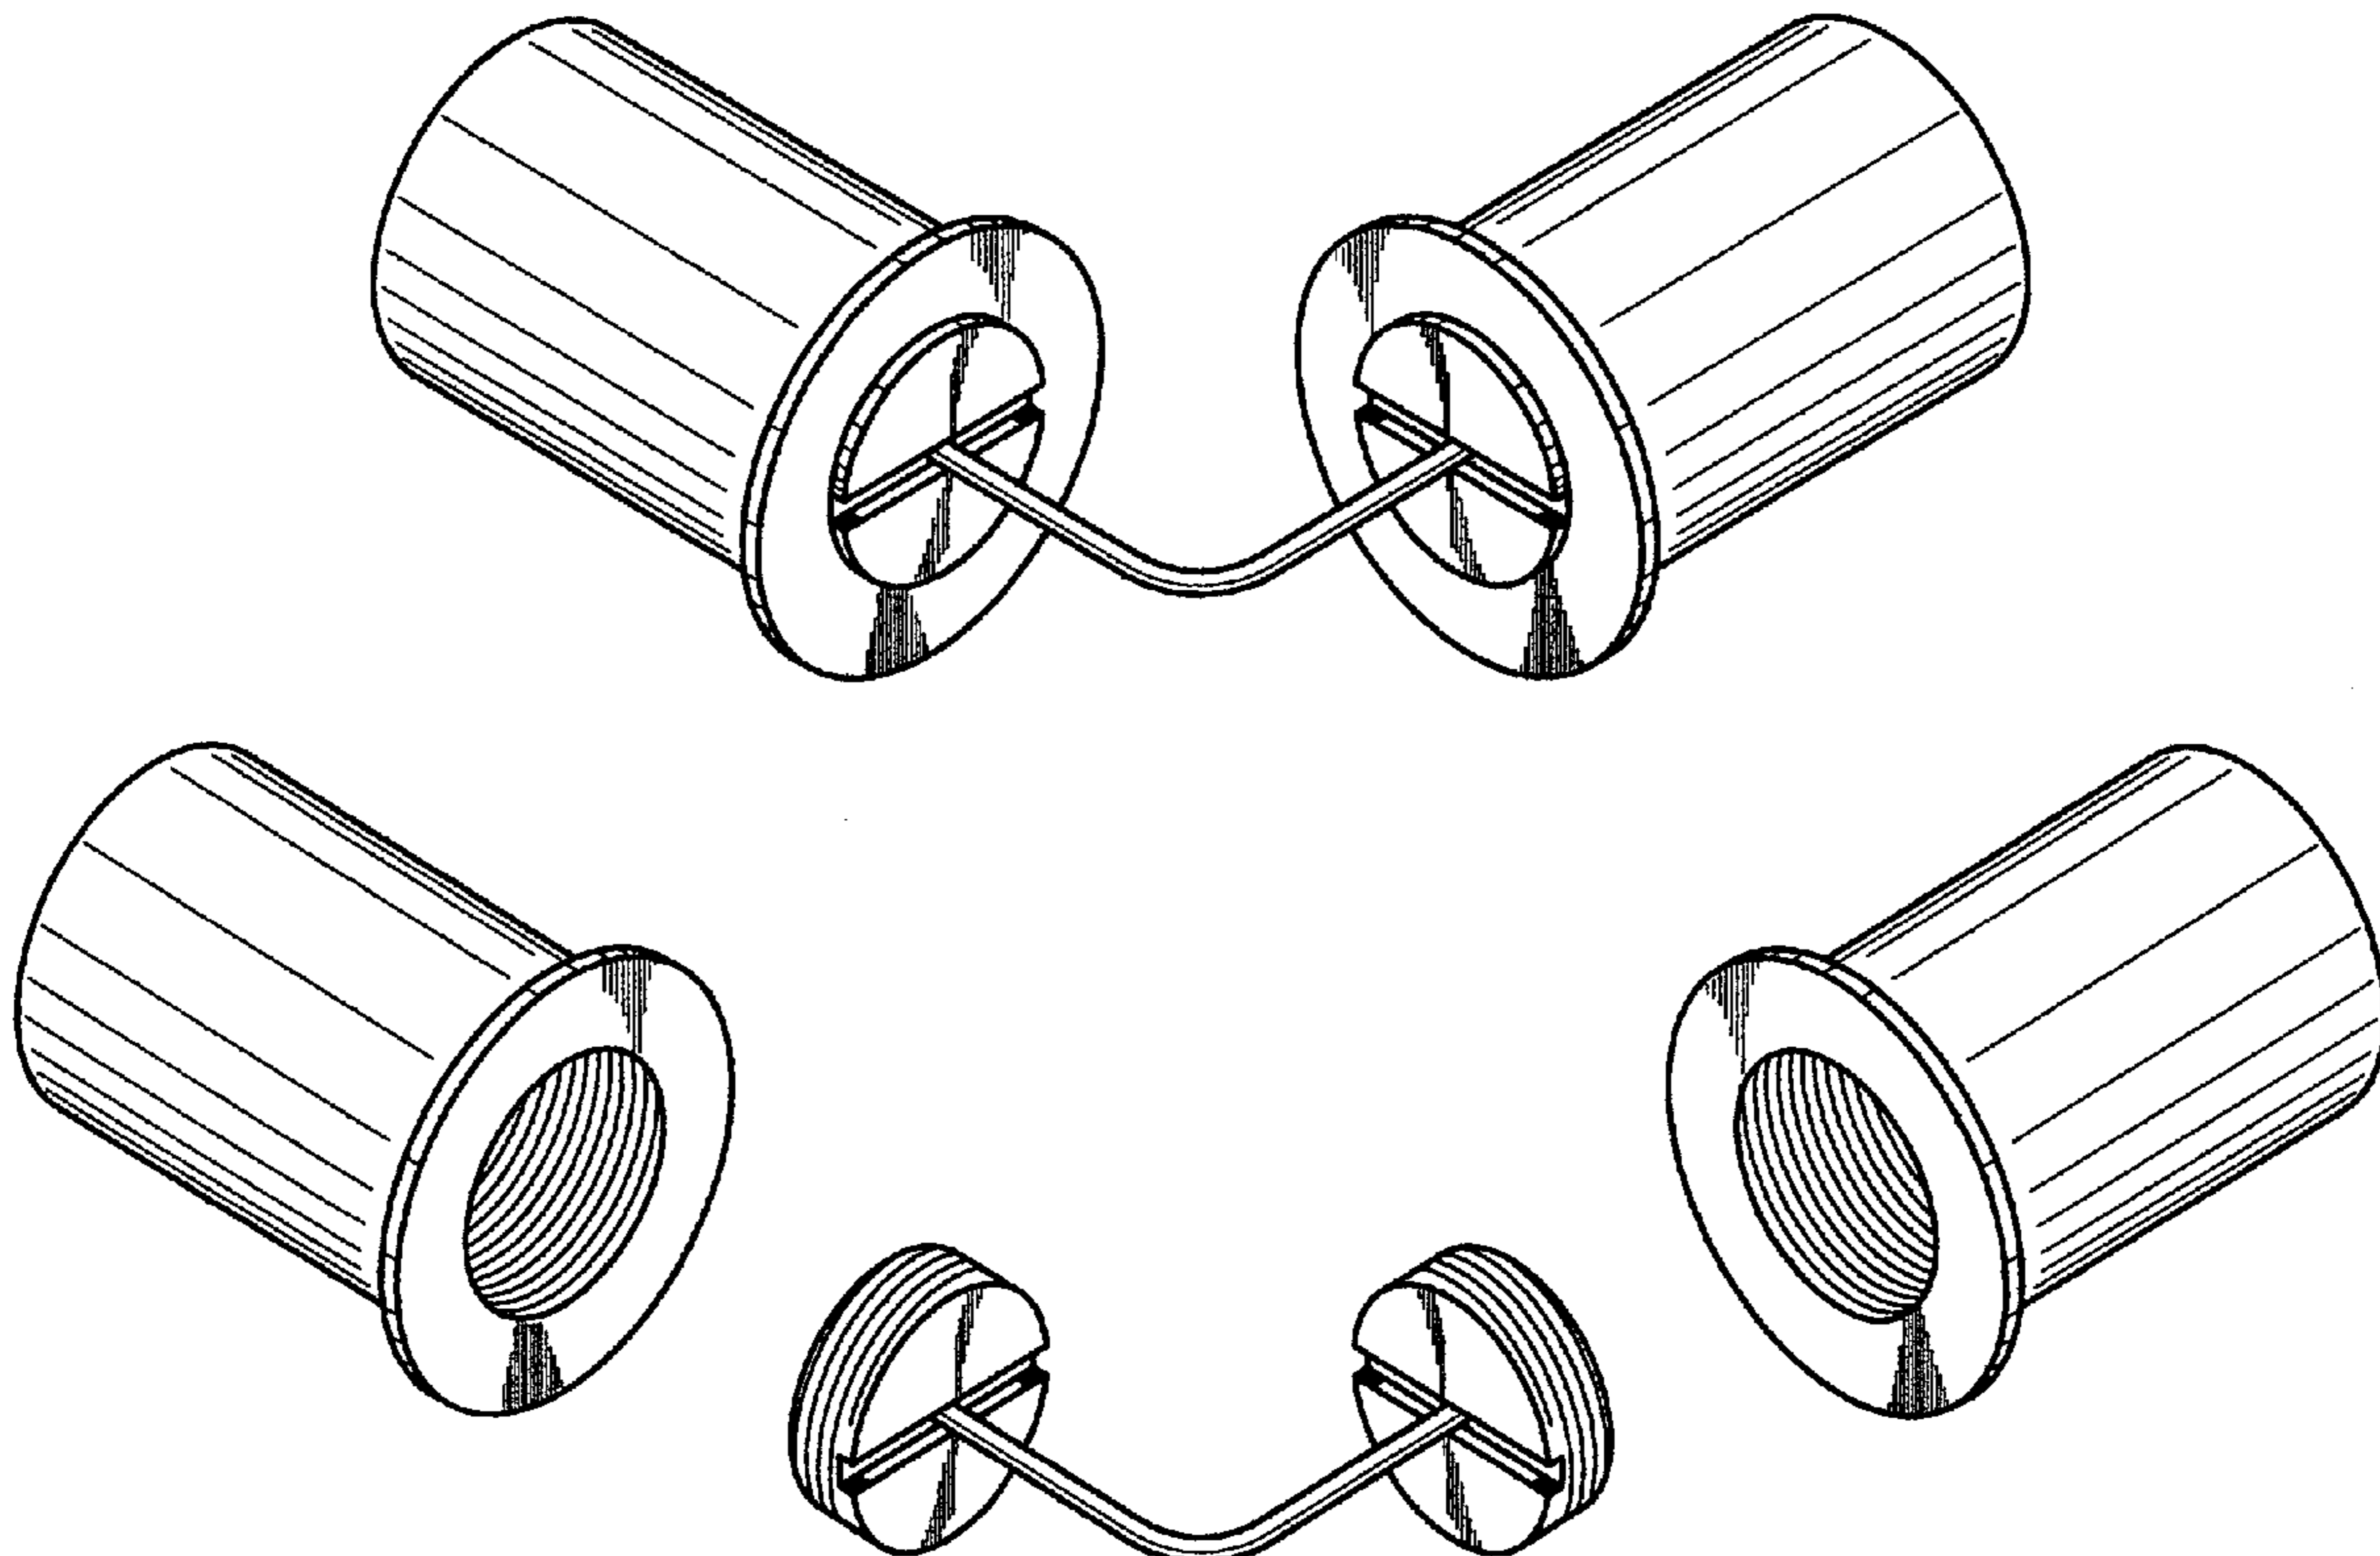

FIG. 2 is front perspective view of the recessed door stop of this invention.

FIG. 3 is a rear perspective view of the recessed door stop of this invention; and,

FIG. 4 is an enlarged view of the recessed door stop shown in FIG. 2, showing the relationship of various component parts.

The broken line showing of a door, doorjamb, and hinges in FIG. 1 shows environmental structure and forms no part of the claimed design.
