(57) **CLAIM**

The ornamental design for packing container with surface ornamentation, as shown and described.

DESCRIPTION

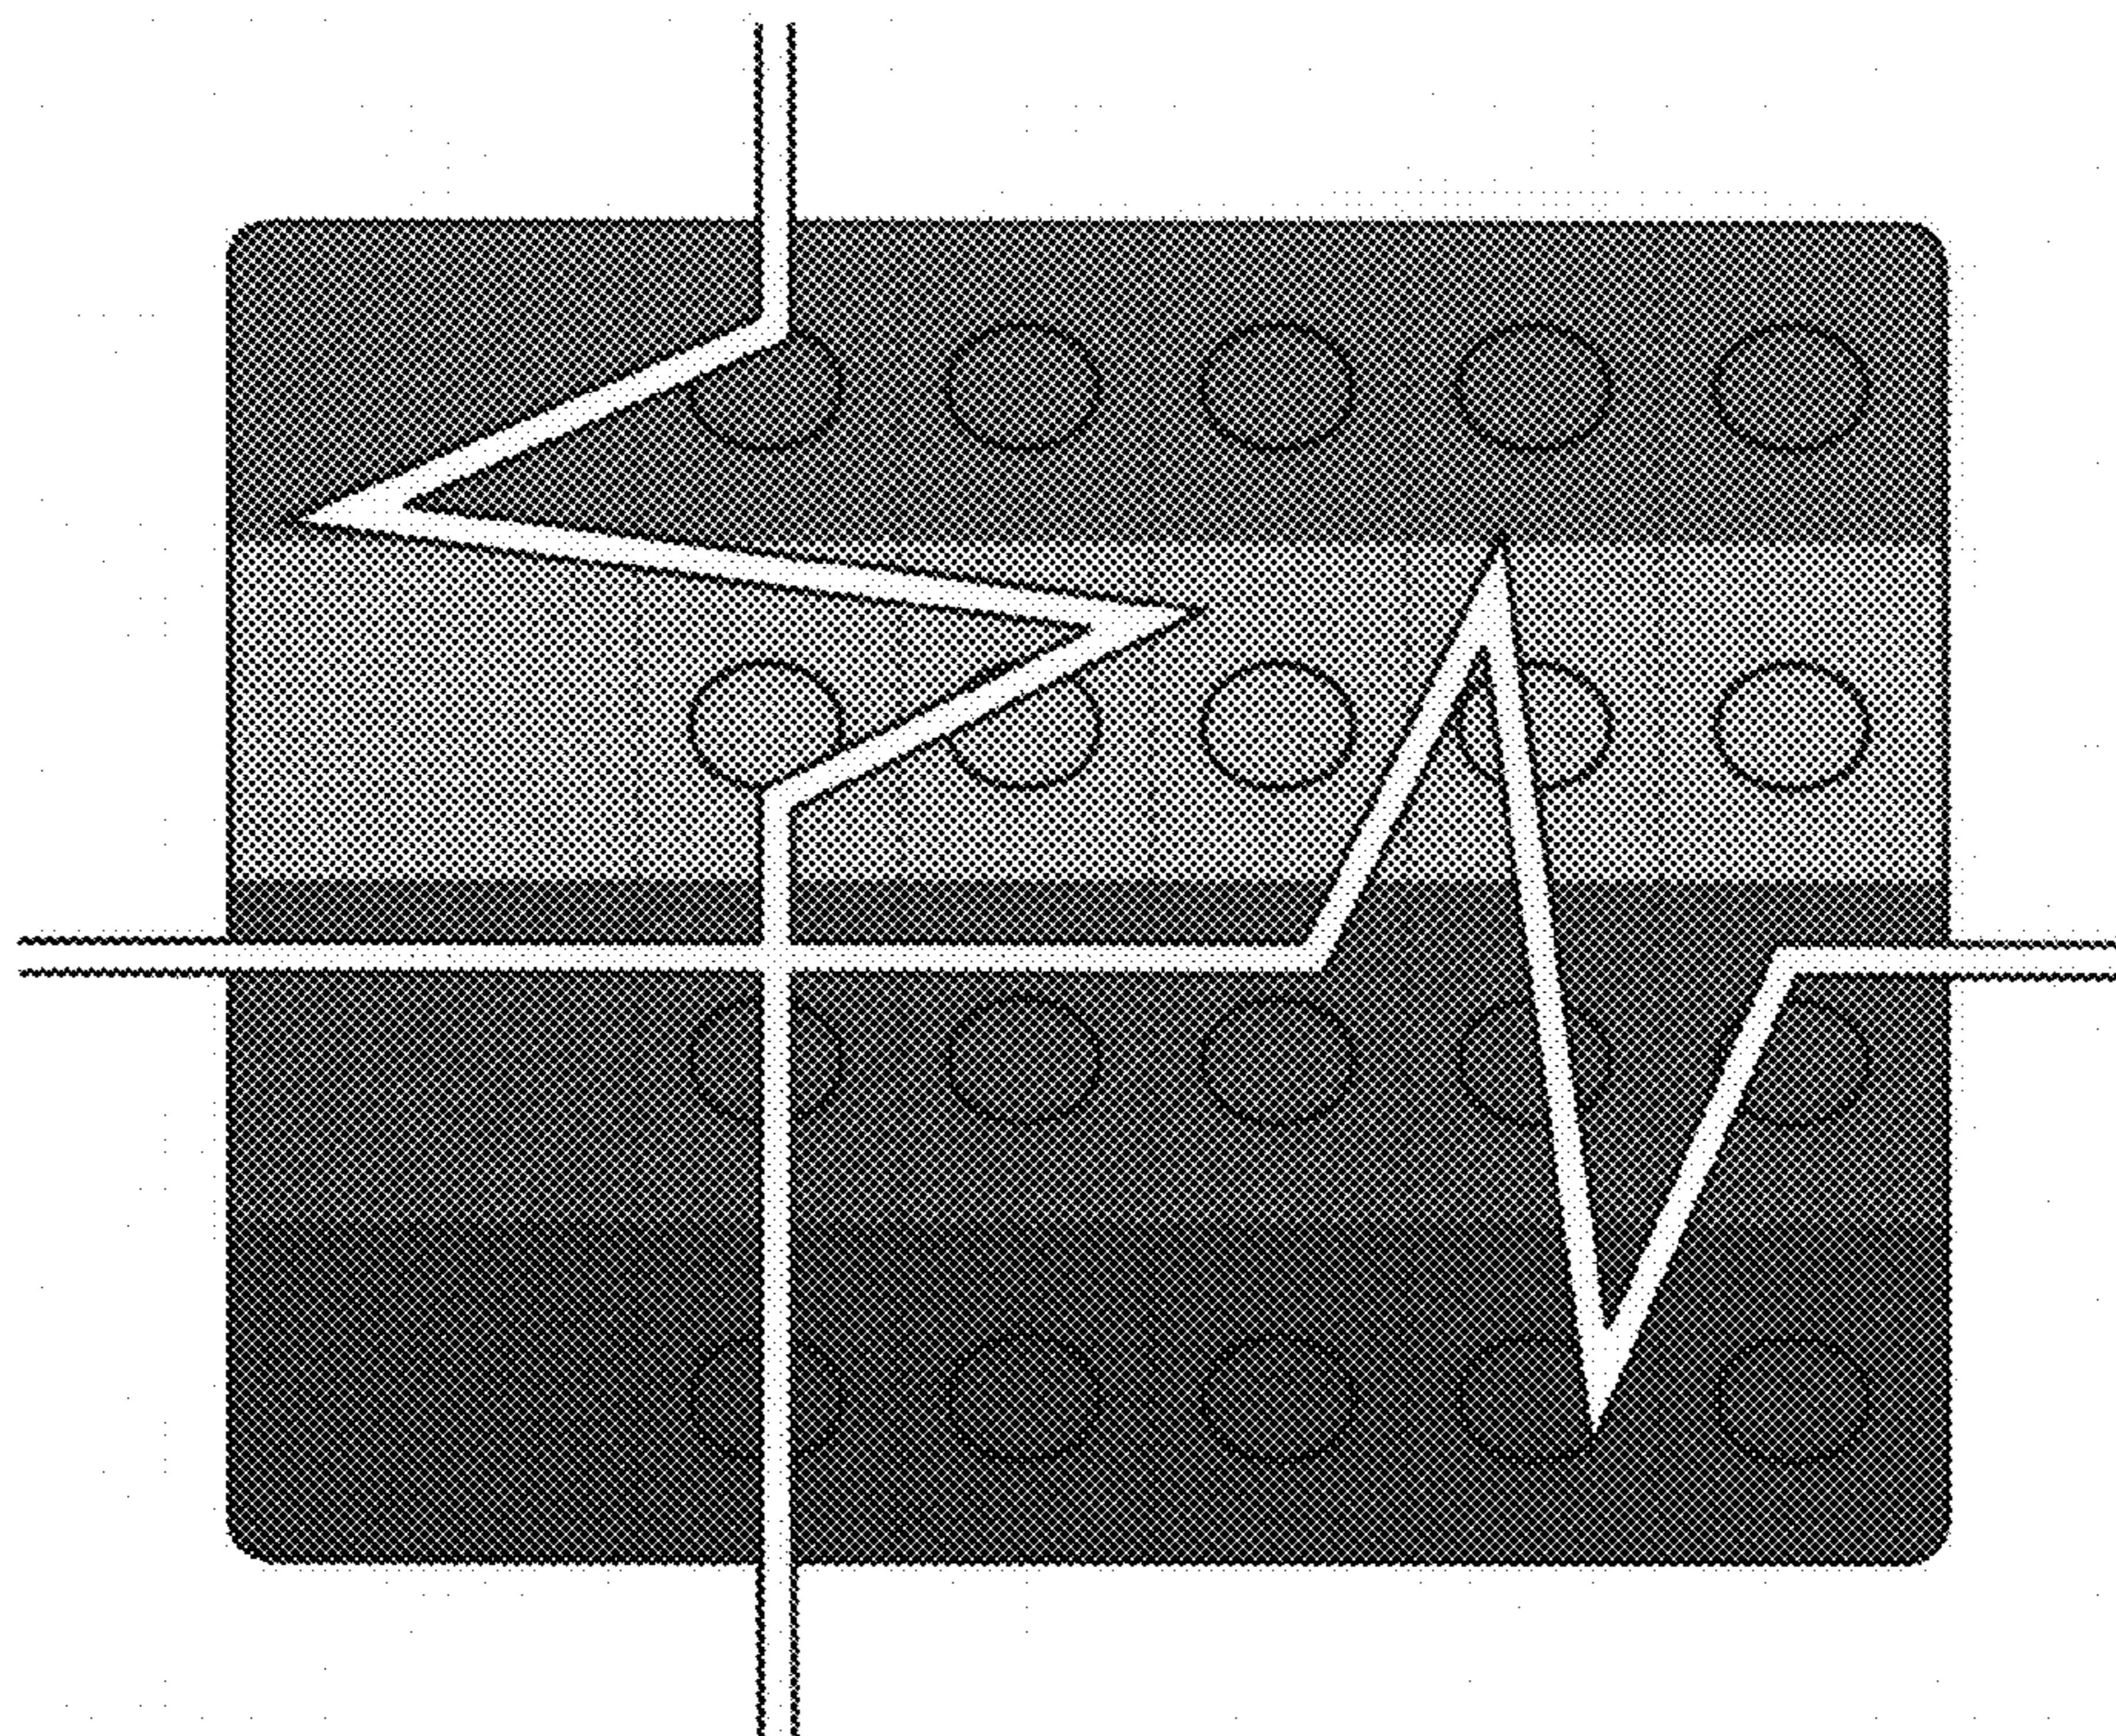

The present application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

FIG. 1 is a front view of the packing container with surface ornamentation embodying our new design; and,

FIG. 2 is a front view of a second embodiment of the packing container with surface ornamentation embodying our new design.

The packing container with surface ornamentation can be in one or more colors, but not a particular color or colors.
