(57)

**CLAIM**

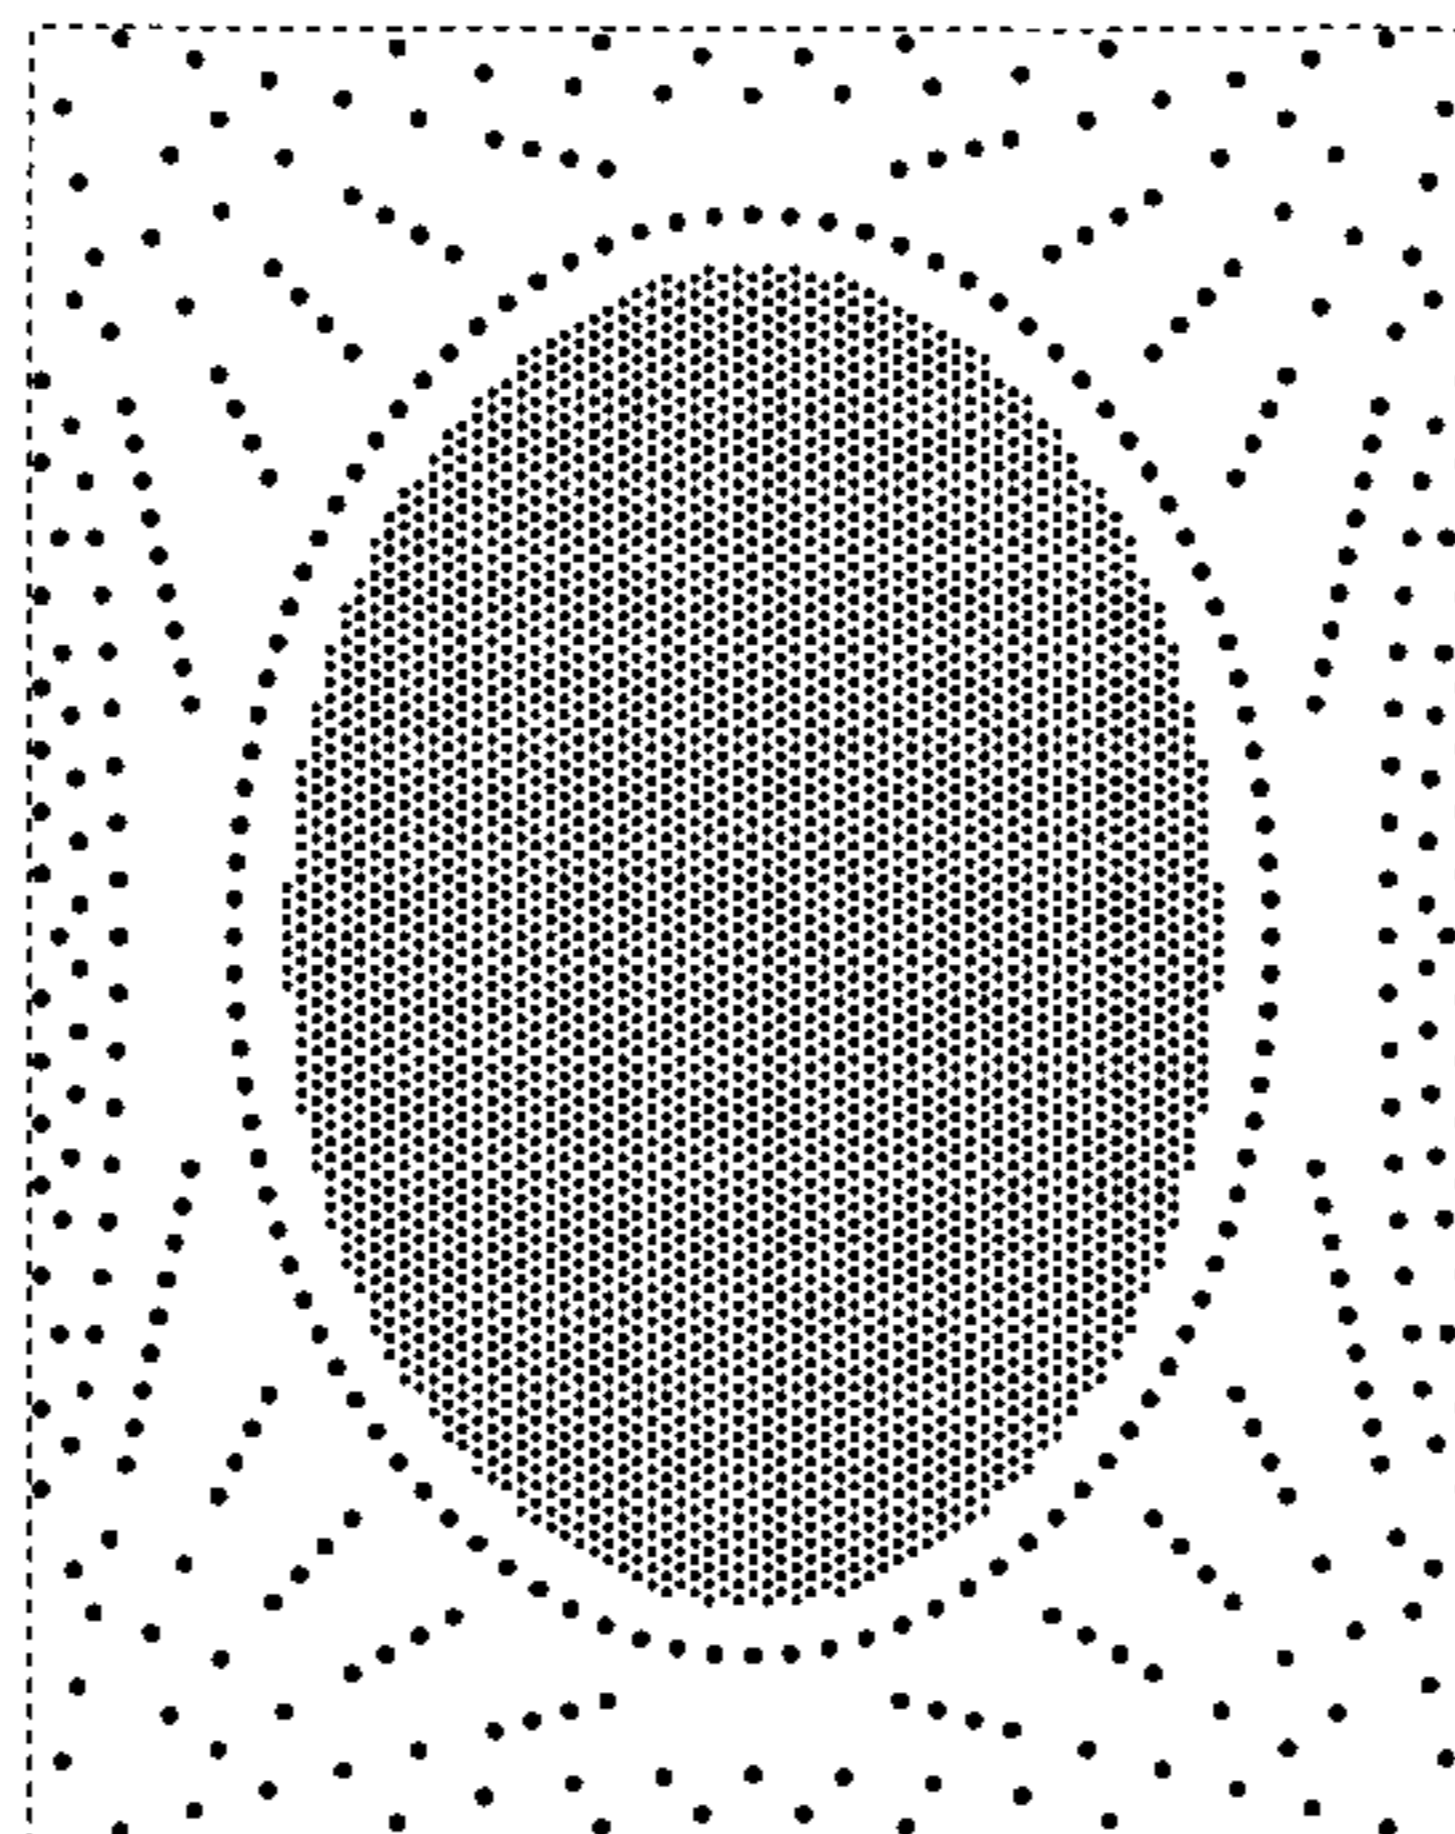

The ornamental design for absorbent paper, as shown and described.

**DESCRIPTION**

This application relates to U. S. Design patent application Ser. No. 29/294,501, filed Jan. 14, 2008 entitled Paper With Pattern. The disclosure of the foregoing application is hereby incorporated into this application in its entirety by reference thereto.

The sole FIGURE is a plan view of absorbent paper. The broken line around the design forms the boundary of the claim, defines one repeat unit of the claimed design and indicates that the design repeats uniformly throughout the surface of the absorbent paper. The reverse surface of the absorbent paper forms no part of the claimed design.
