(57) **CLAIM**

The ornamental design of a stud bracket with cable support, substantially as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective showing of the ornamental design for a stud bracket with cable support of the present invention; FIG. 2 is a front end plan view of the stud bracket with cable support of FIG. 1, the outside perimeter and interior details of the rear plan view being identical thereto; FIG. 3 is a left side elevational showing of the stud bracket with cable support of FIG. 2; FIG. 4 is a right side elevational showing of the stud bracket with cable support of FIG. 2; FIG. 5 is a top end plan view of the stud bracket with cable support of FIG. 2; and, FIG. 6 is a bottom end plan view of the stud bracket with cable support of FIG. 1.
