(57) **CLAIM**

The ornamental design for an electronic mouse having an illuminated region, as shown and described.

DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

FIG. 1 is a front perspective view of an electronic mouse having a glow effect showing my new design;

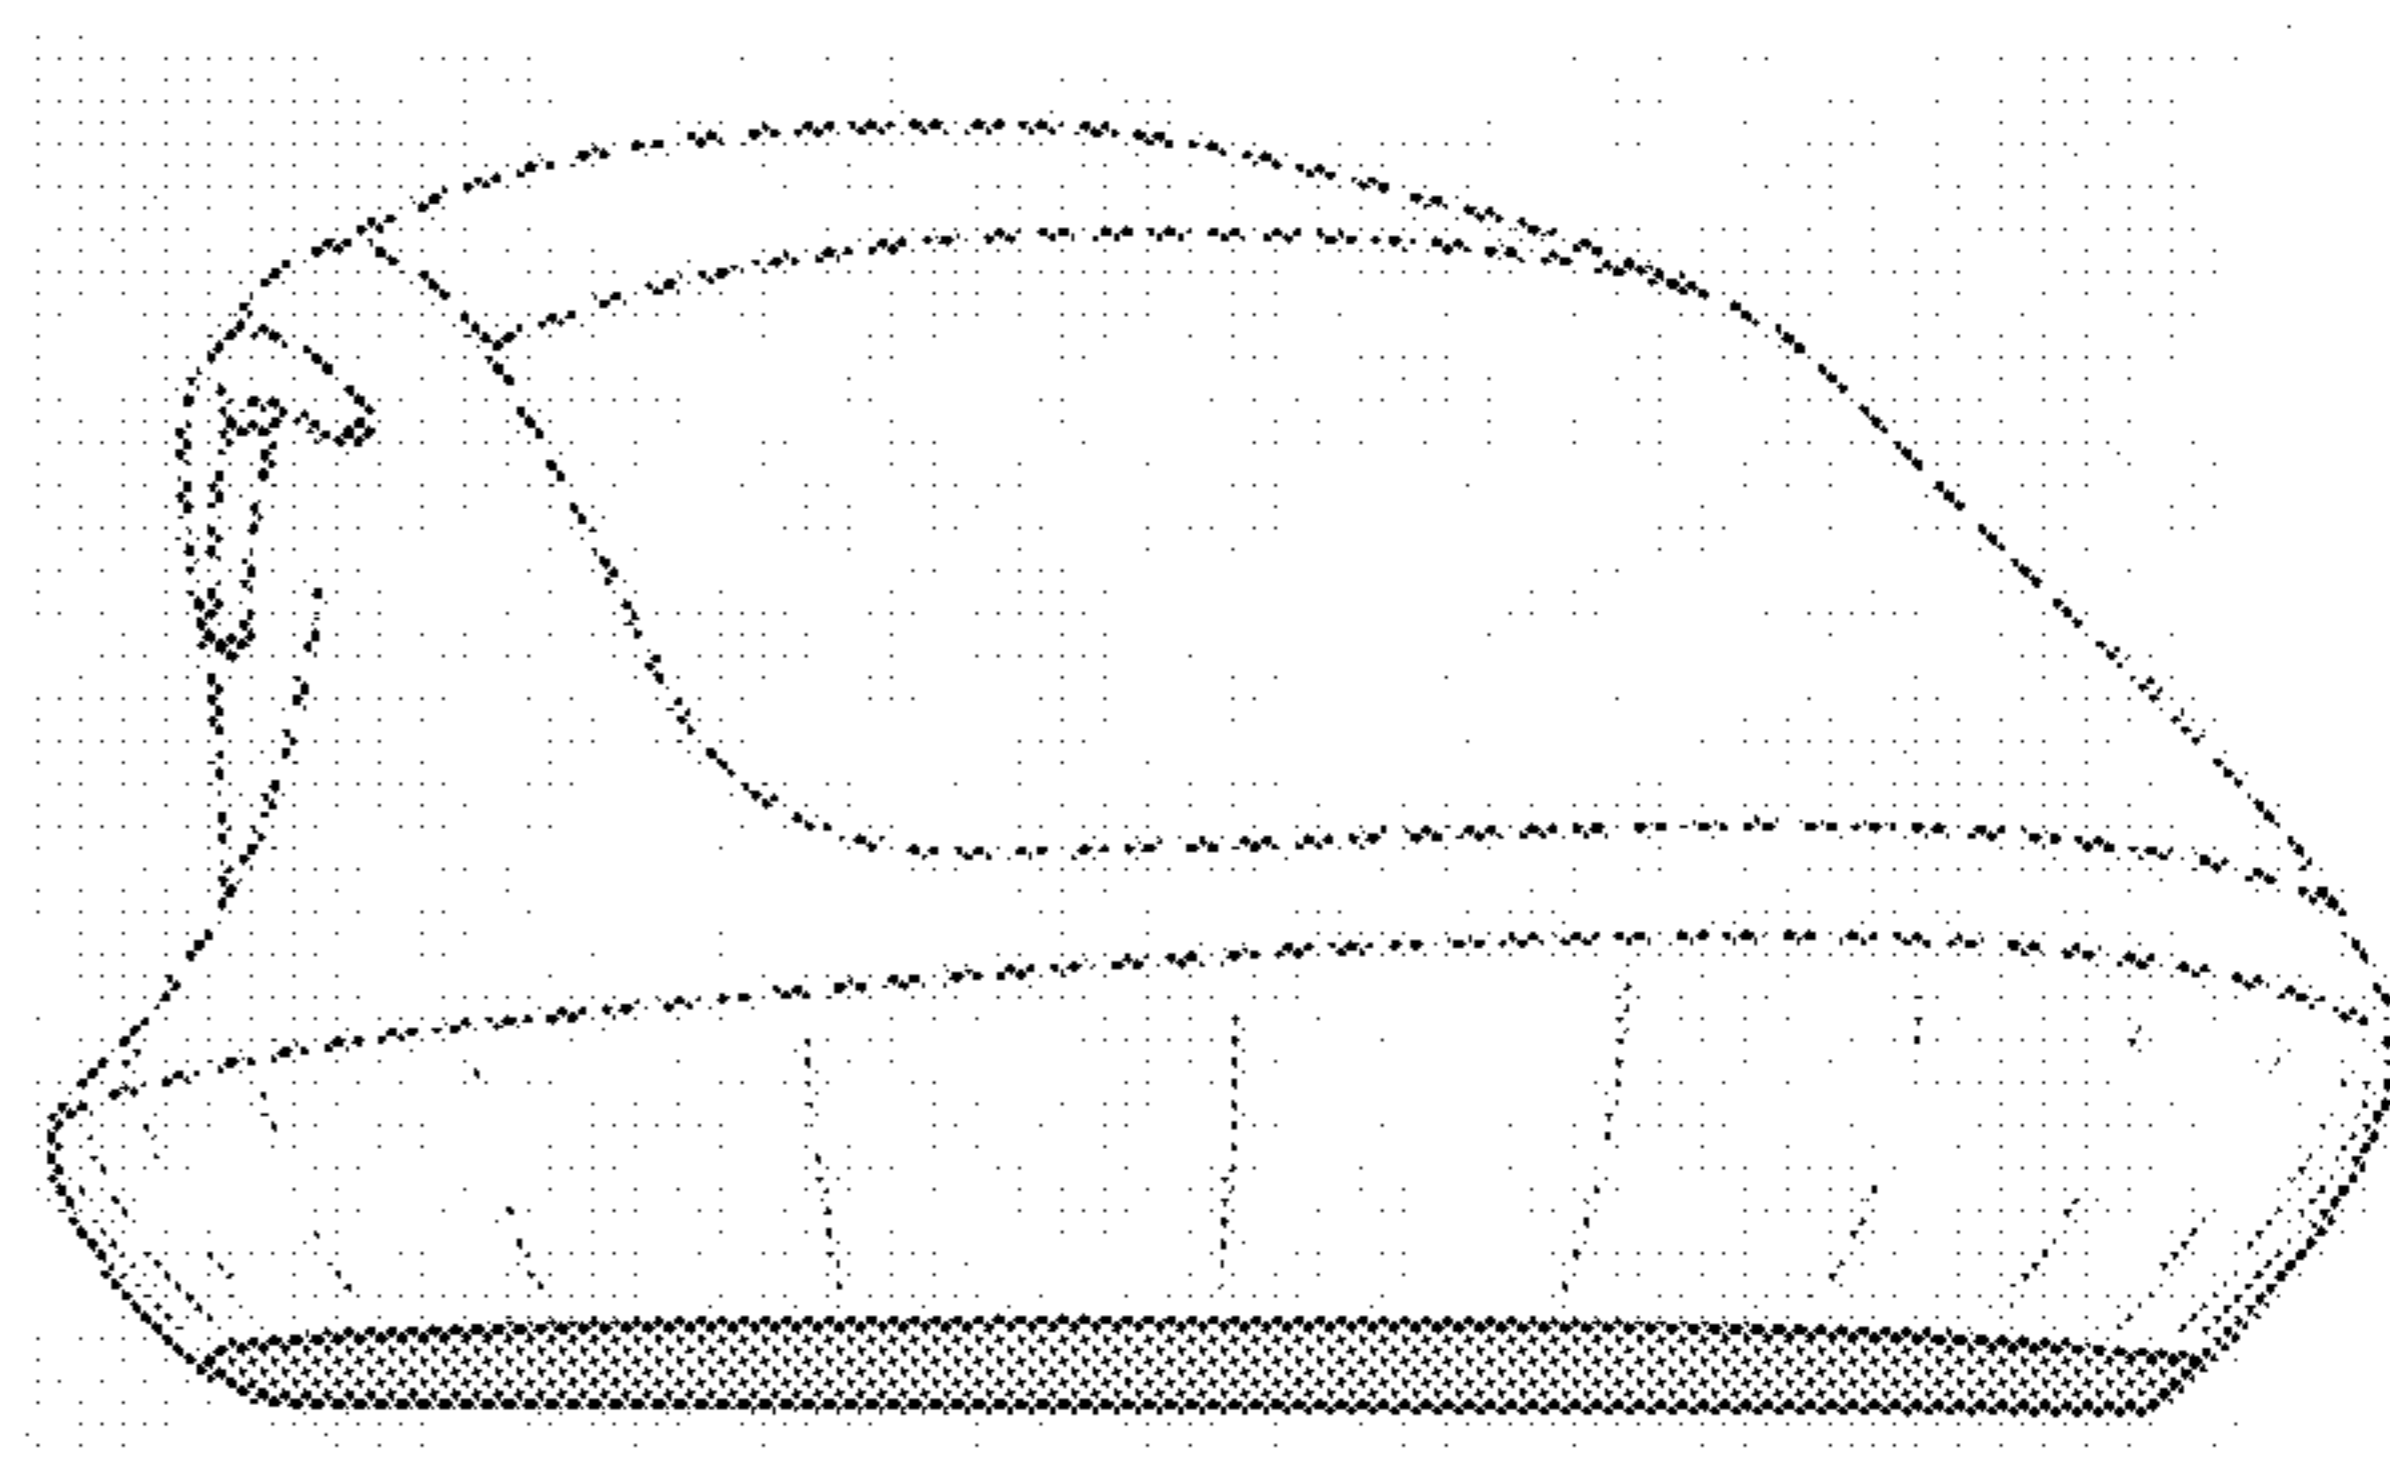

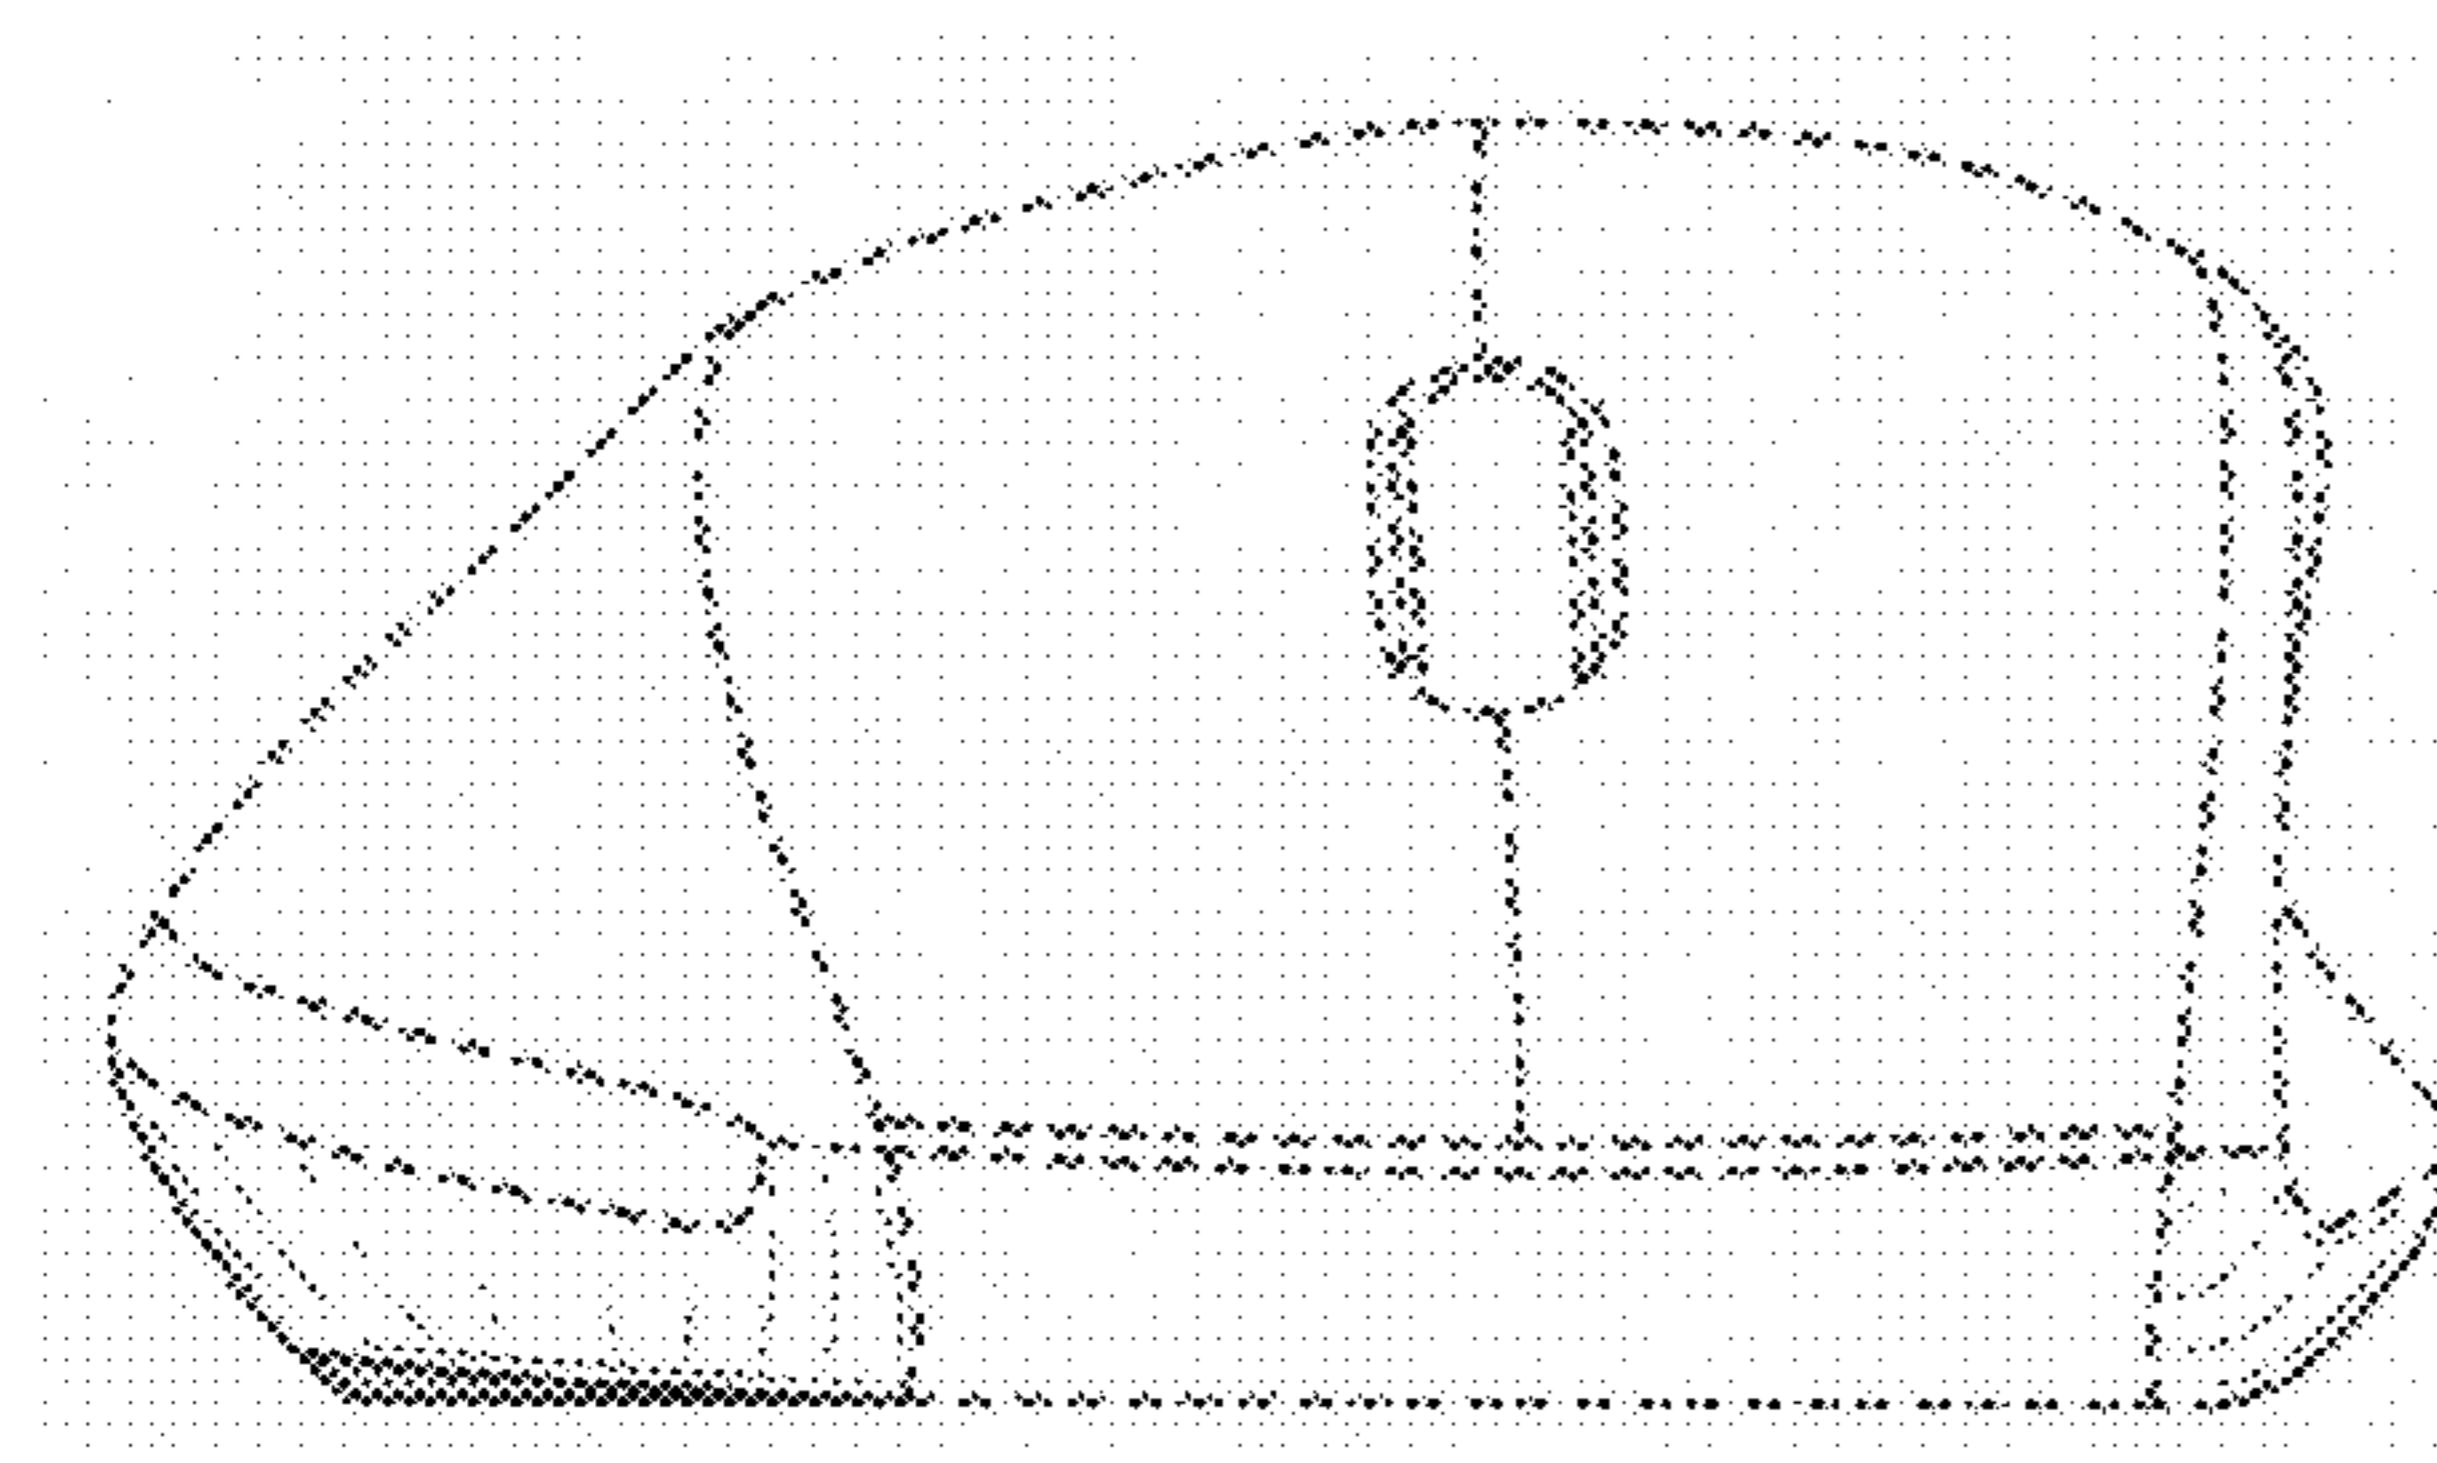

FIG. 2 is a rear view thereof;

FIG. 3 is a side view thereof; and,

FIG. 4 is a second side view thereof.

The blue shading in the figures represents a blue glow effect of the electronic mouse. The broken line showing of various regions and the unshaded areas there within form no part of the claimed design.
