(57) **CLAIM**

We claim the ornamental design for a table, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of a first embodiment of a table; FIG. 2 is a front elevational view of the first embodiment of the table;

FIG. 3 is a top plan view of the first embodiment of the table; FIG. 4 is a bottom plan view of the first embodiment of the table;

FIG. 5 is a perspective view of a second embodiment of the table;

FIG. 6 is a front elevational view of the second embodiment of the table;

FIG. 7 is a top plan view of the second embodiment of the table; and,

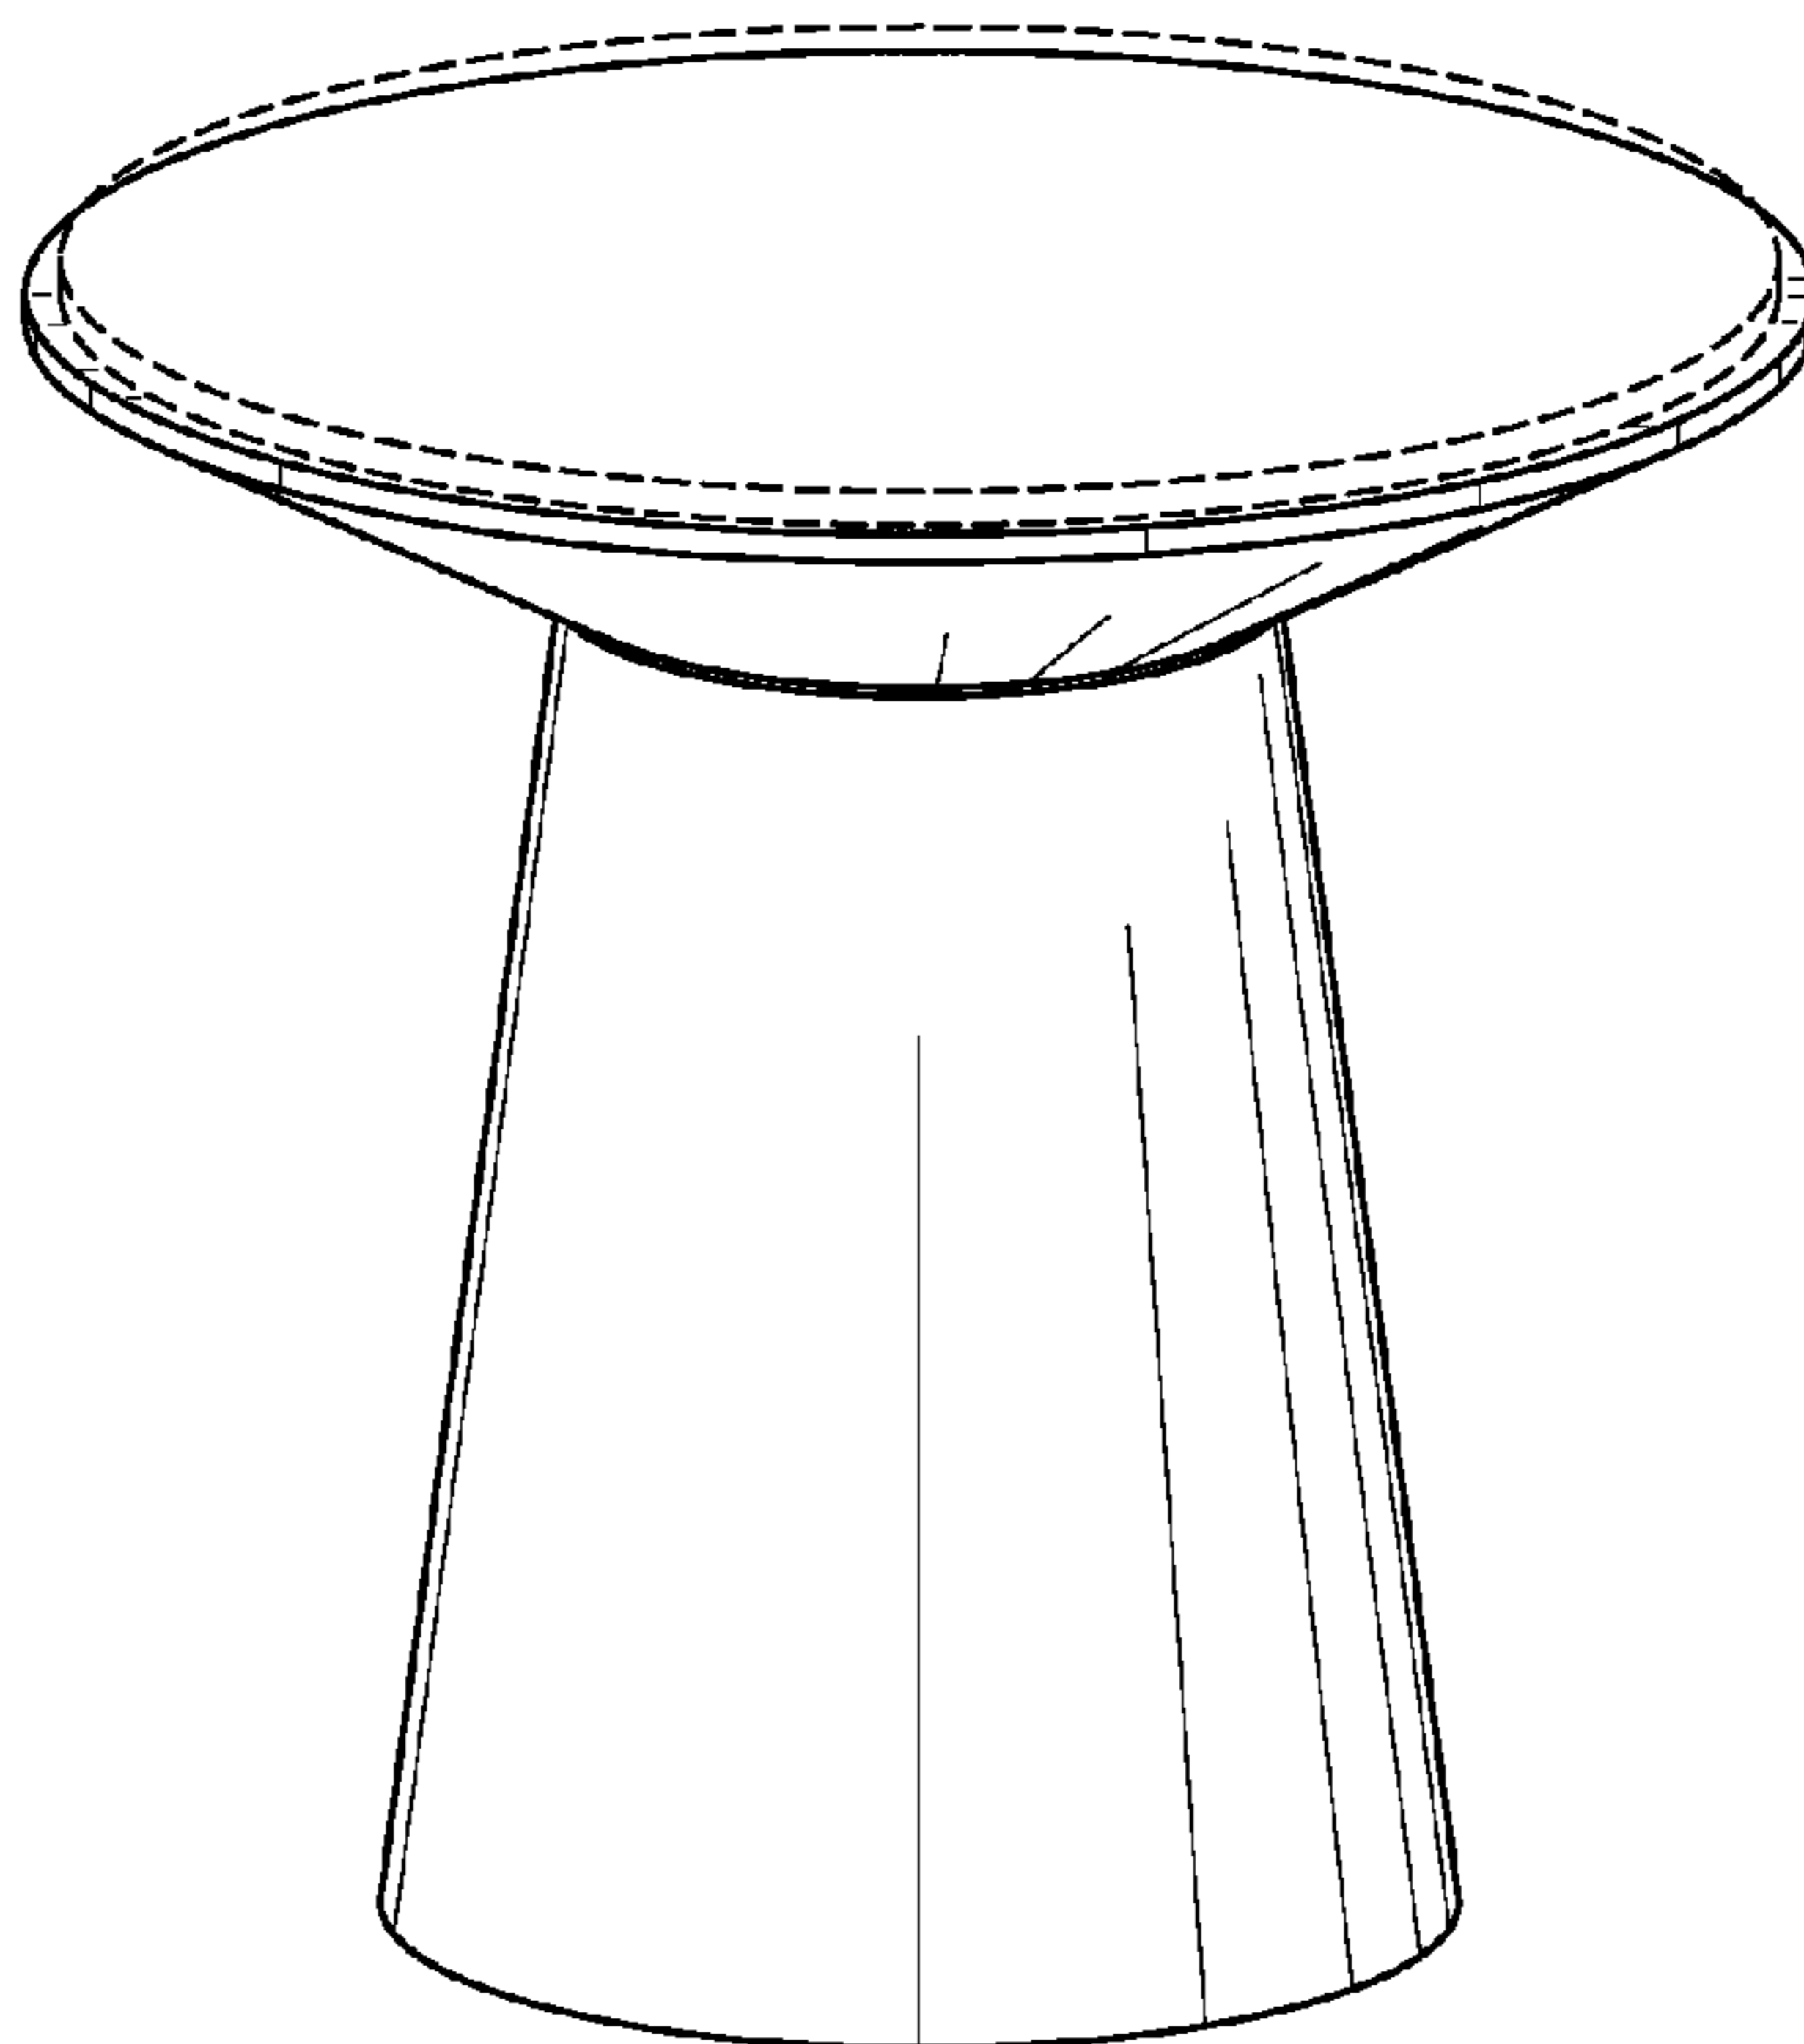

FIG. 8 is a bottom plan view of the second embodiment of the table.

The side elevational views and the rear elevational view of the first embodiment of the table are identical to the front elevational view of the first embodiment of the table.

The side elevational views and the rear elevational view of the second embodiment of the table are identical to the front elevational view of the second embodiment of the table.

The broken lines are for environmental purposes only and form no part of the claimed design.
