(57) **CLAIM**

I claim the ornamental design for a health comfort pillow, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view

FIG. 2 is a side view; and,

FIG. 3 is a side view shown in use, in an alternate configuration.

My health comfort pillow is an improved pillow that provides several purposes. This pillow accommodates and supports a user's head and neck regardless of whether the user is lying on the back or side. This pillow offers and supports a user's cervical and lower back.

In the drawings, the broken lines illustrate environment and form no part of the claimed design.
