(57) **CLAIM**

I claim the ornamental design for a bracelet jewelry article, as shown and described.

DESCRIPTION

FIG. 1 illustrates a top perspective view of the bracelet jewelry article showing a first embodiment of my new design in open position;

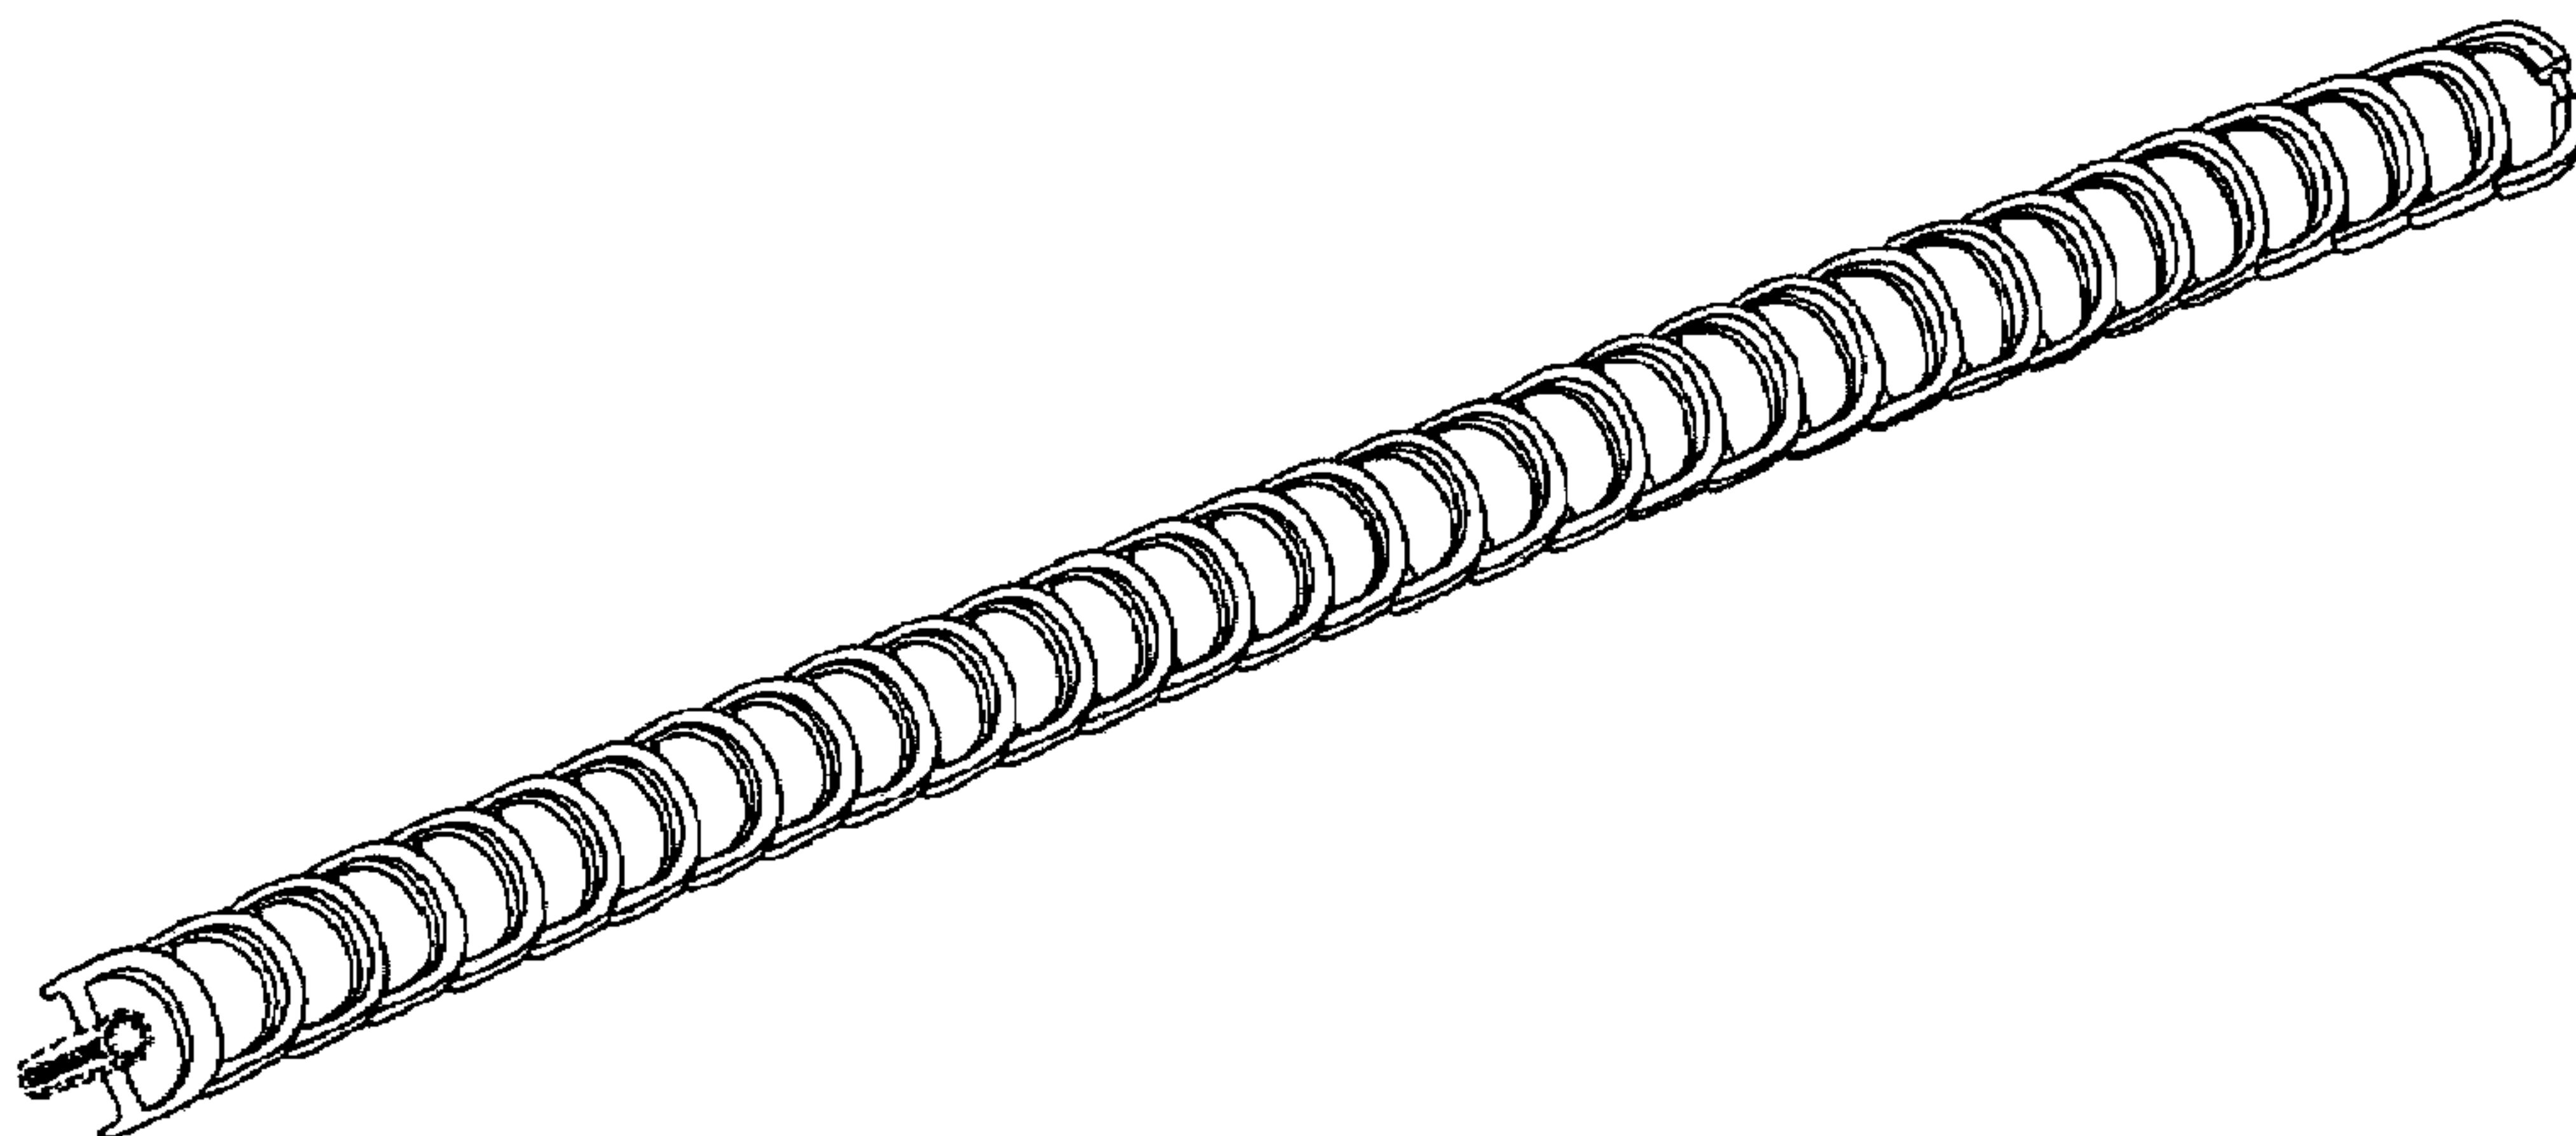

FIG. 2 illustrates a partial rear perspective view of the bracelet jewelry article showing the first embodiment of my new design in closed position;

FIG. 3 illustrates a bottom perspective view of the bracelet jewelry article showing the first embodiment of my new design in open position;

FIG. 4 illustrates a partial lateral perspective view of the bracelet jewelry article showing the first embodiment of my new design in open position;

FIG. 5 illustrates a partial lateral perspective view of the bracelet jewelry article showing the first embodiment of my new design in open position;

FIG. 6 illustrates a partial perspective view from the top of the bracelet jewelry article showing the first embodiment of my new design in open position;

FIG. 7 illustrates a partial perspective view from the bottom of the bracelet jewelry article showing the first embodiment of my new design in open position;

FIG. 8 illustrates a top perspective view of the bracelet jewelry article showing a second embodiment of my new design in open position;

FIG. 9 illustrates a partial rear perspective view of the bracelet jewelry article showing the second embodiment of my new design in closed position;

FIG. 10 illustrates a bottom perspective view of the bracelet jewelry article showing the second embodiment of my new design in open position;

FIG. 11 illustrates a partial lateral perspective view of the bracelet jewelry article showing the second embodiment of my new design in open position;

FIG. 12 illustrates a partial lateral perspective view of the bracelet jewelry article showing the second embodiment of my new design in open position;

FIG. 13 illustrates a partial perspective view from the top of the bracelet jewelry article showing the second embodiment of my new design in open position; and,

FIG. 14 illustrates a partial perspective view from the bottom of the bracelet jewelry article showing the second embodiment of my new design in open position.

The broken lines showing of the gemstones in FIGS. 8 and 12 and the clasp in FIGS. 2 through 4, 6 and 8 through 13 is included for the purpose of illustrating environment and forms no part of the claimed design.

The name Damiani displayed on the bracelet jewelry article is a trademark owned by Damiani International B.V.
