(57) **CLAIM**

We claim the ornamental design for an indicium applied to the surface of a consumer product, as shown and described.

DESCRIPTION

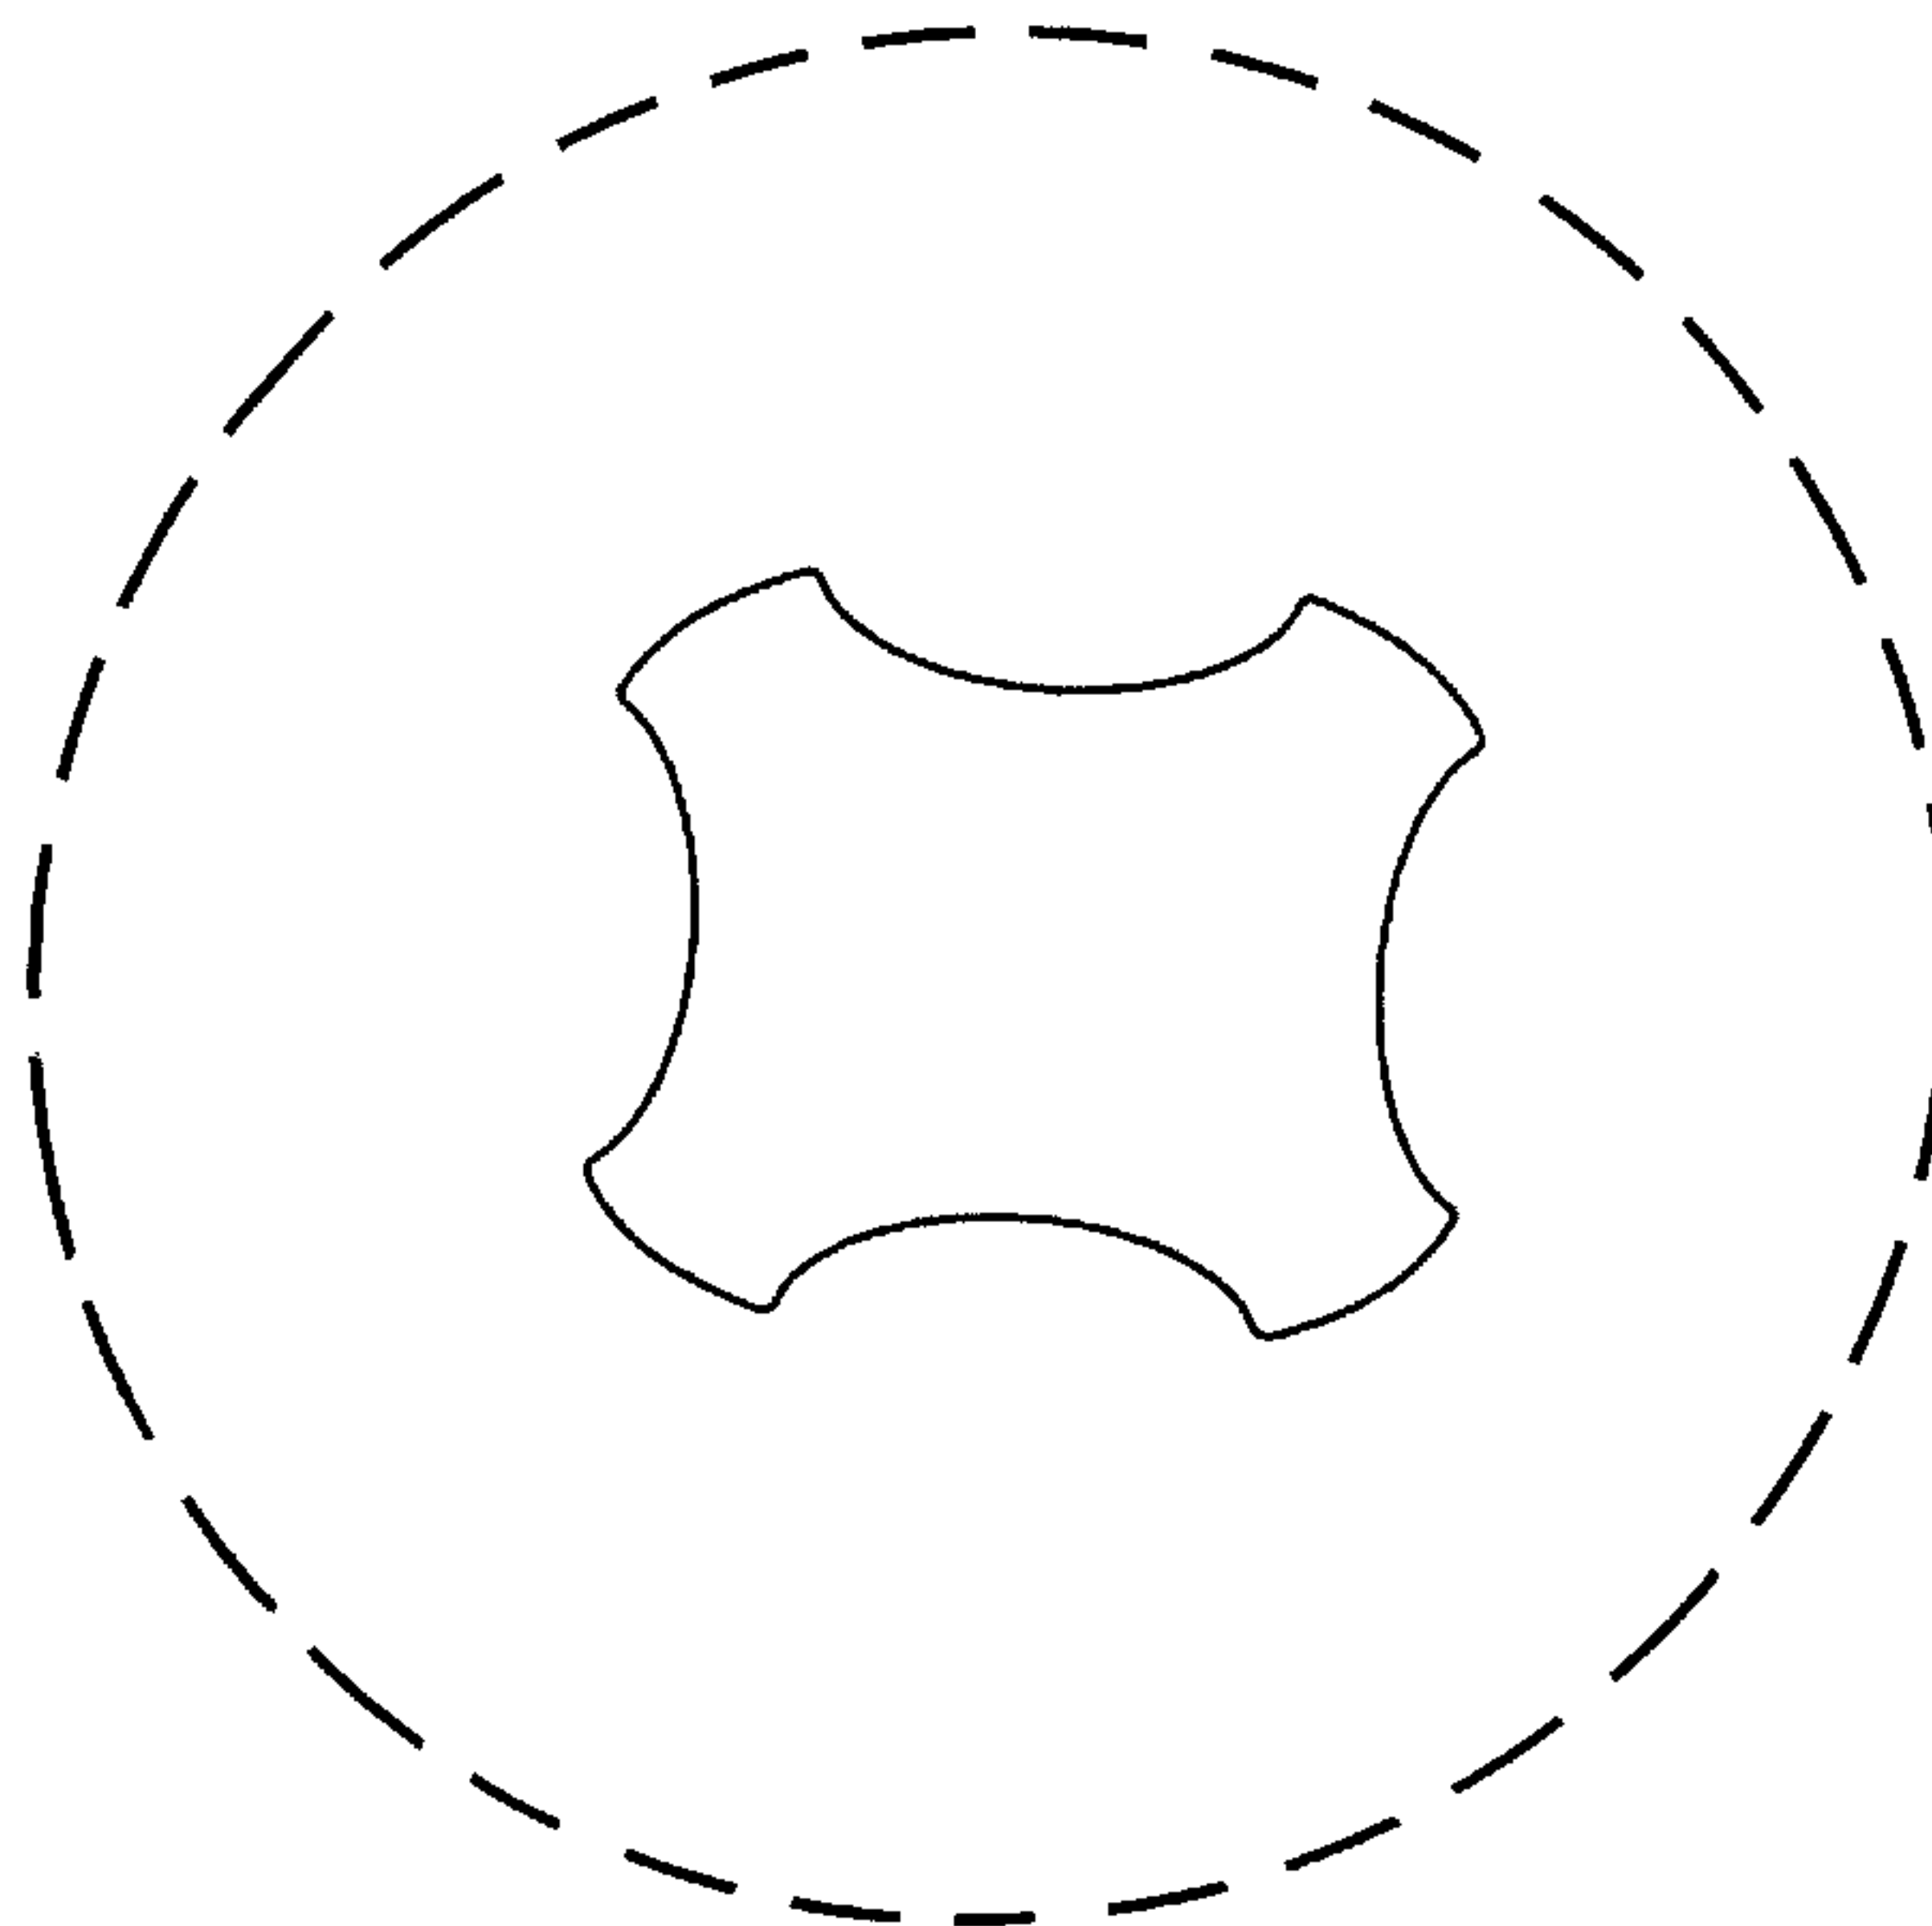

FIG. 1 is a frontal view of a first embodiment of a two-dimensional indicium applied to the surface of a consumer product.

FIG. 2 is a frontal view of a second embodiment of a two-dimensional indicium applied to the surface of a consumer product; and,

FIG. 3 is frontal view of a third embodiment of a two-dimensional indicium applied to the surface of a consumer product.

The broken lines are included for the purpose of illustration only and form no part of the claimed design.
