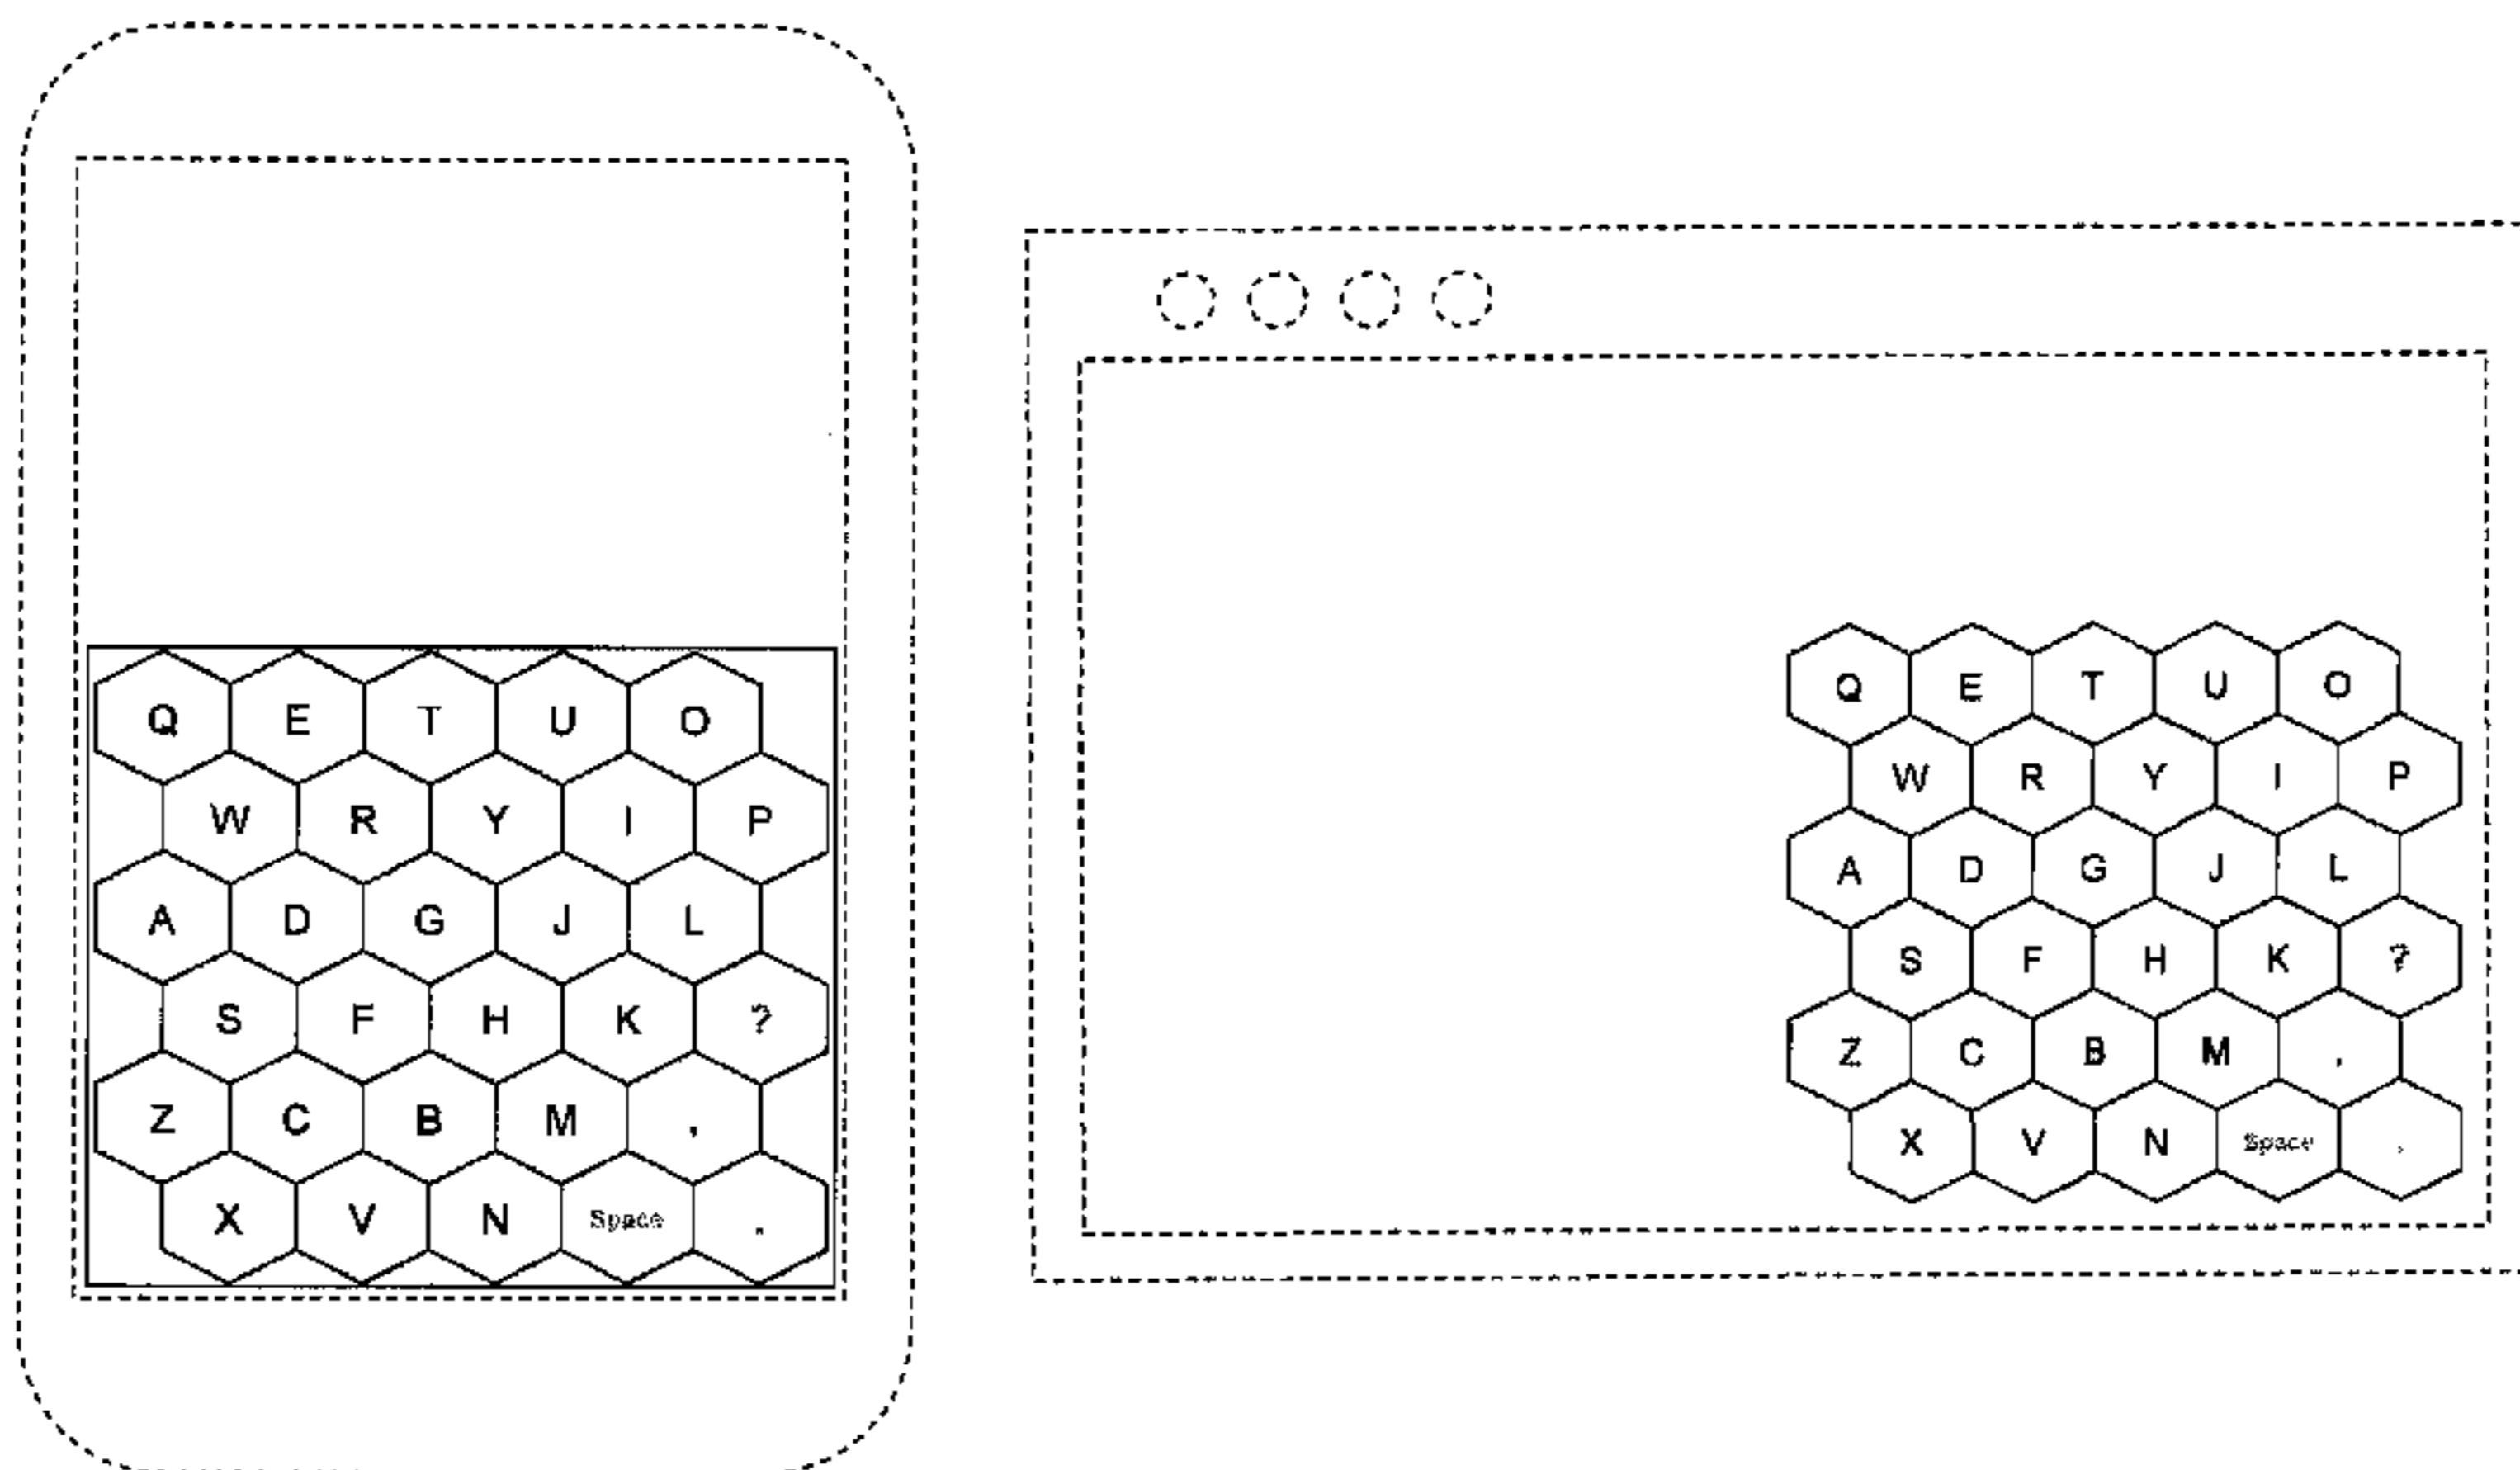

FIG. 1 is a front view of a keyboard for electronic devices, including mobile phones and tablet computers, of our new design.

FIG. 2 is an additional front view thereof, shown on a mobile phone screen; and,

FIG. 3 is an additional front view thereof, shown on a tablet computer.

The broken lines in the drawing figures showing a mobile phone, a mobile phone screen, and a tablet computer are included for the purpose of illustrating unclaimed environmental structure and form no part of the claimed design.
