(57) **CLAIM**

The ornamental design for an absorptive incontinence pad for women, as shown and described.

DESCRIPTION

FIG. 1 is an elevated perspective view of an absorptive incontinence pad for women in accordance with the present invention.

FIG. 2 is a top view of the absorptive surface of the absorptive incontinence pad for women of FIG. 1.

FIG. 3 is a side view of the absorptive incontinence pad for women of FIG. 1.

FIG. 4 is a bottom view of the bottom adhesive surface of the absorptive incontinence pad for women of FIG. 1.

FIG. 5 is a side view of the absorptive incontinence pad for women of FIG. 1.

FIG. 6 is a front view of the absorptive incontinence pad for women of FIG. 1.

FIG. 7 is a perspective view of the absorptive incontinence pad for women of FIG. 1, shown in use with a pair of women's briefs; and,

FIG. 8 is a perspective view of the absorptive incontinence pad for women of FIG. 1, shown in use with a pair of women's thong underwear.

The broken line showing is included for the purpose of illustrating environmental structure and forms no part of the claimed design.
