(57) **CLAIM**

The ornamental design for a combination toothpick and interdental brush, as shown and described.

DESCRIPTION

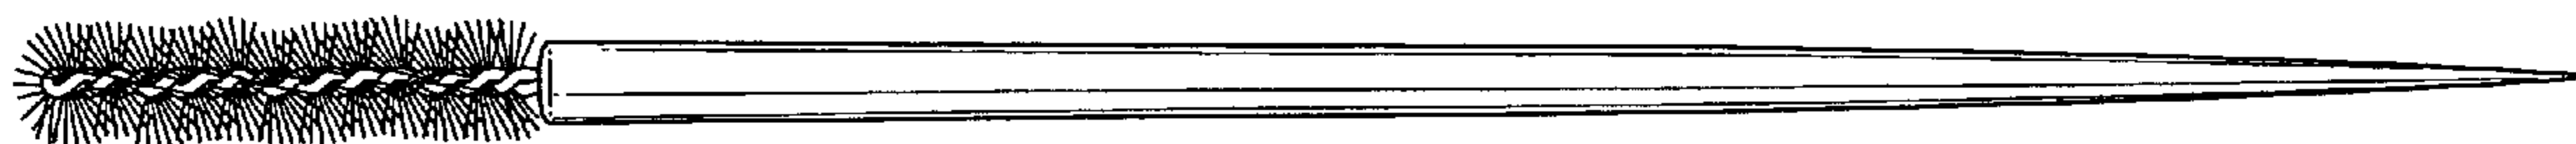

FIG. 1 is perspective view of a combination toothpick and interdental brush showing my new design;

FIG. 2 is a top elevational view thereof, the bottom, left side and right side elevational views being a mirror image thereof;

FIG. 3 is an end view thereof, taken looking at the point-end of the toothpick; and,

FIG. 4 is an end view thereof, taken looking at the brush-end of the toothpick.
