(57) **CLAIM**

The ornamental design for a fish hook, as shown and described.

DESCRIPTION

Portions of the disclosure of this patent document contain material that is subject to copyright protection. The copyright owner has no objection to the facsimile reproduction by anyone of the patent document or the patent disclosure as it appears in the Patent and Trademark Office file or records, but otherwise reserves all copyright rights whatsoever.

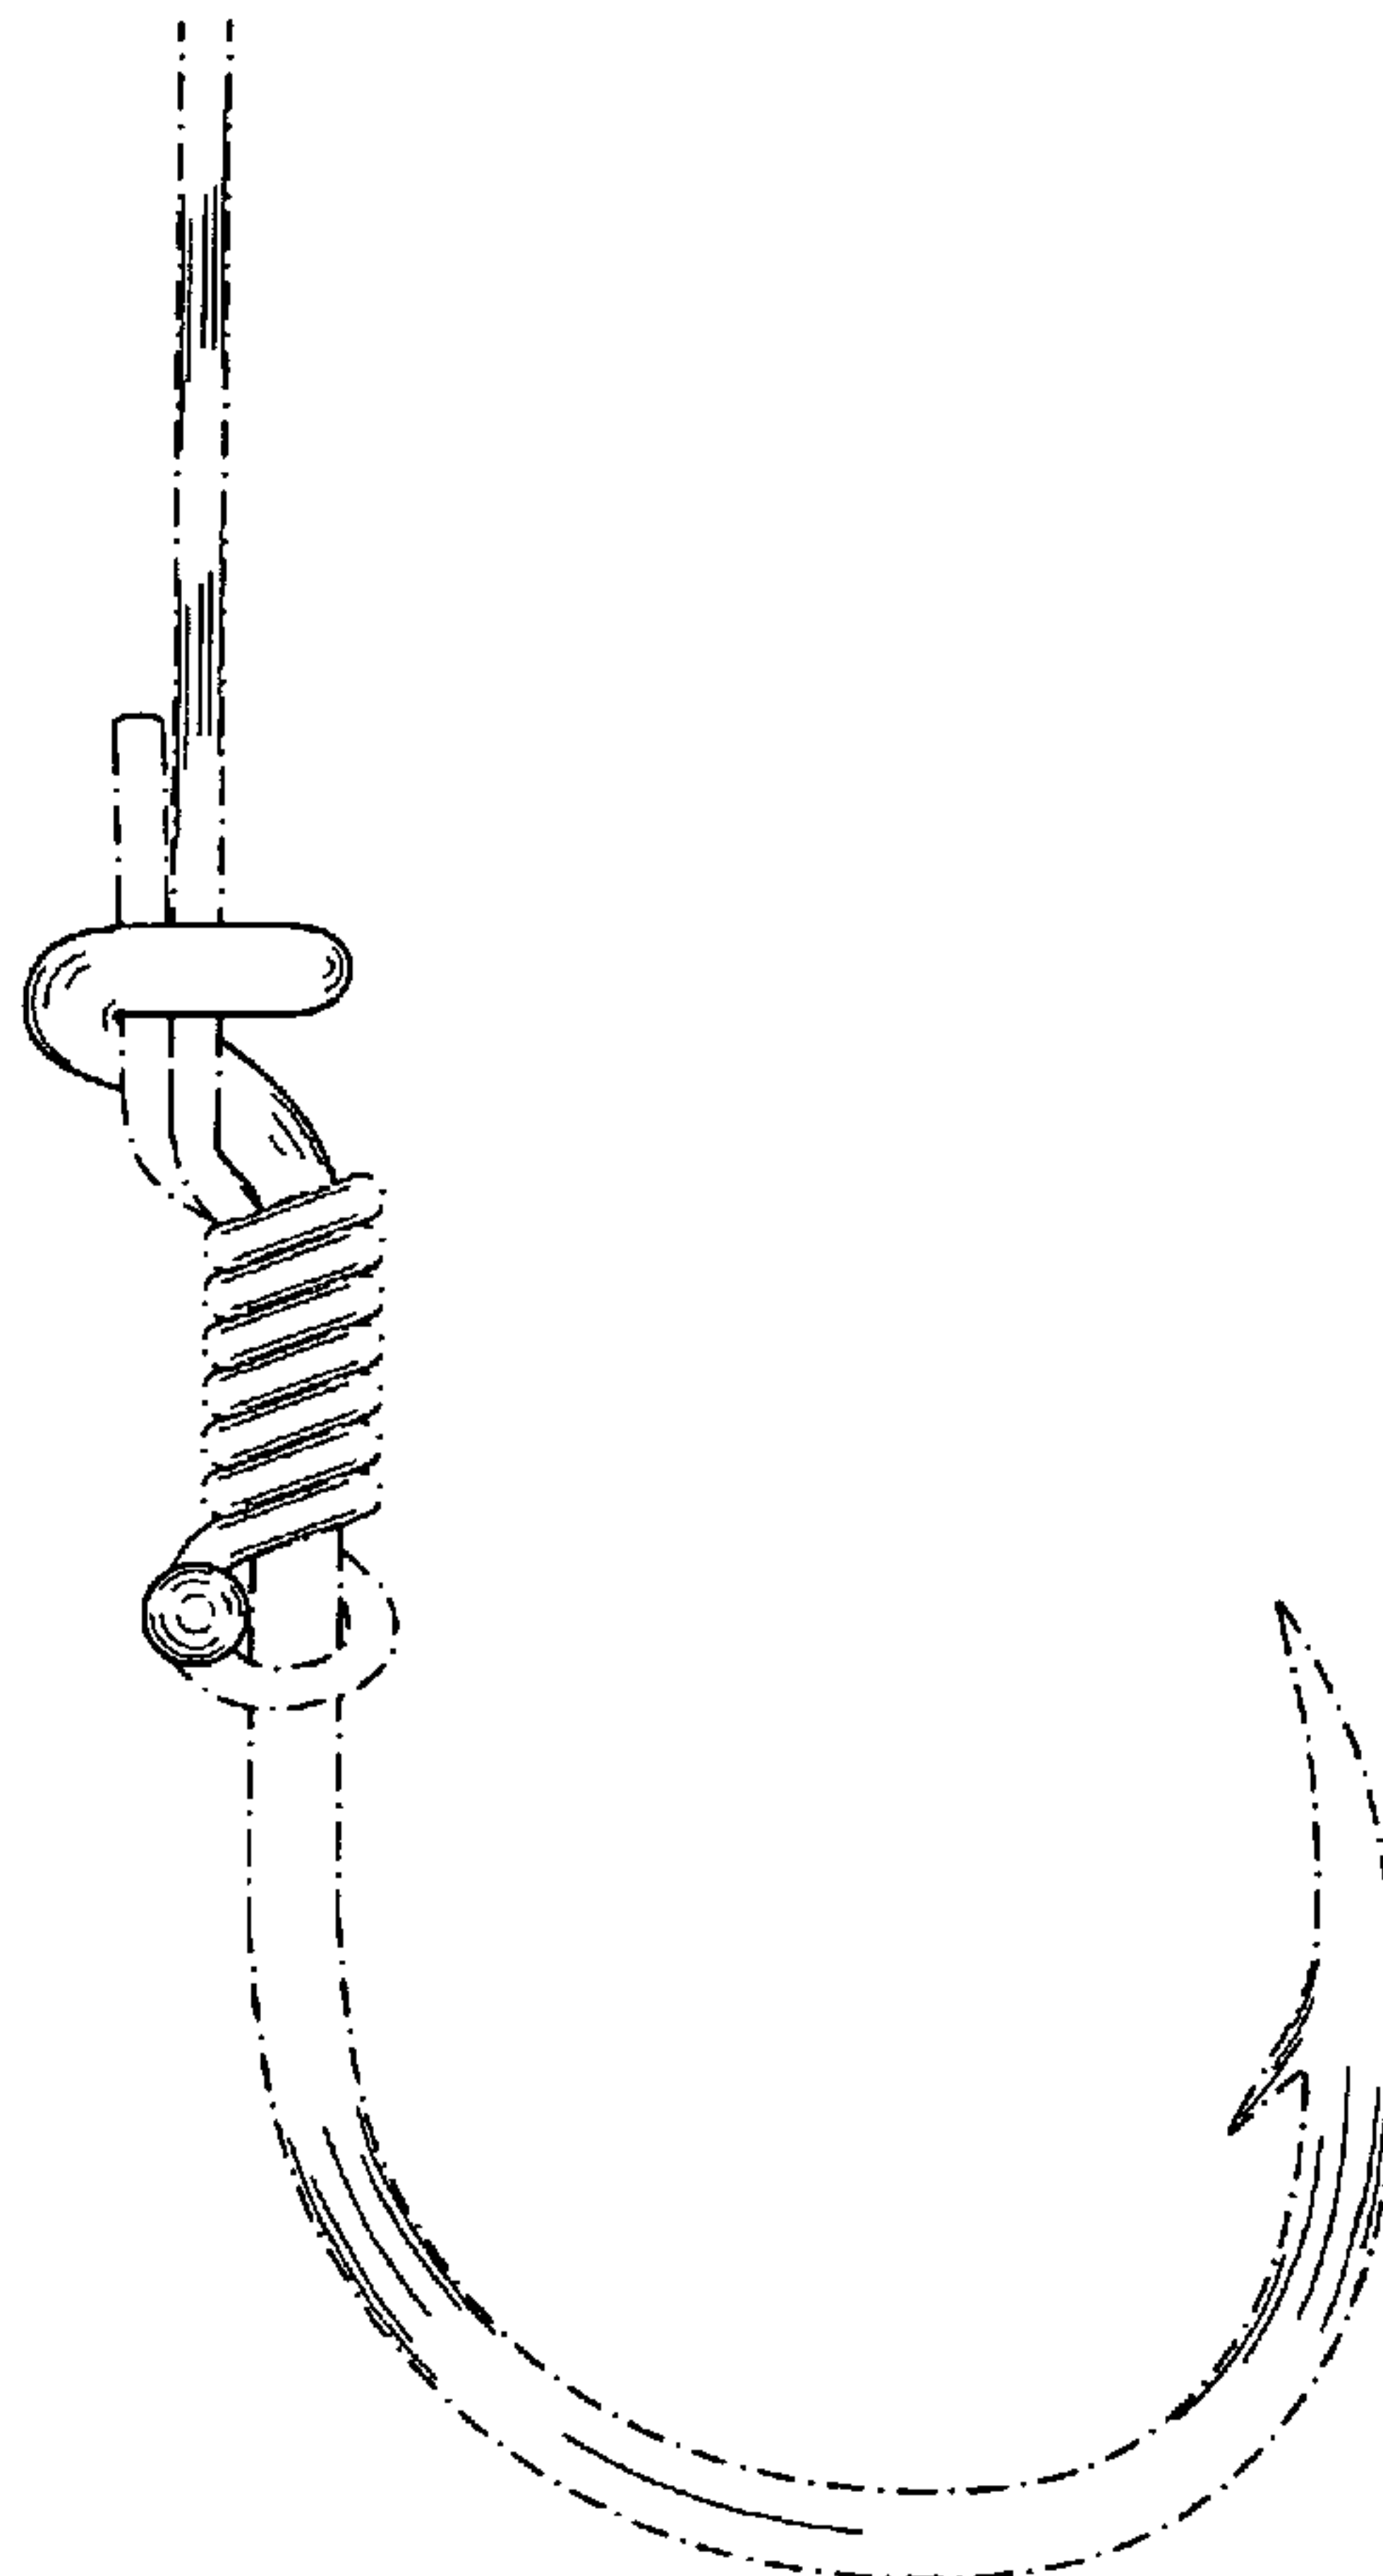

FIG. 1 is a left view of the hook with a sting line according to the new design.

FIG. 2 is a perspective view of the hook according to the new design; and,

FIG. 3 is a right view of the hook according to the new design.

All parts of the figures shown in dashed line are not part of the claimed design.
