(57) **CLAIM**

The ornamental design for a solid loop lifter for concrete structures, as shown and described.

DESCRIPTION

FIG. 1 is a front isometric view of a solid loop lifter embodying my design in accordance with the present invention, the phantom lines indicating an environmental concrete structure forming no part of the ornamental design;

FIG. 2 is a front elevational view thereof;

FIG. 3 is a rear elevational view thereof;

FIG. 4 is a left side elevational view thereof;

FIG. 5 is a right side elevational view thereof;

FIG. 6 is a top plan view thereof; and,

FIG. 7 is a bottom plan view thereof.
