(57) **CLAIM**

The ornamental design for a deck support for torch, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a deck support for torch as seen from the top right side, the left side being a mirror image; the upper element of the torch holder (in use in register with the lower element of the torch holder) is seen at the top of the figure and the lower element of the holder is seen at the bottom of the figure;

FIG. 2 is the right elevational view of the upper and lower elements of the torch holder;

FIG. 3 is a front elevational view of the upper and lower elements of the torch holder;

FIG. 4 is a rear elevational view of the upper and lower elements of the torch holder, including holes for attachment to a vertical surface;

FIG. 5 is a top plan view of the upper element of the torch holder, looking down; and,

FIG. 6 is a bottom plan view of the upper element of the torch holder viewed from the bottom looking up.

A support for a torch or other item is shown in the accompanying drawings. The support may be attached to a deck or other appropriate place where it is desired to support a torch.
