(57) **CLAIM**

The ornamental design for a motion sensing lighted mat, as shown and described.

DESCRIPTION

FIG. 1 is a front left perspective view of a new motion sensing lighted mat showing my new design;

FIG. 2 is a side elevation view thereof, the opposite side being a mirror image thereto;

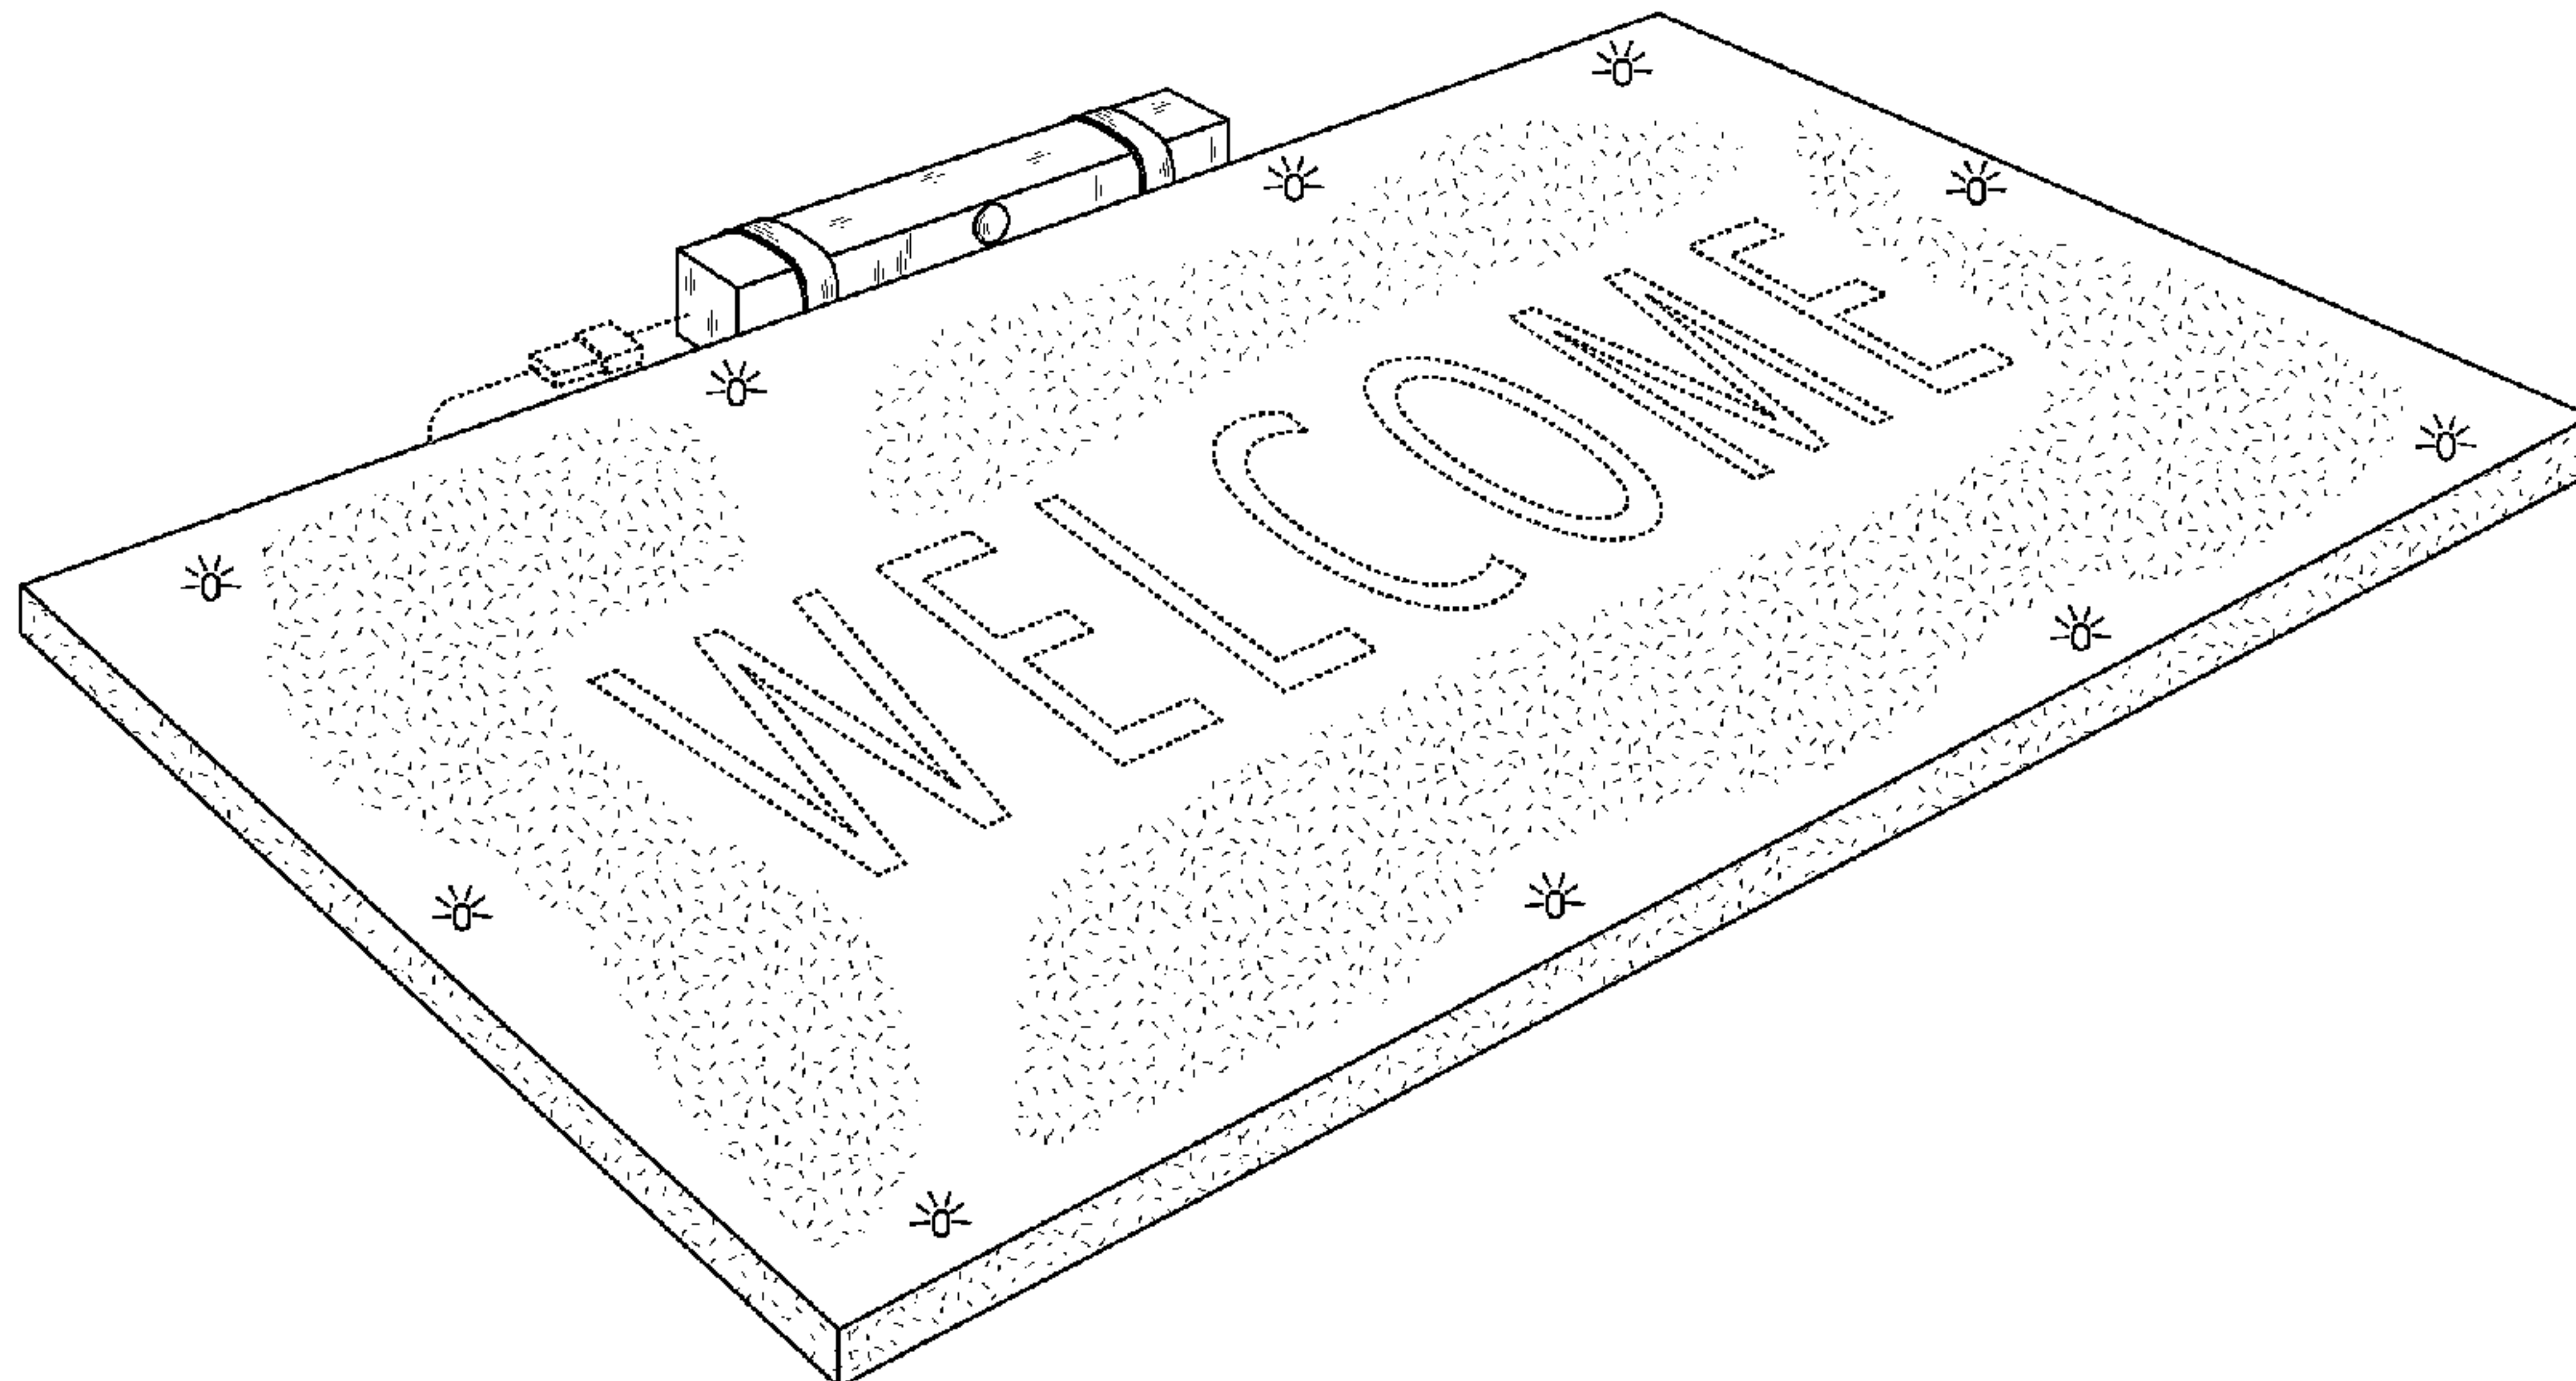

FIG. 3 is a front elevation view thereof;

FIG. 4 is a rear elevational view thereof; and,

FIG. 5 is a top view thereof.

The views of the motion sensing lighted mat not shown form no part of the claimed design. The dashed electrical lines and couplings, and the "WELCOME" indicia and designs, refer to environmental elements only and form no part of the claimed design. The lights have emanating shade lines to indicate illumination.
