(57) **CLAIM**

We claim the ornamental design for a lumbar massaging cushion, as shown and described.

DESCRIPTION

FIG. 1 is a top perspective view of a lumbar massaging cushion, including features shown in phantom lines that are not part of the claimed design.

FIG. 2 is a top plan view thereof, including features shown in phantom lines that are not part of the claimed design.

FIG. 3 is a bottom perspective view thereof.

FIG. 4 is a bottom plan view thereof.

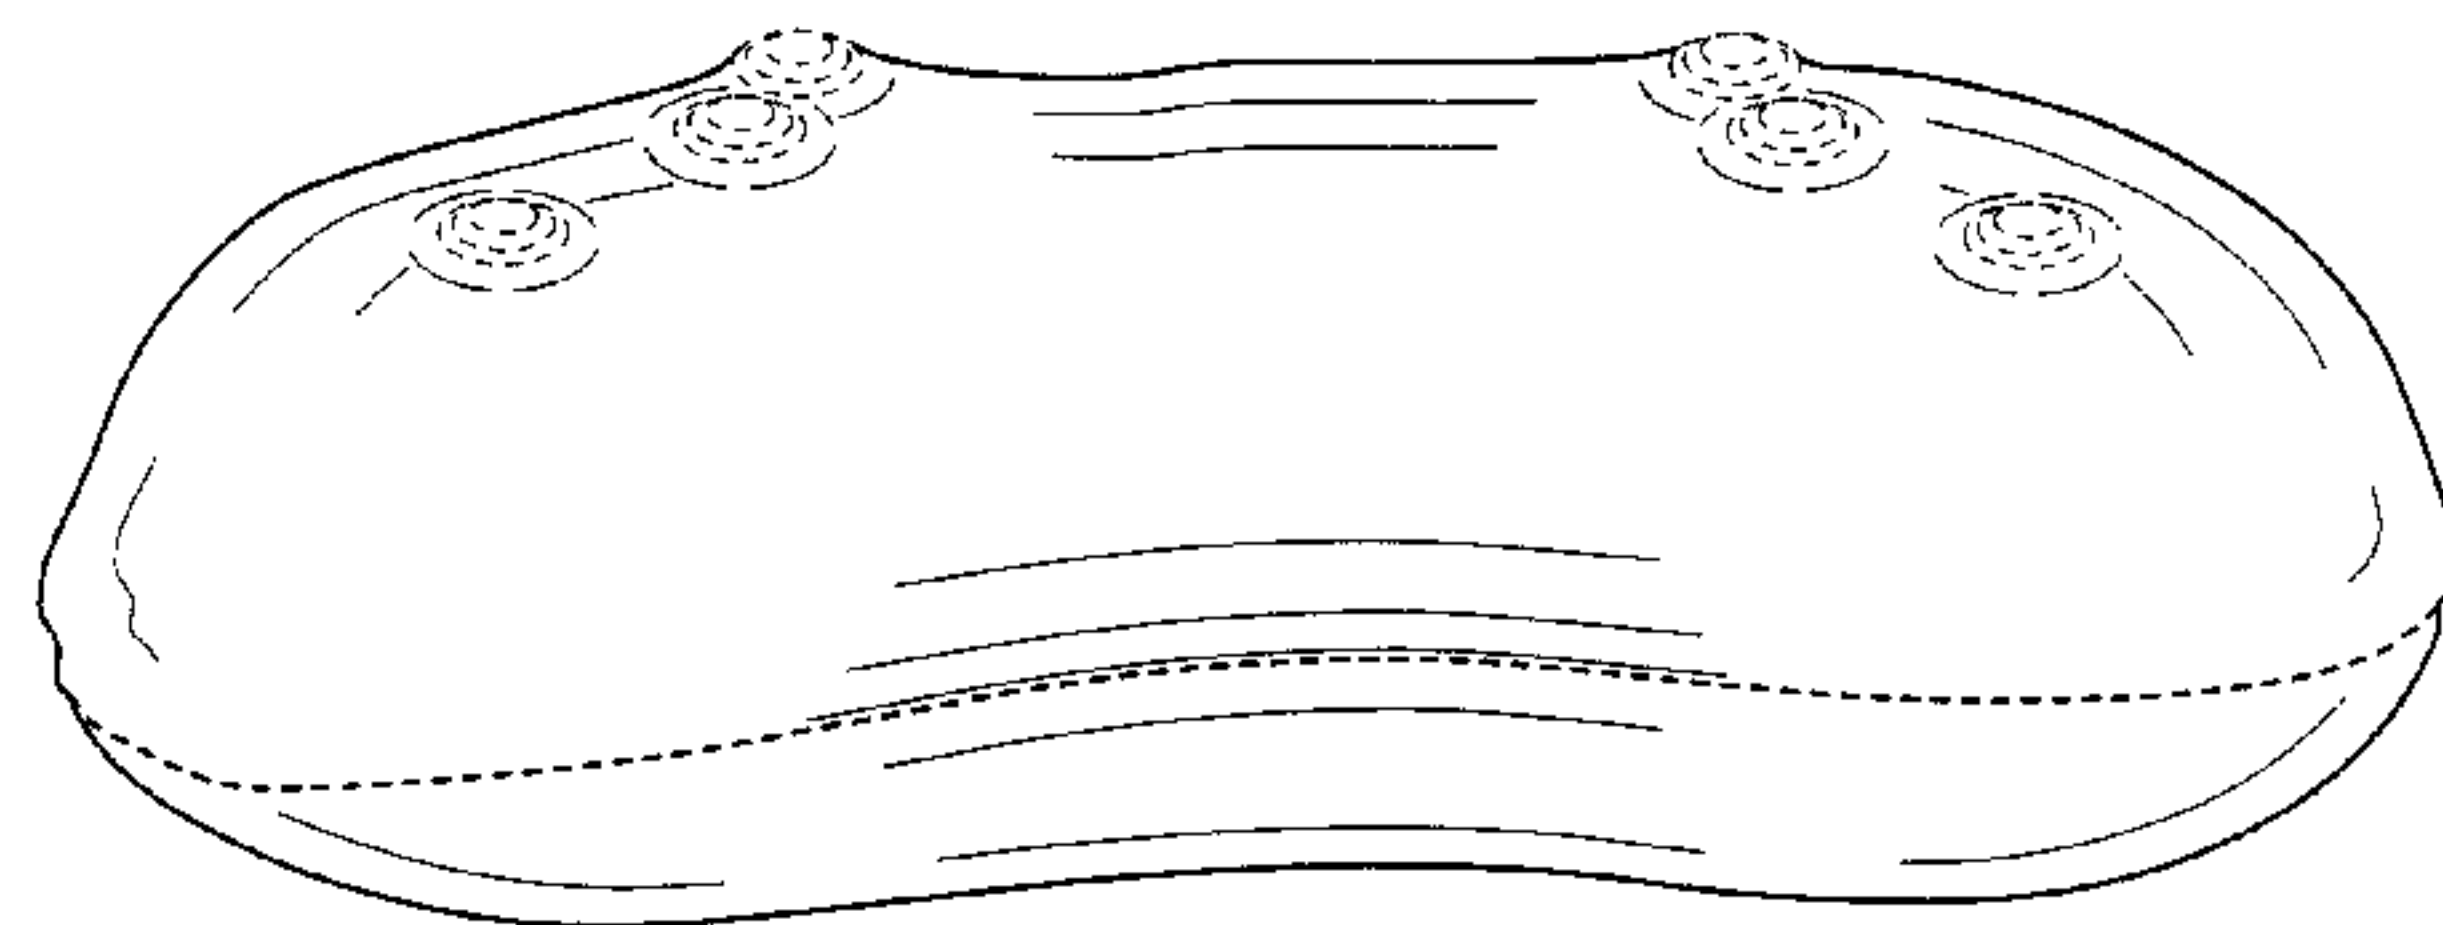

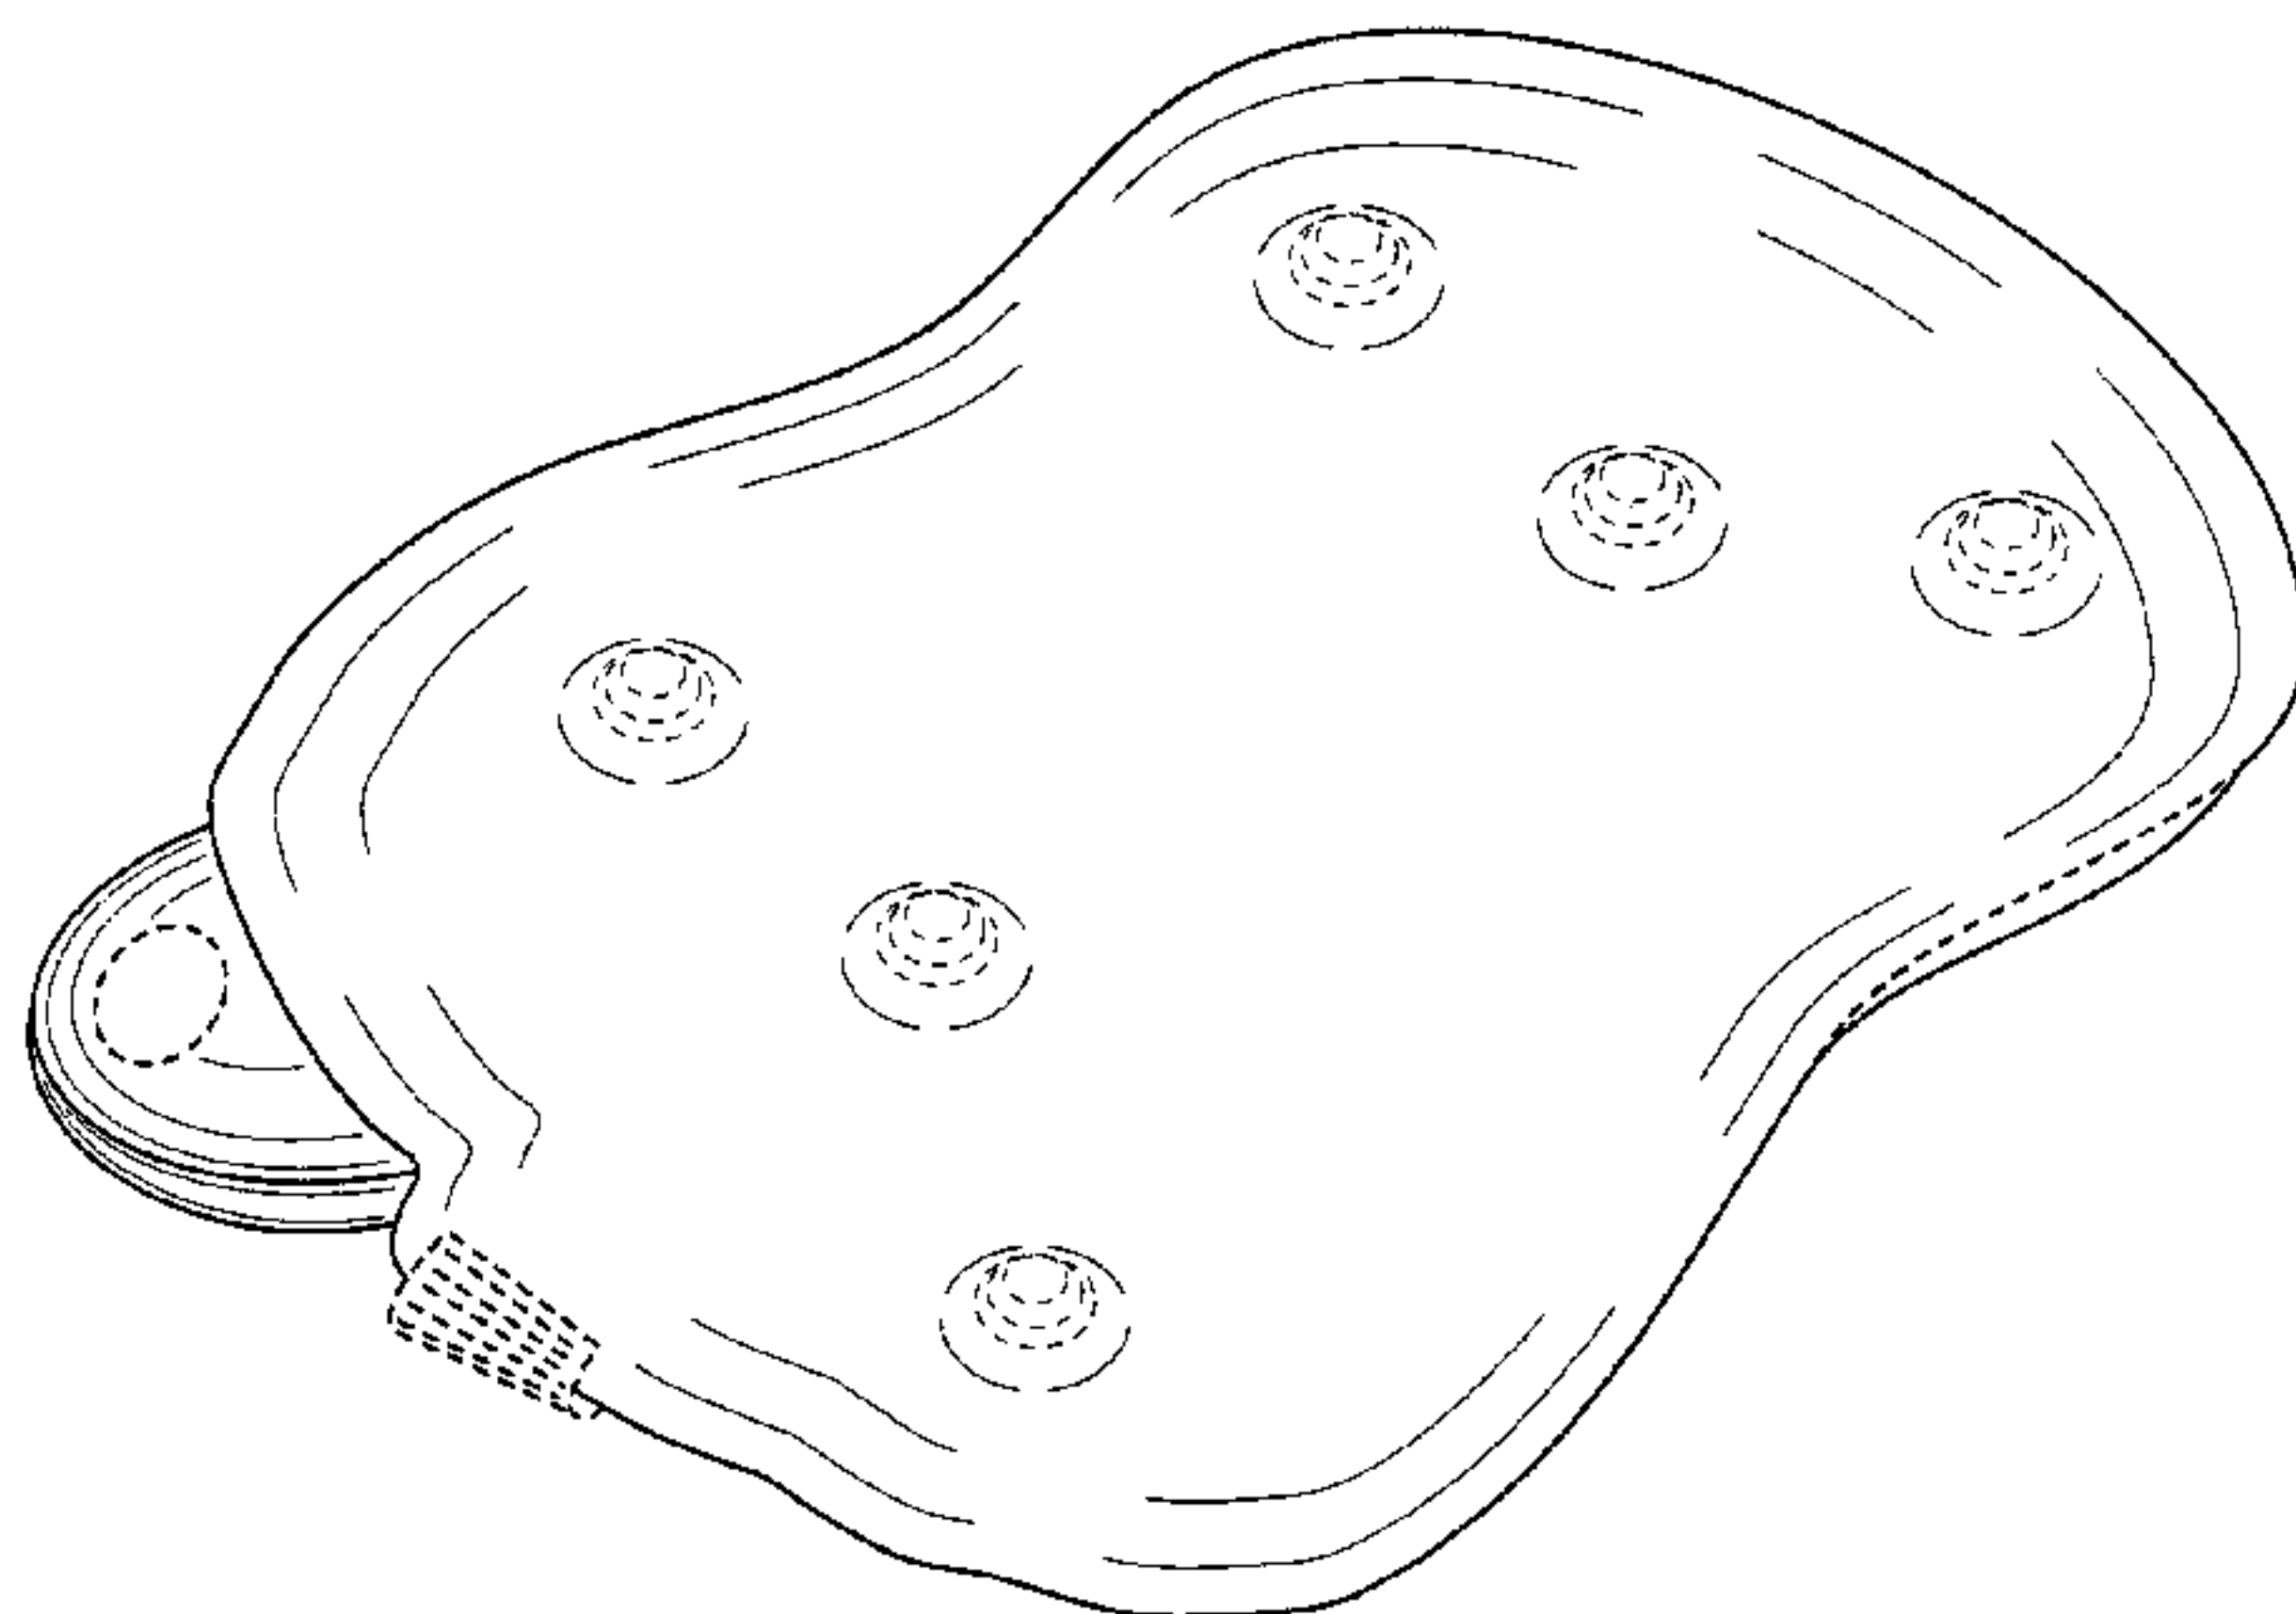

FIG. 5 is a front plan view thereof, including features shown in phantom lines that are not part of the claimed design.

FIG. 6 is a right-side plan view thereof, including features shown in phantom lines that are not part of the claimed design; and,

FIG. 7 is a left-side plan view thereof, including features shown in phantom lines that are not part of the claimed design.

The rear side of the lumbar massaging cushion forms no part of the claimed design. The seam around the sides of the lumbar massaging cushion shown with broken lines in FIGS. 1, 3 and 5–7 forms no part of the claimed design.
