(57) **CLAIM**

The ornamental design for sheet material with pattern, as
shown and described.

DESCRIPTION

The sole FIGURE is a plan view of sheet material with pat-
tern.

A specific length and width of sheet material forms no part of
the claimed design. The broken lines around the design depict
the boundaries of one repeat unit of the claimed design and
further indicate that the surface pattern repeats uniformly
throughout the length and width of the sheet material. The
broken lines form no part of the claimed design.
