(57) **CLAIM**

The ornamental design for a user interface for a display screen, as shown and described.

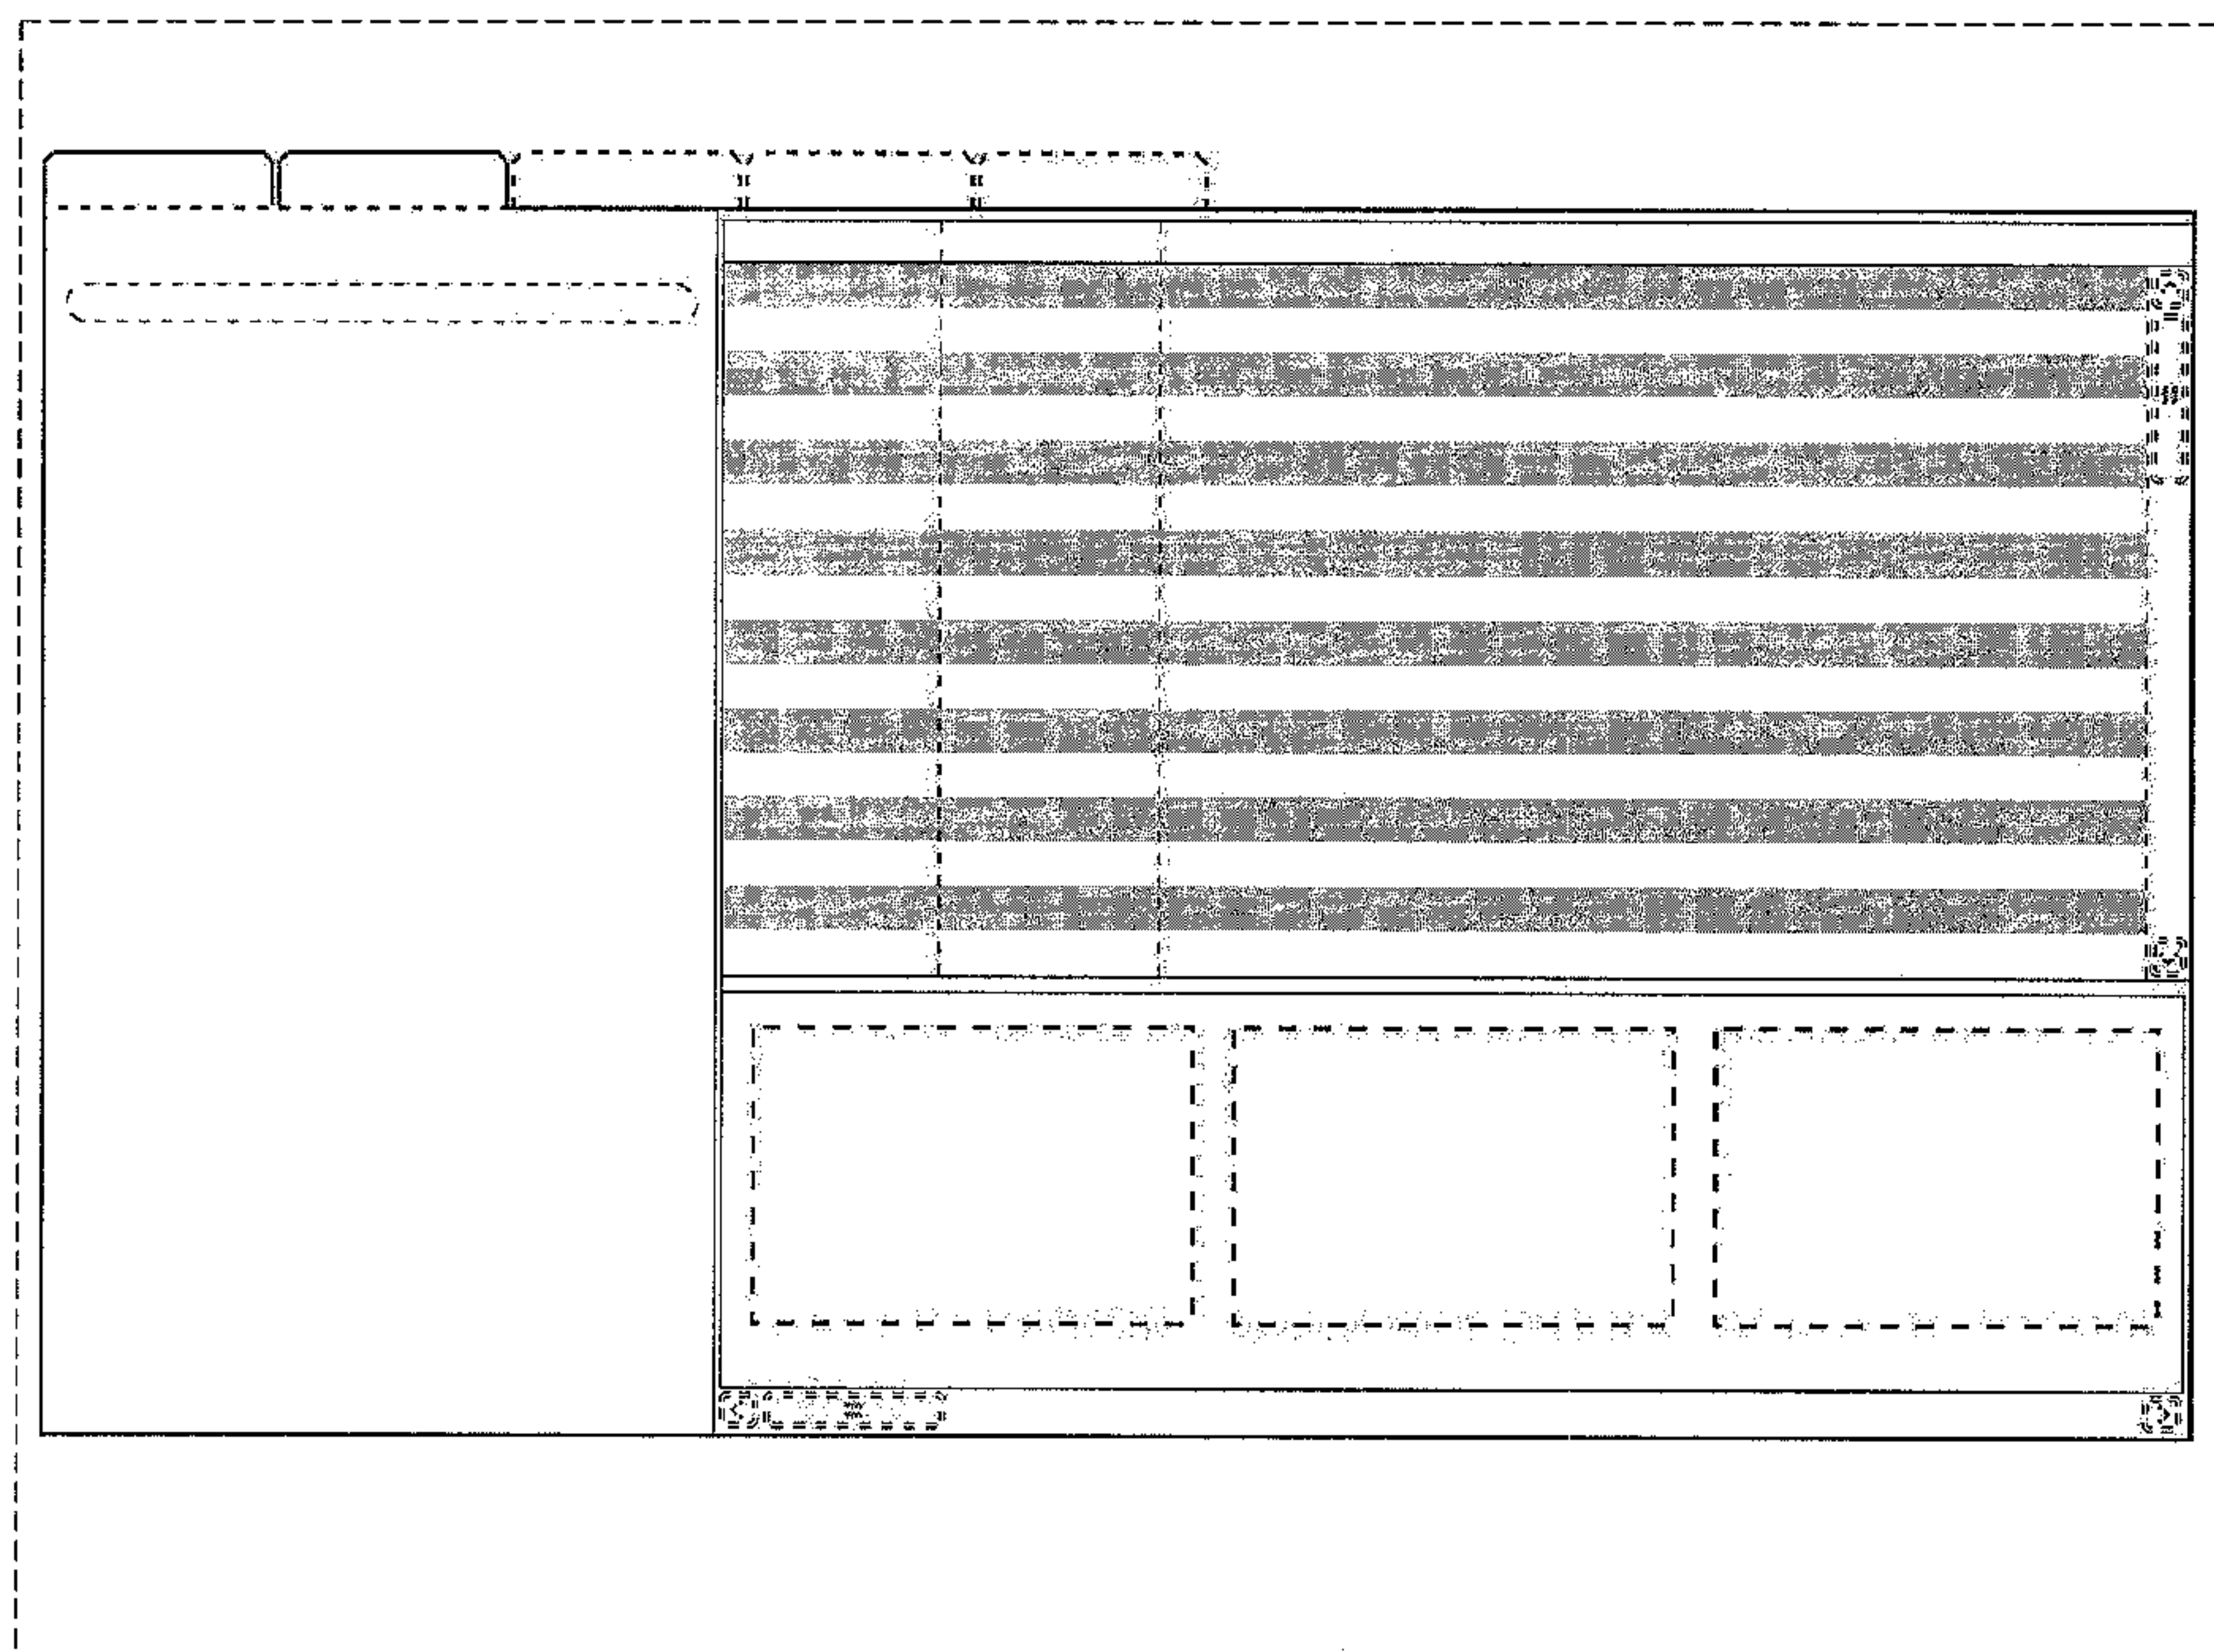

DESCRIPTION

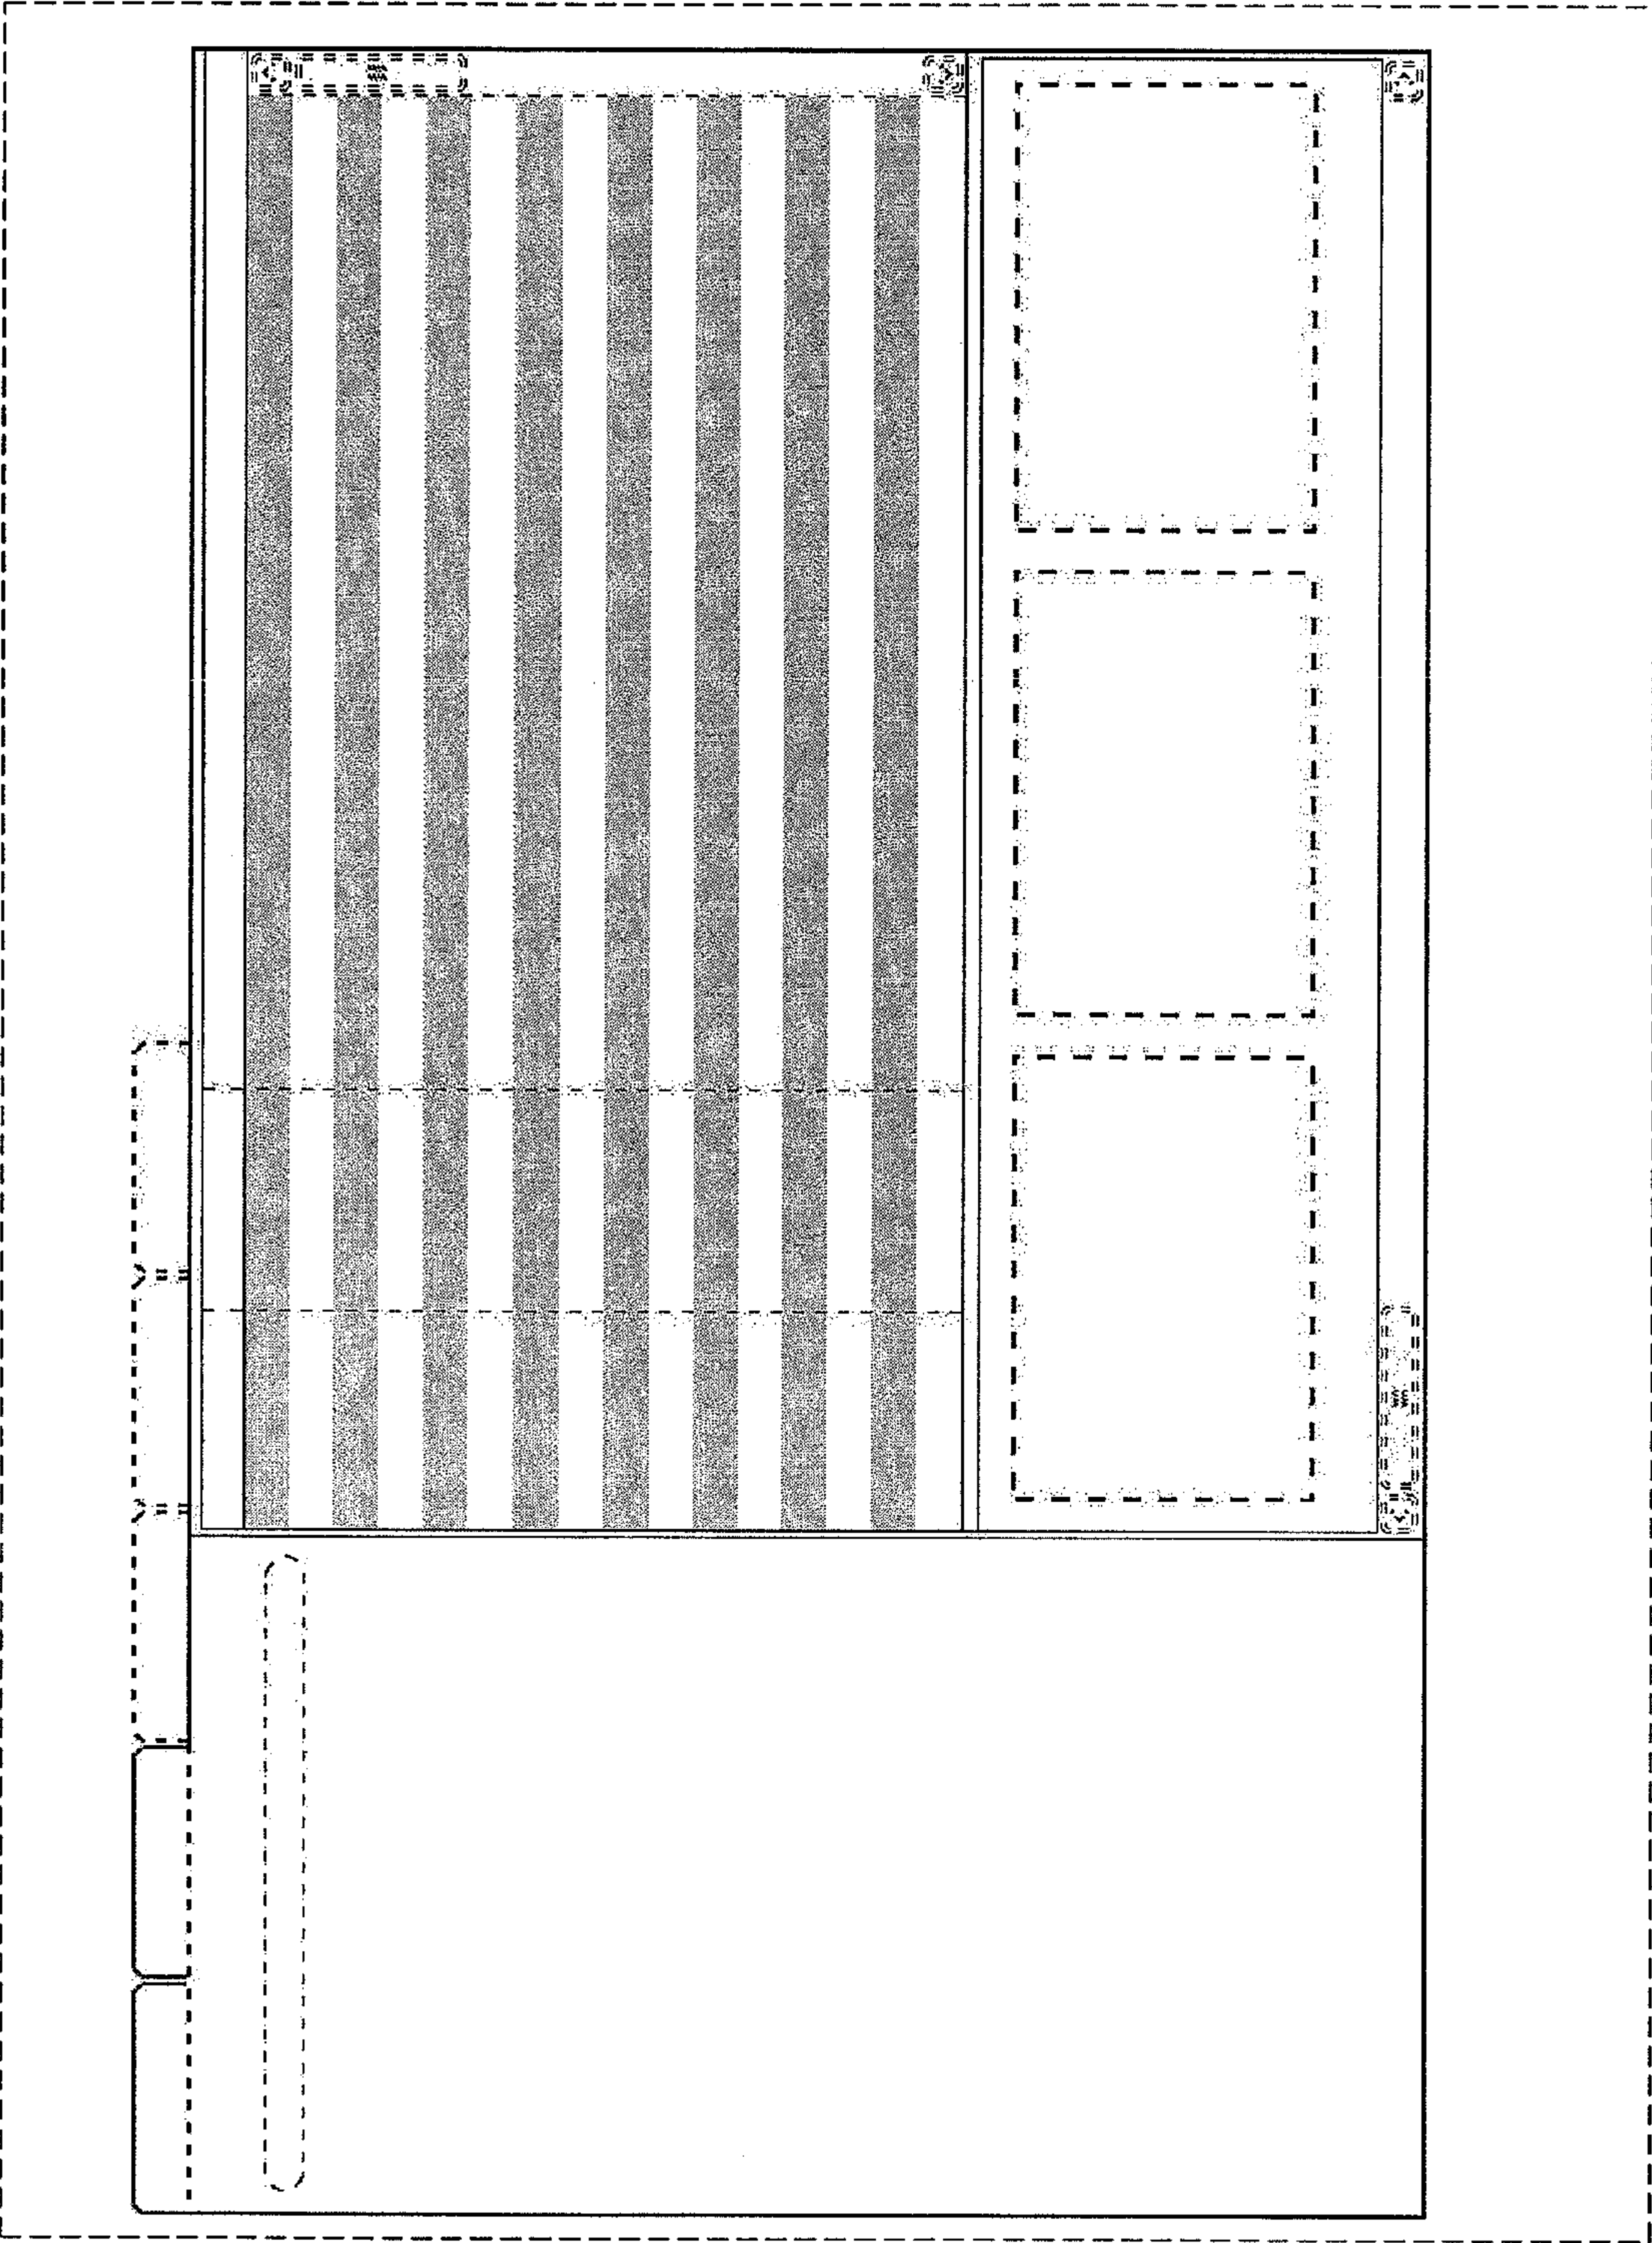

The FIGURE is a front view of an embodiment of the user interface for a display screen showing our new design.

The environmental broken line showing of a display screen is not claimed.

Within the display screen, any singular broken line is not claimed. Any other forms depicted in broken line and the areas enclosed within are also not claimed.

1 Claim, 1 Drawing Sheet
