(57) **CLAIM**

The ornamental design for a station for an electric iron, as shown and described.

DESCRIPTION

FIG. 1 is a perspective of a station for an electric iron with a handle deployed;

FIG. 2 is an alternate perspective of the station for an electric iron without the handle deployed;

FIG. 3 is a front view of the station for an electric iron;

FIG. 4 is a back view of the station for an electric iron;

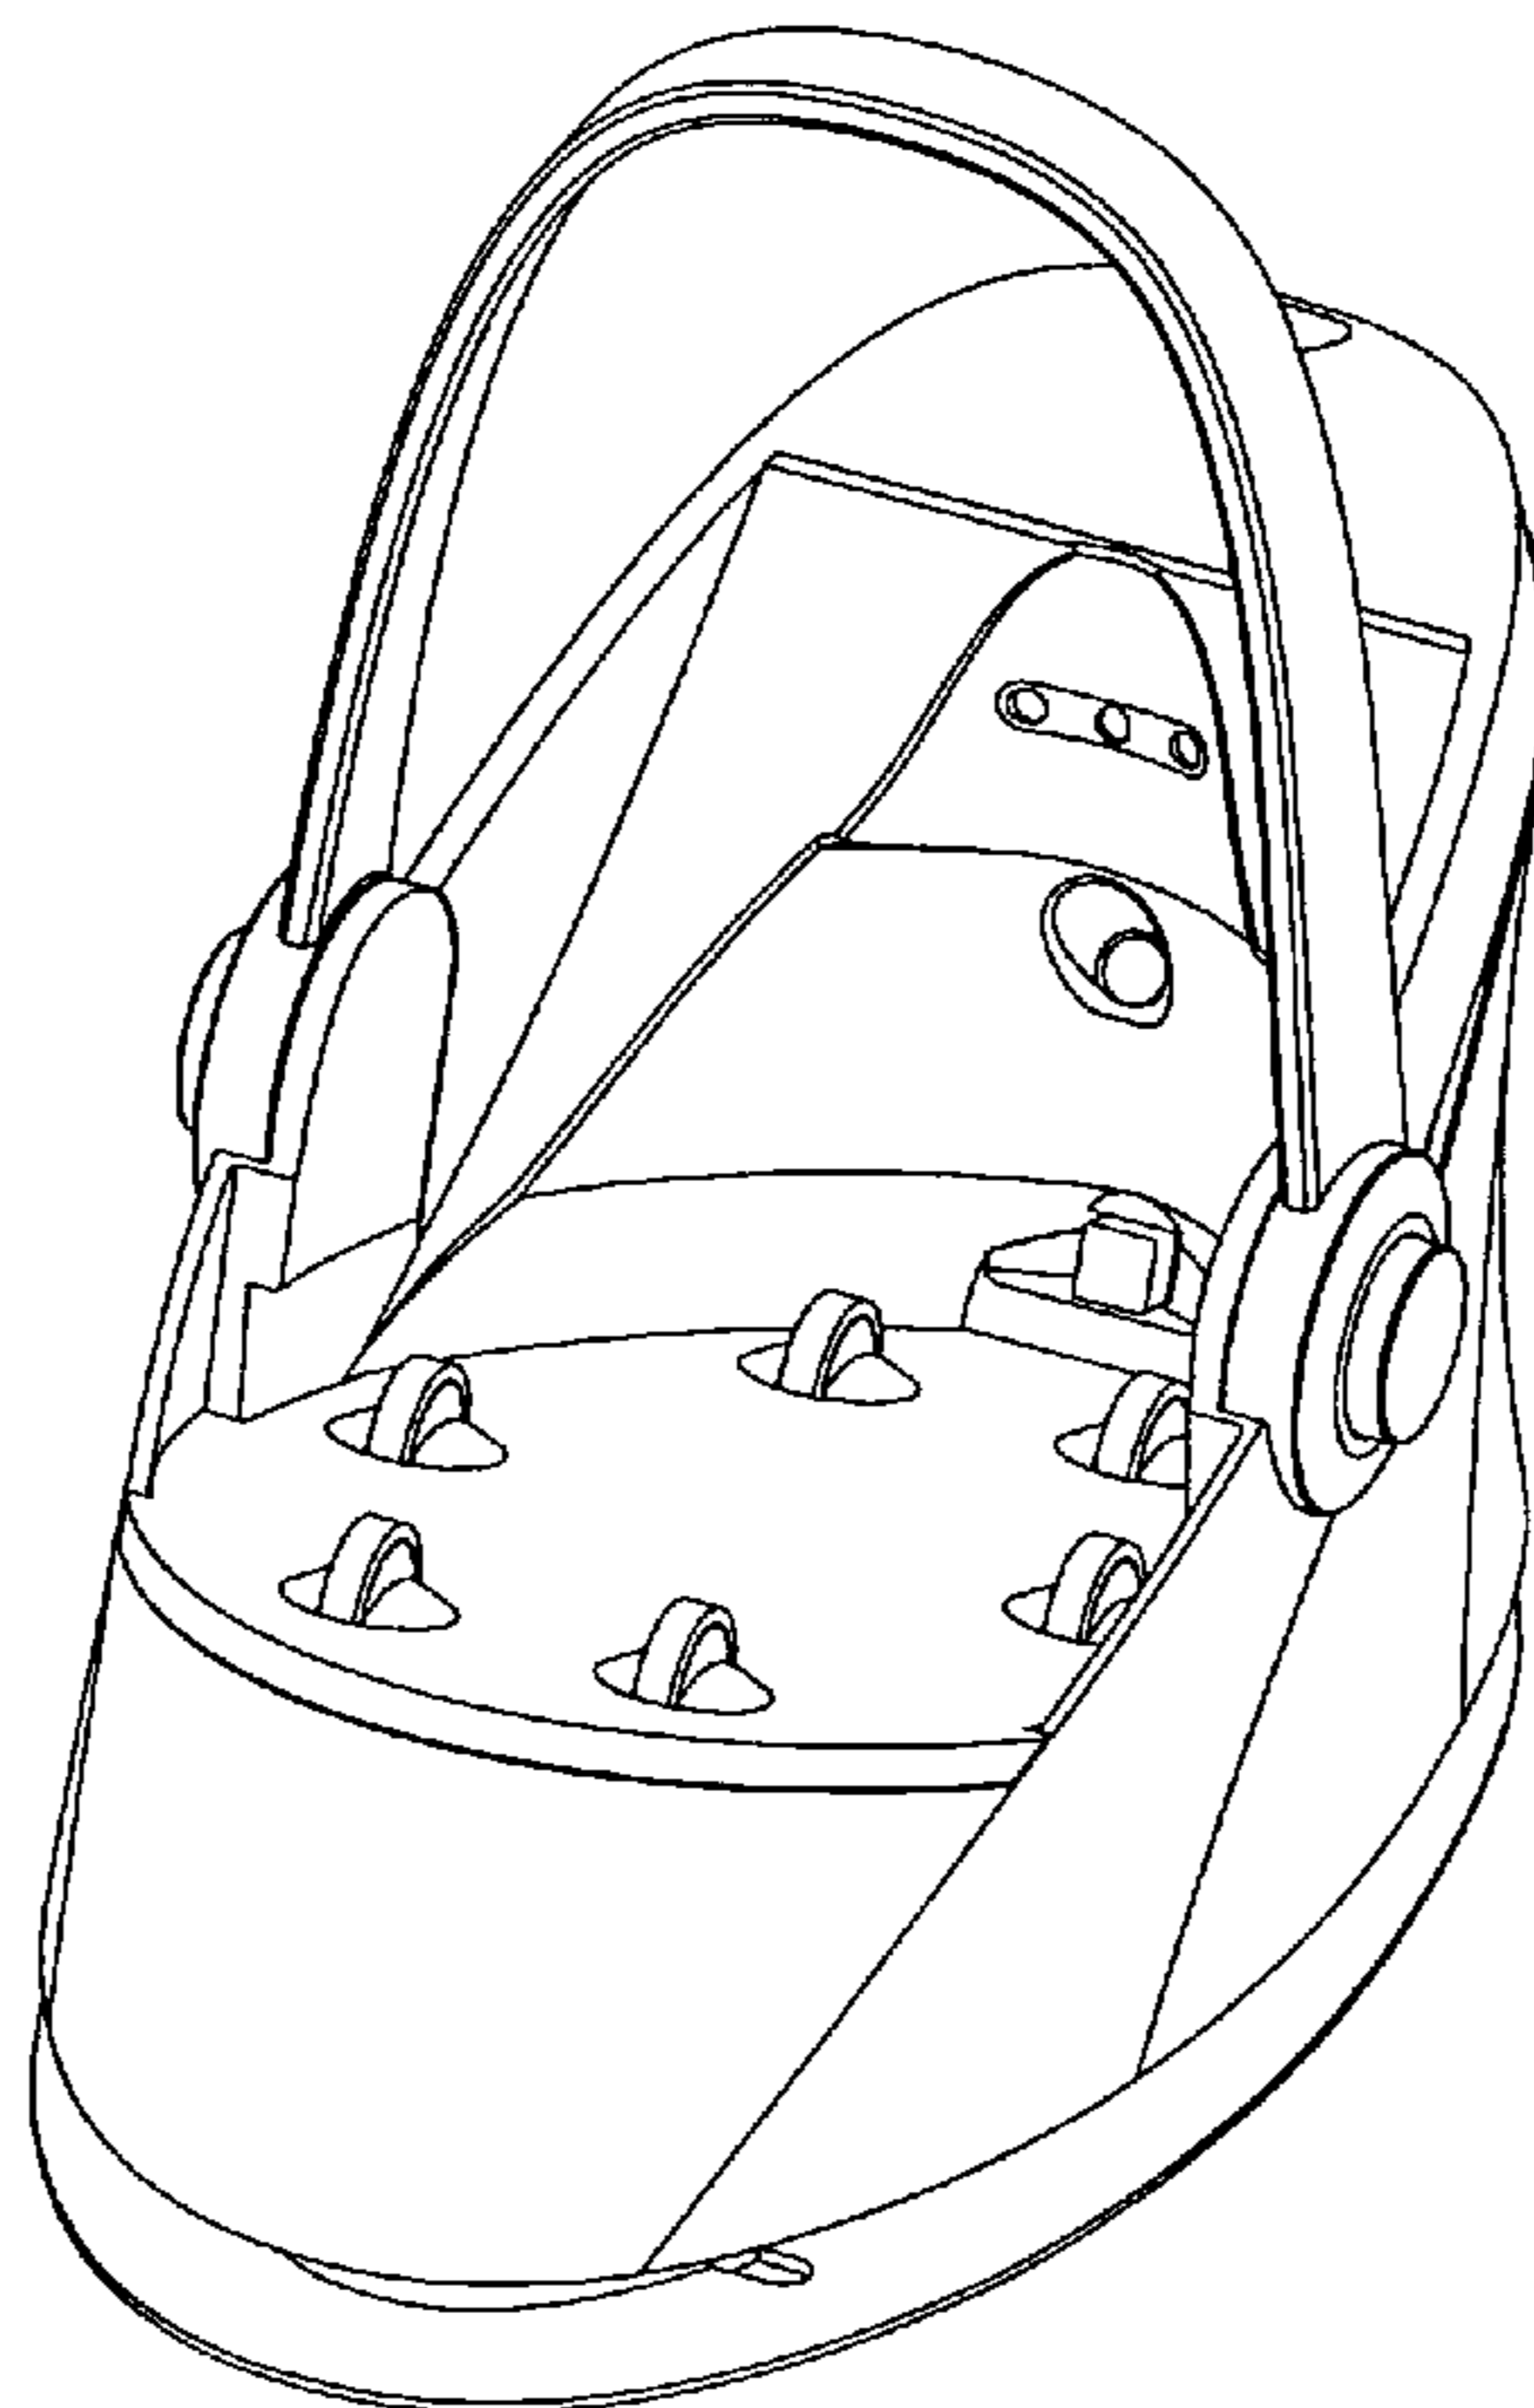

FIG. 5 is a left view of the station for an electric iron;

FIG. 6 is a right view of the station for an electric iron; and,

FIG. 7 is a top view of the station for an electric iron.

The broken lines shown in the drawings are included for the purpose of illustrating environmental structure and form no part of the claimed design.
