(57) **CLAIM**

The ornamental design for a frame for shelves, as shown and described.

**DESCRIPTION**

FIG. 1 is a first perspective view of a design for the frame for shelves;

FIG. 2 is the first perspective view without environmental elements blocking a view thereof;

FIG. 3 is a second perspective view of the design therefor;

FIG. 4 is the second perspective view without environmental elements blocking a view thereof;

FIG. 5 is a third perspective view of the design therefor;

FIG. 6 is the third perspective view without environmental elements blocking a view thereof;

FIG. 7 is an end view of the design therefor, which end view is mirrored by the other end view opposing the end view;

FIG. 8 is the end view without environmental elements blocking a view thereof;

FIG. 9 is a front view of the design therefor;

FIG. 10 is the front view without environmental elements blocking a view thereof;

FIG. 11 is a rear view of the design therefor;

FIG. 12 is the rear view without environmental elements blocking a view thereof;

FIG. 13 is a top plan view of the design therefor;

FIG. 14 is the top plan view without environmental elements blocking a view thereof;

FIG. 15 is a bottom plan view of the design therefor; and,

FIG. 16 is the bottom plan view without environmental elements blocking a view thereof.

The dashed lines in the drawings are shown for environmental purposes and form no part of the claimed design.
