**DESCRIPTION**

FIG. 1 is a top perspective view of a modular waste receptacle according to our first embodiment of the present invention;

FIG. 2 is a top plan view thereof;

FIG. 3 is a front elevational view thereof;

FIG. 4 is a rear elevational view thereof;

FIG. 5 is a top perspective view of a modular waste receptacle according to our second embodiment;

FIG. 6 is a top plan view thereof;

FIG. 7 is a front elevational view thereof; and,

FIG. 8 is a rear elevational view thereof.

The broken lines represent environmental elements only and form no part of the claimed design.
