(57) **CLAIM**

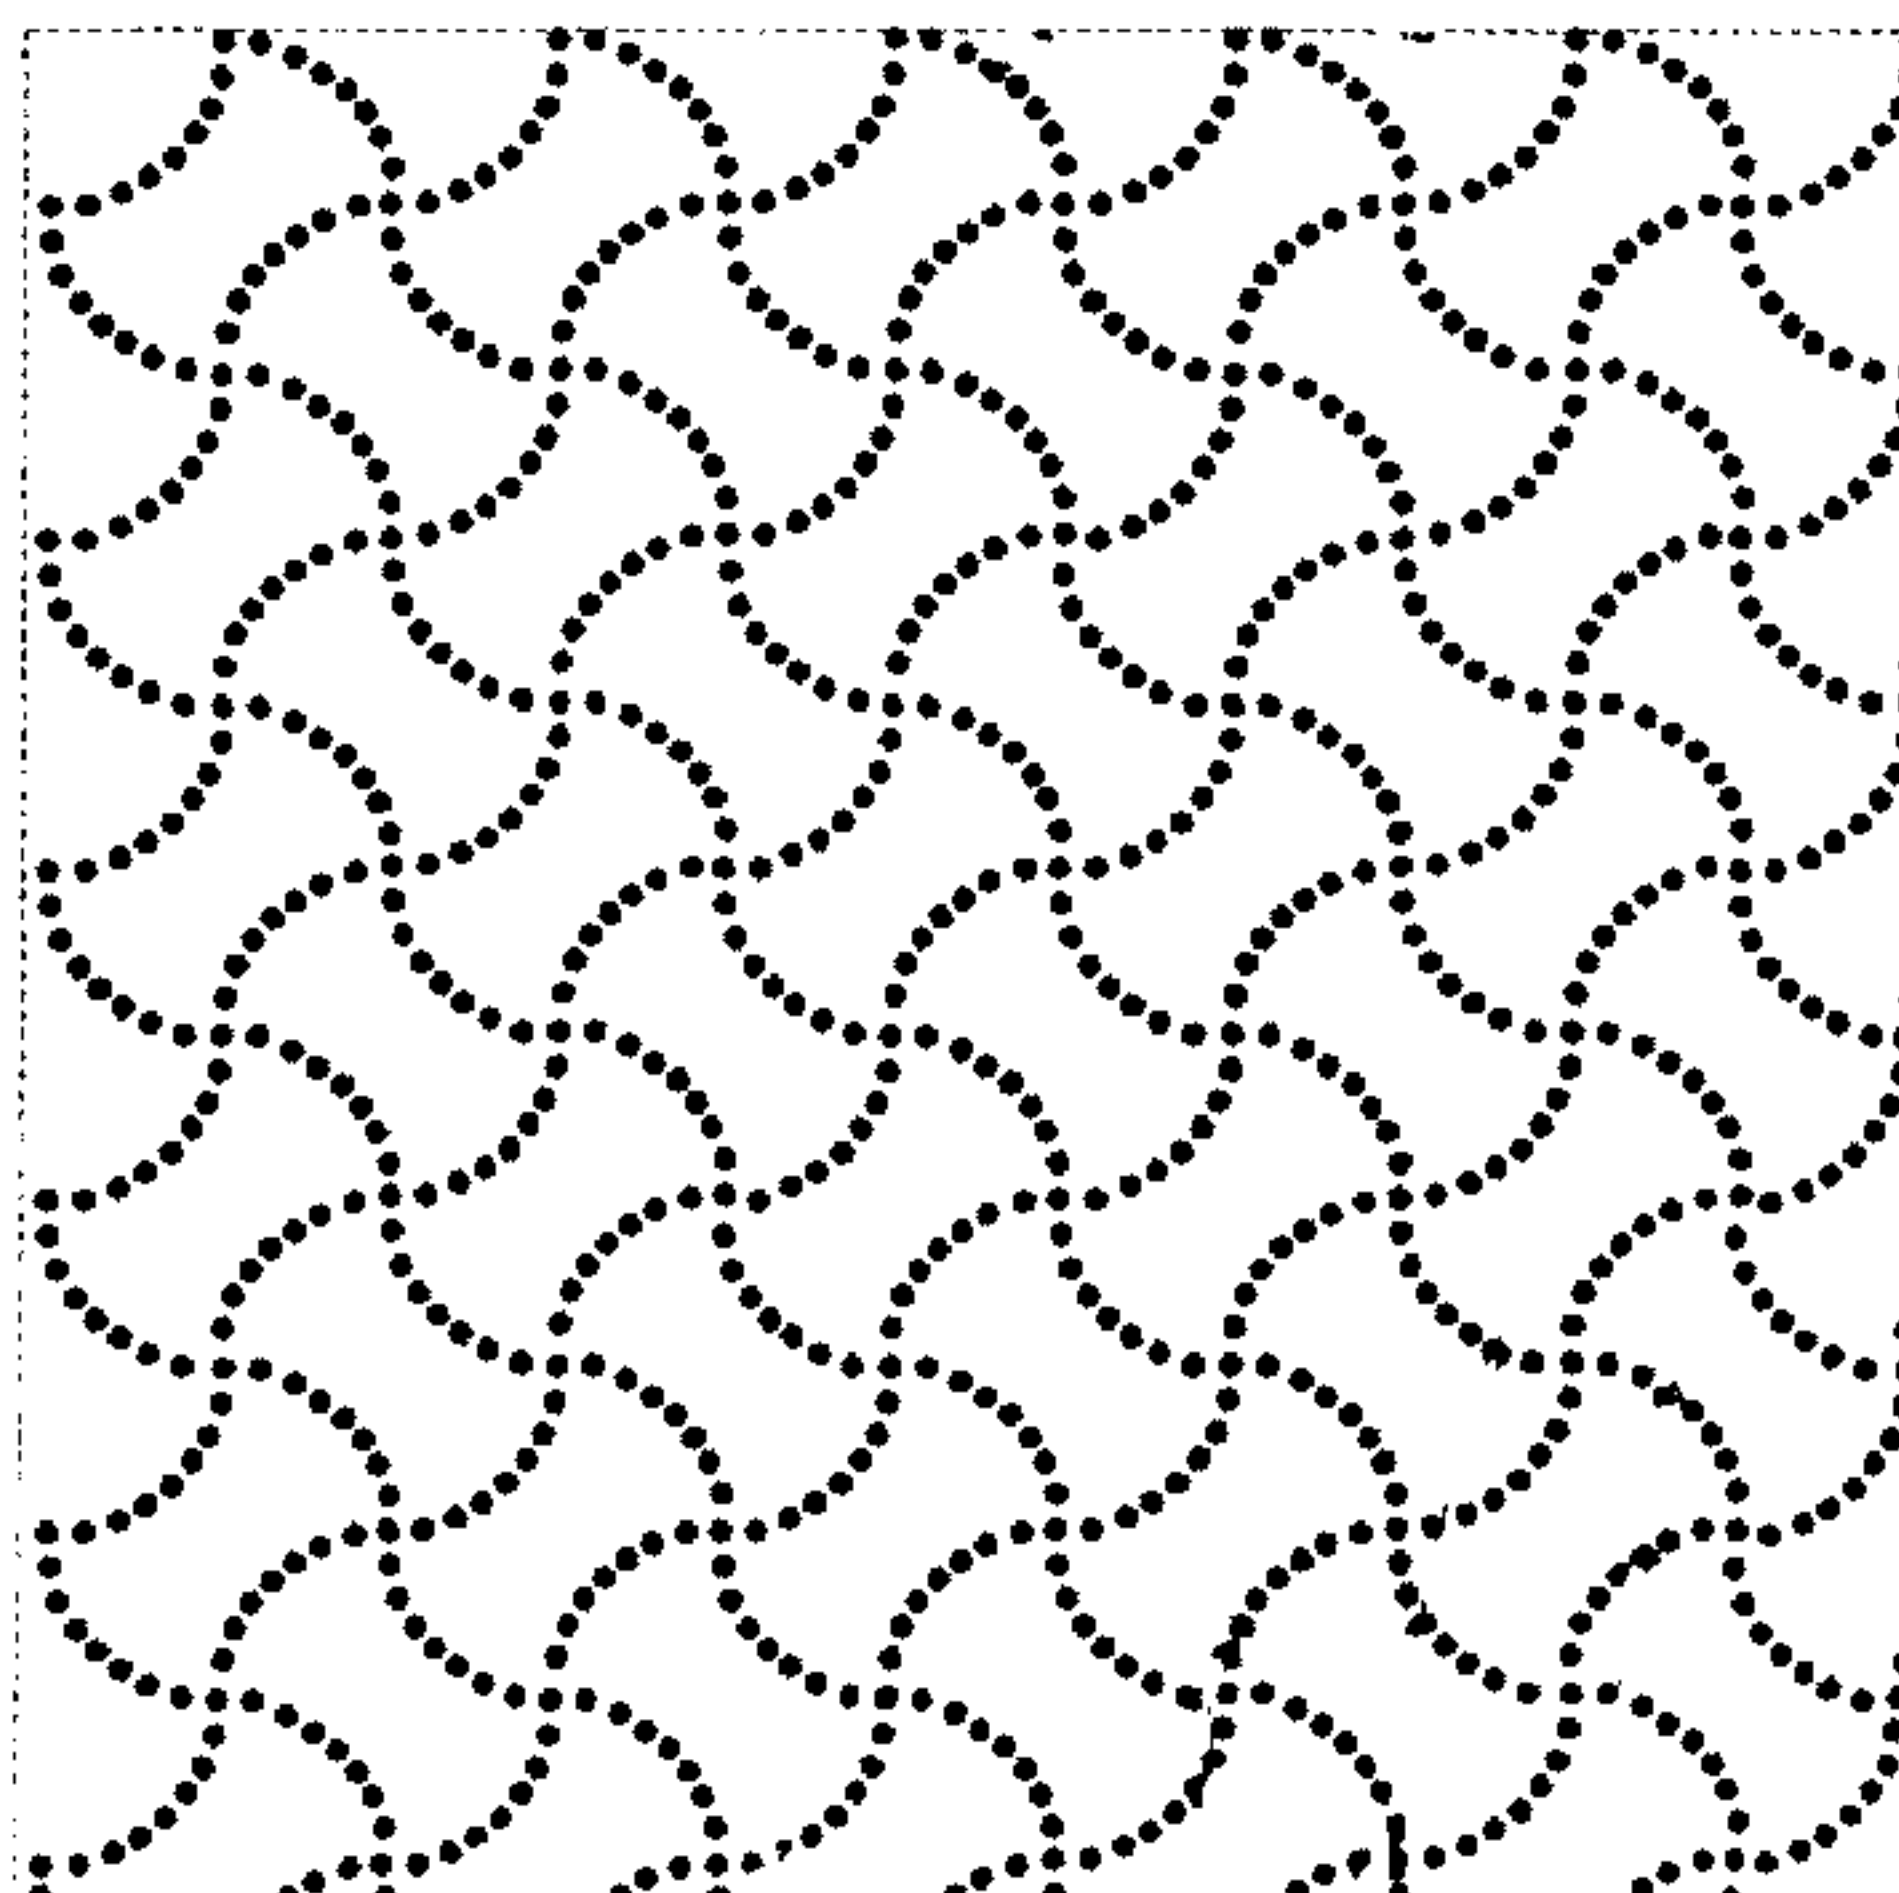

The ornamental design for a paper product, as shown and
described.

DESCRIPTION

The sole FIGURE is a top plan view of a paper product
showing my new ornamental design wherein the broken lines
along the edge of the design indicate that the design may
repeat uniformly in one or more directions.

The design repeats uniformly throughout the length and
width of the paper product. A specific length and width of the
paper product forms no part of the claimed design. The bro-
ken lines form no part of the claimed design. The surfaces or
portions not shown in the drawings or described in the speci-
fication form no part of the claimed design.
