(57) **CLAIM**

I claim the ornamental design for a recessed container lid, as
shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the recessed container lid
according to the present design, and showing the design used
in combination with a large outside container shown in phan-
tom; the outside container forming no part of the claimed
design;

FIG. 2 is a further perspective view of the recessed container
lid according to the present design, and showing the design
used in a container assembly including with a large outside
container and smaller inside containers in phantom; the out-
side and inside containers forming no part of the claimed
design

FIG. 3 is a top view of the recessed container lid;

FIG. 4 is a bottom view of the recessed container lid;

FIG. 5 is a front view of the recessed container lid;

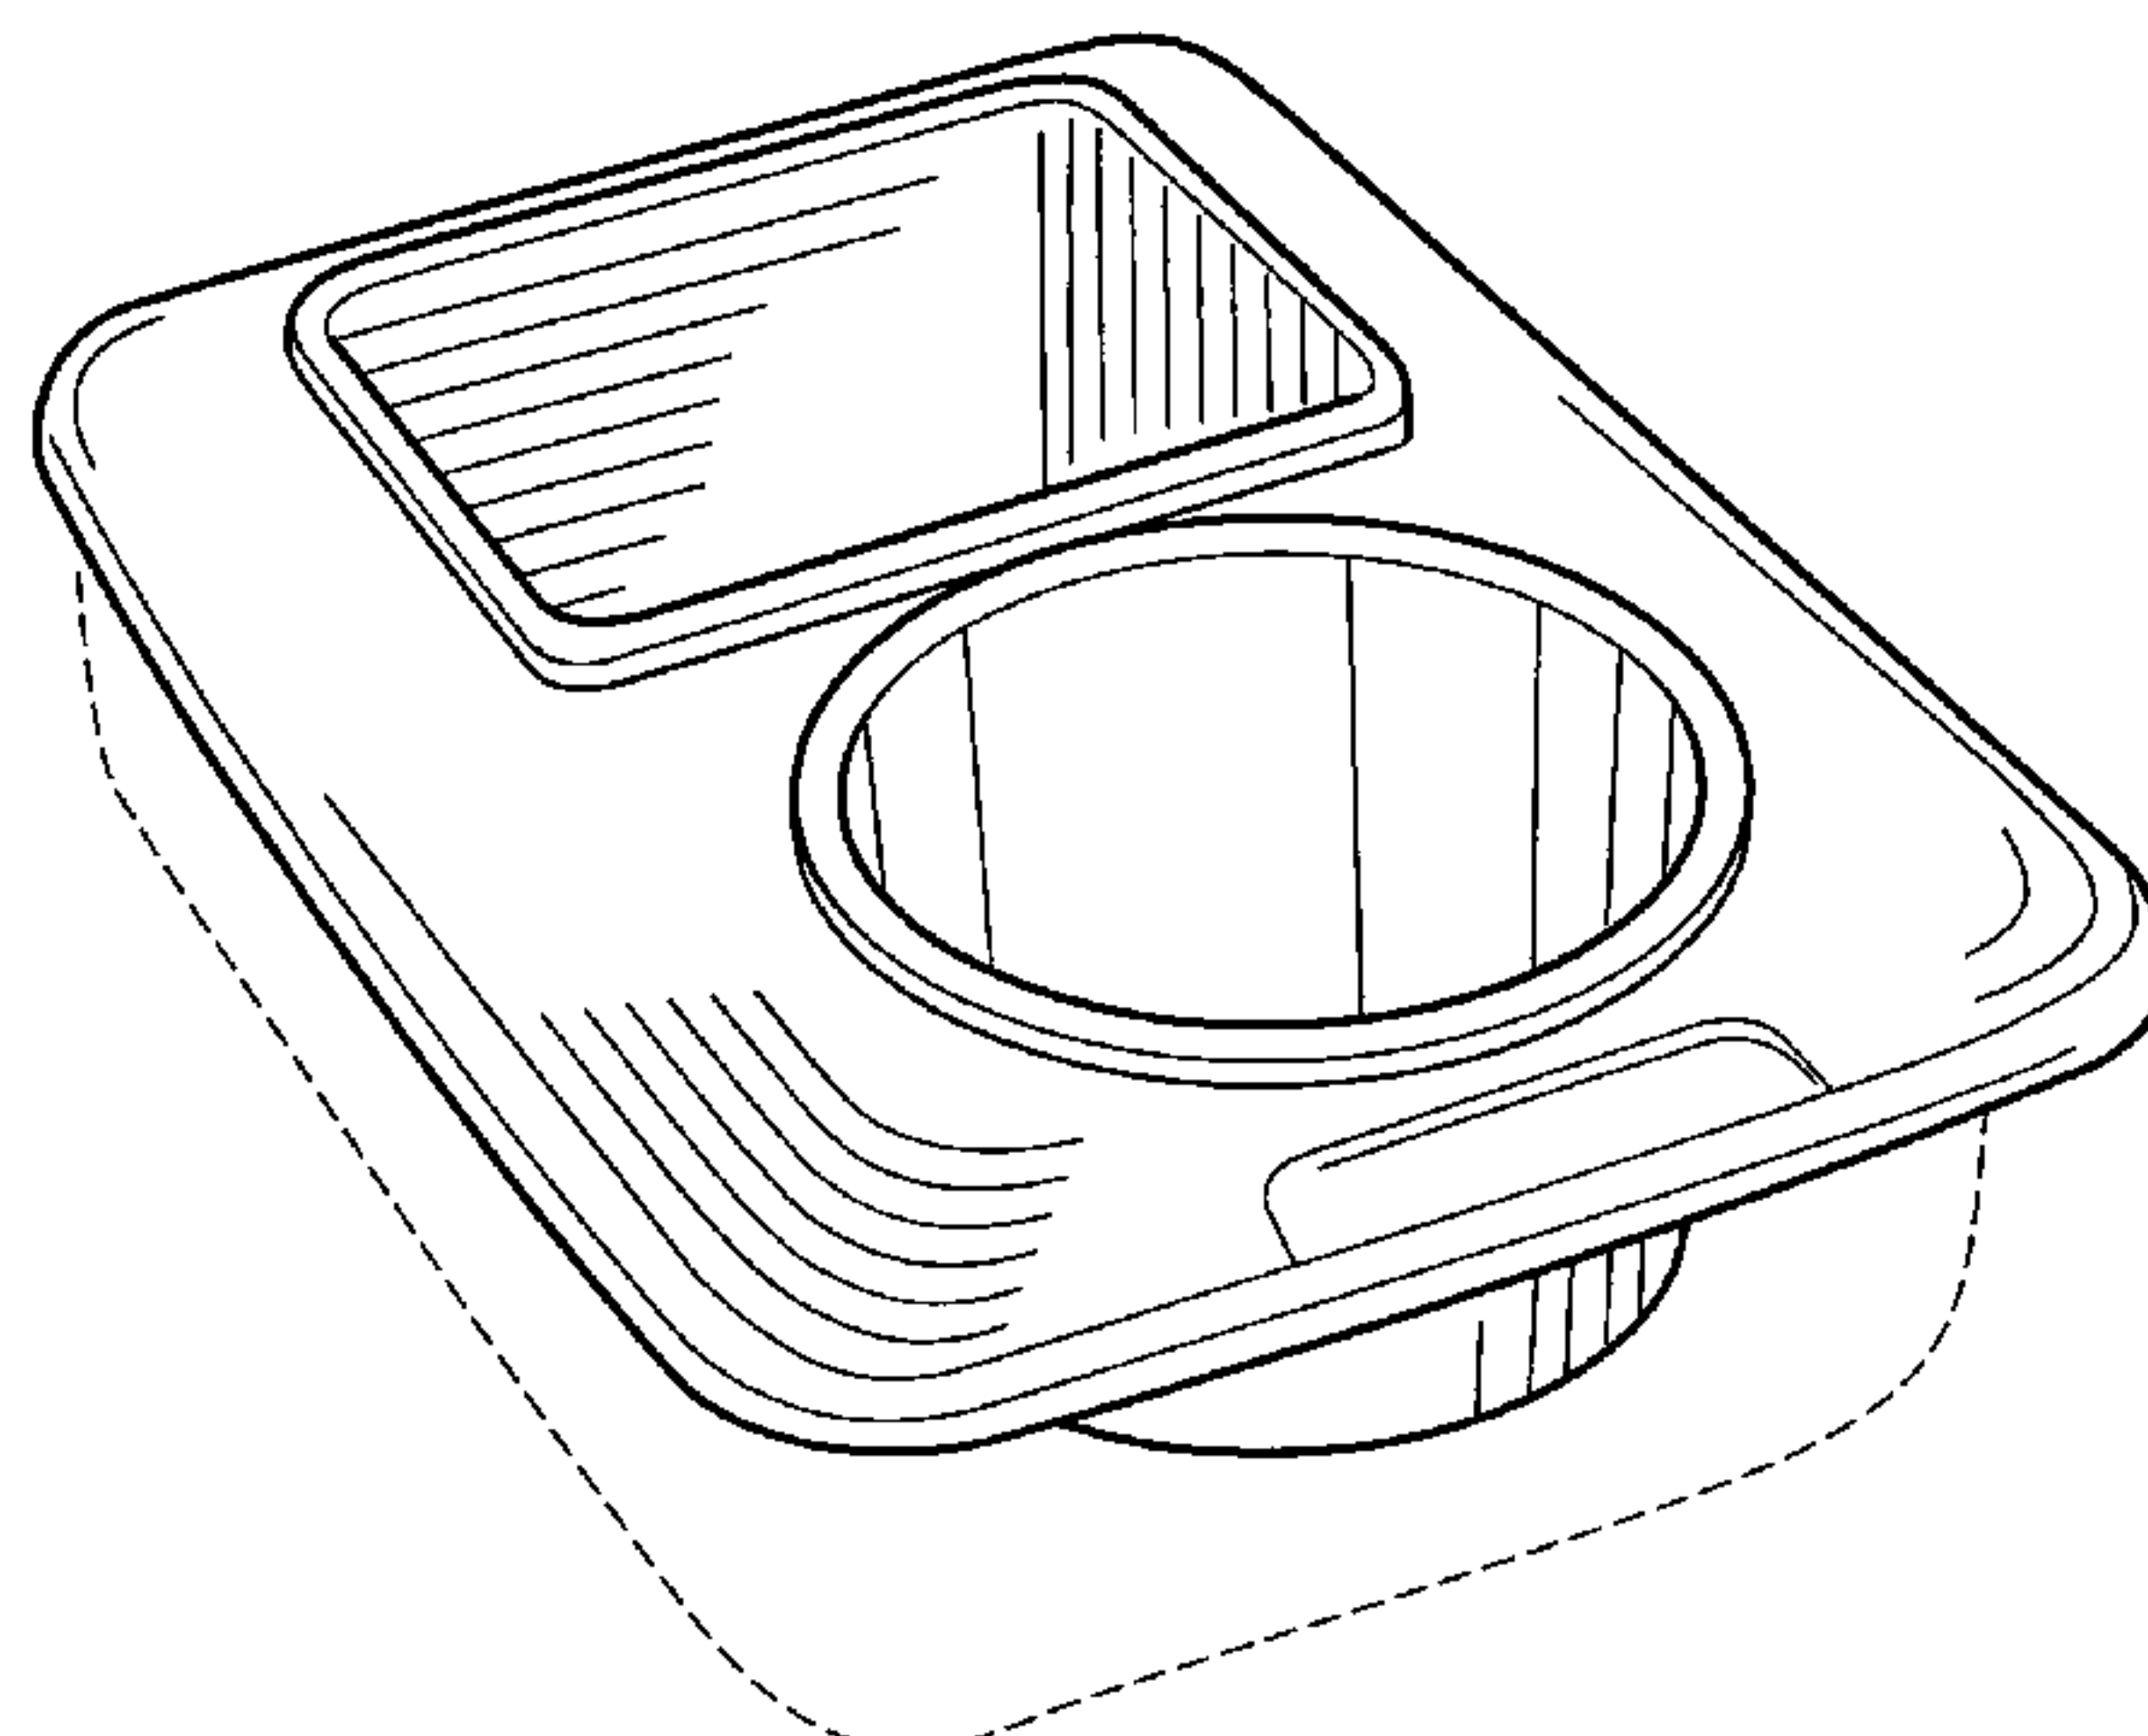

FIG. 6 is a back view of the recessed container lid;

FIG. 7 is a right side view of the recessed container lid;

FIG. 8 is a left side view of the recessed container lid; and,

FIG. 9 is a bottom perspective view of the recessed container
lid.
