DESCRIPTION

FIG. 1 is a perspective view of our invention, with some parts shown in dashed lines and providing environmental structure for illustration purposes;

FIG. 2 is a top plan view of our invention;

FIG. 3 is a bottom plan view of our invention;

FIG. 4 is a side elevation of our invention; and,

FIG. 5 is a view similar to that of FIG. 4 with some parts shown in dashed lines and providing environmental structure for illustration purposes.

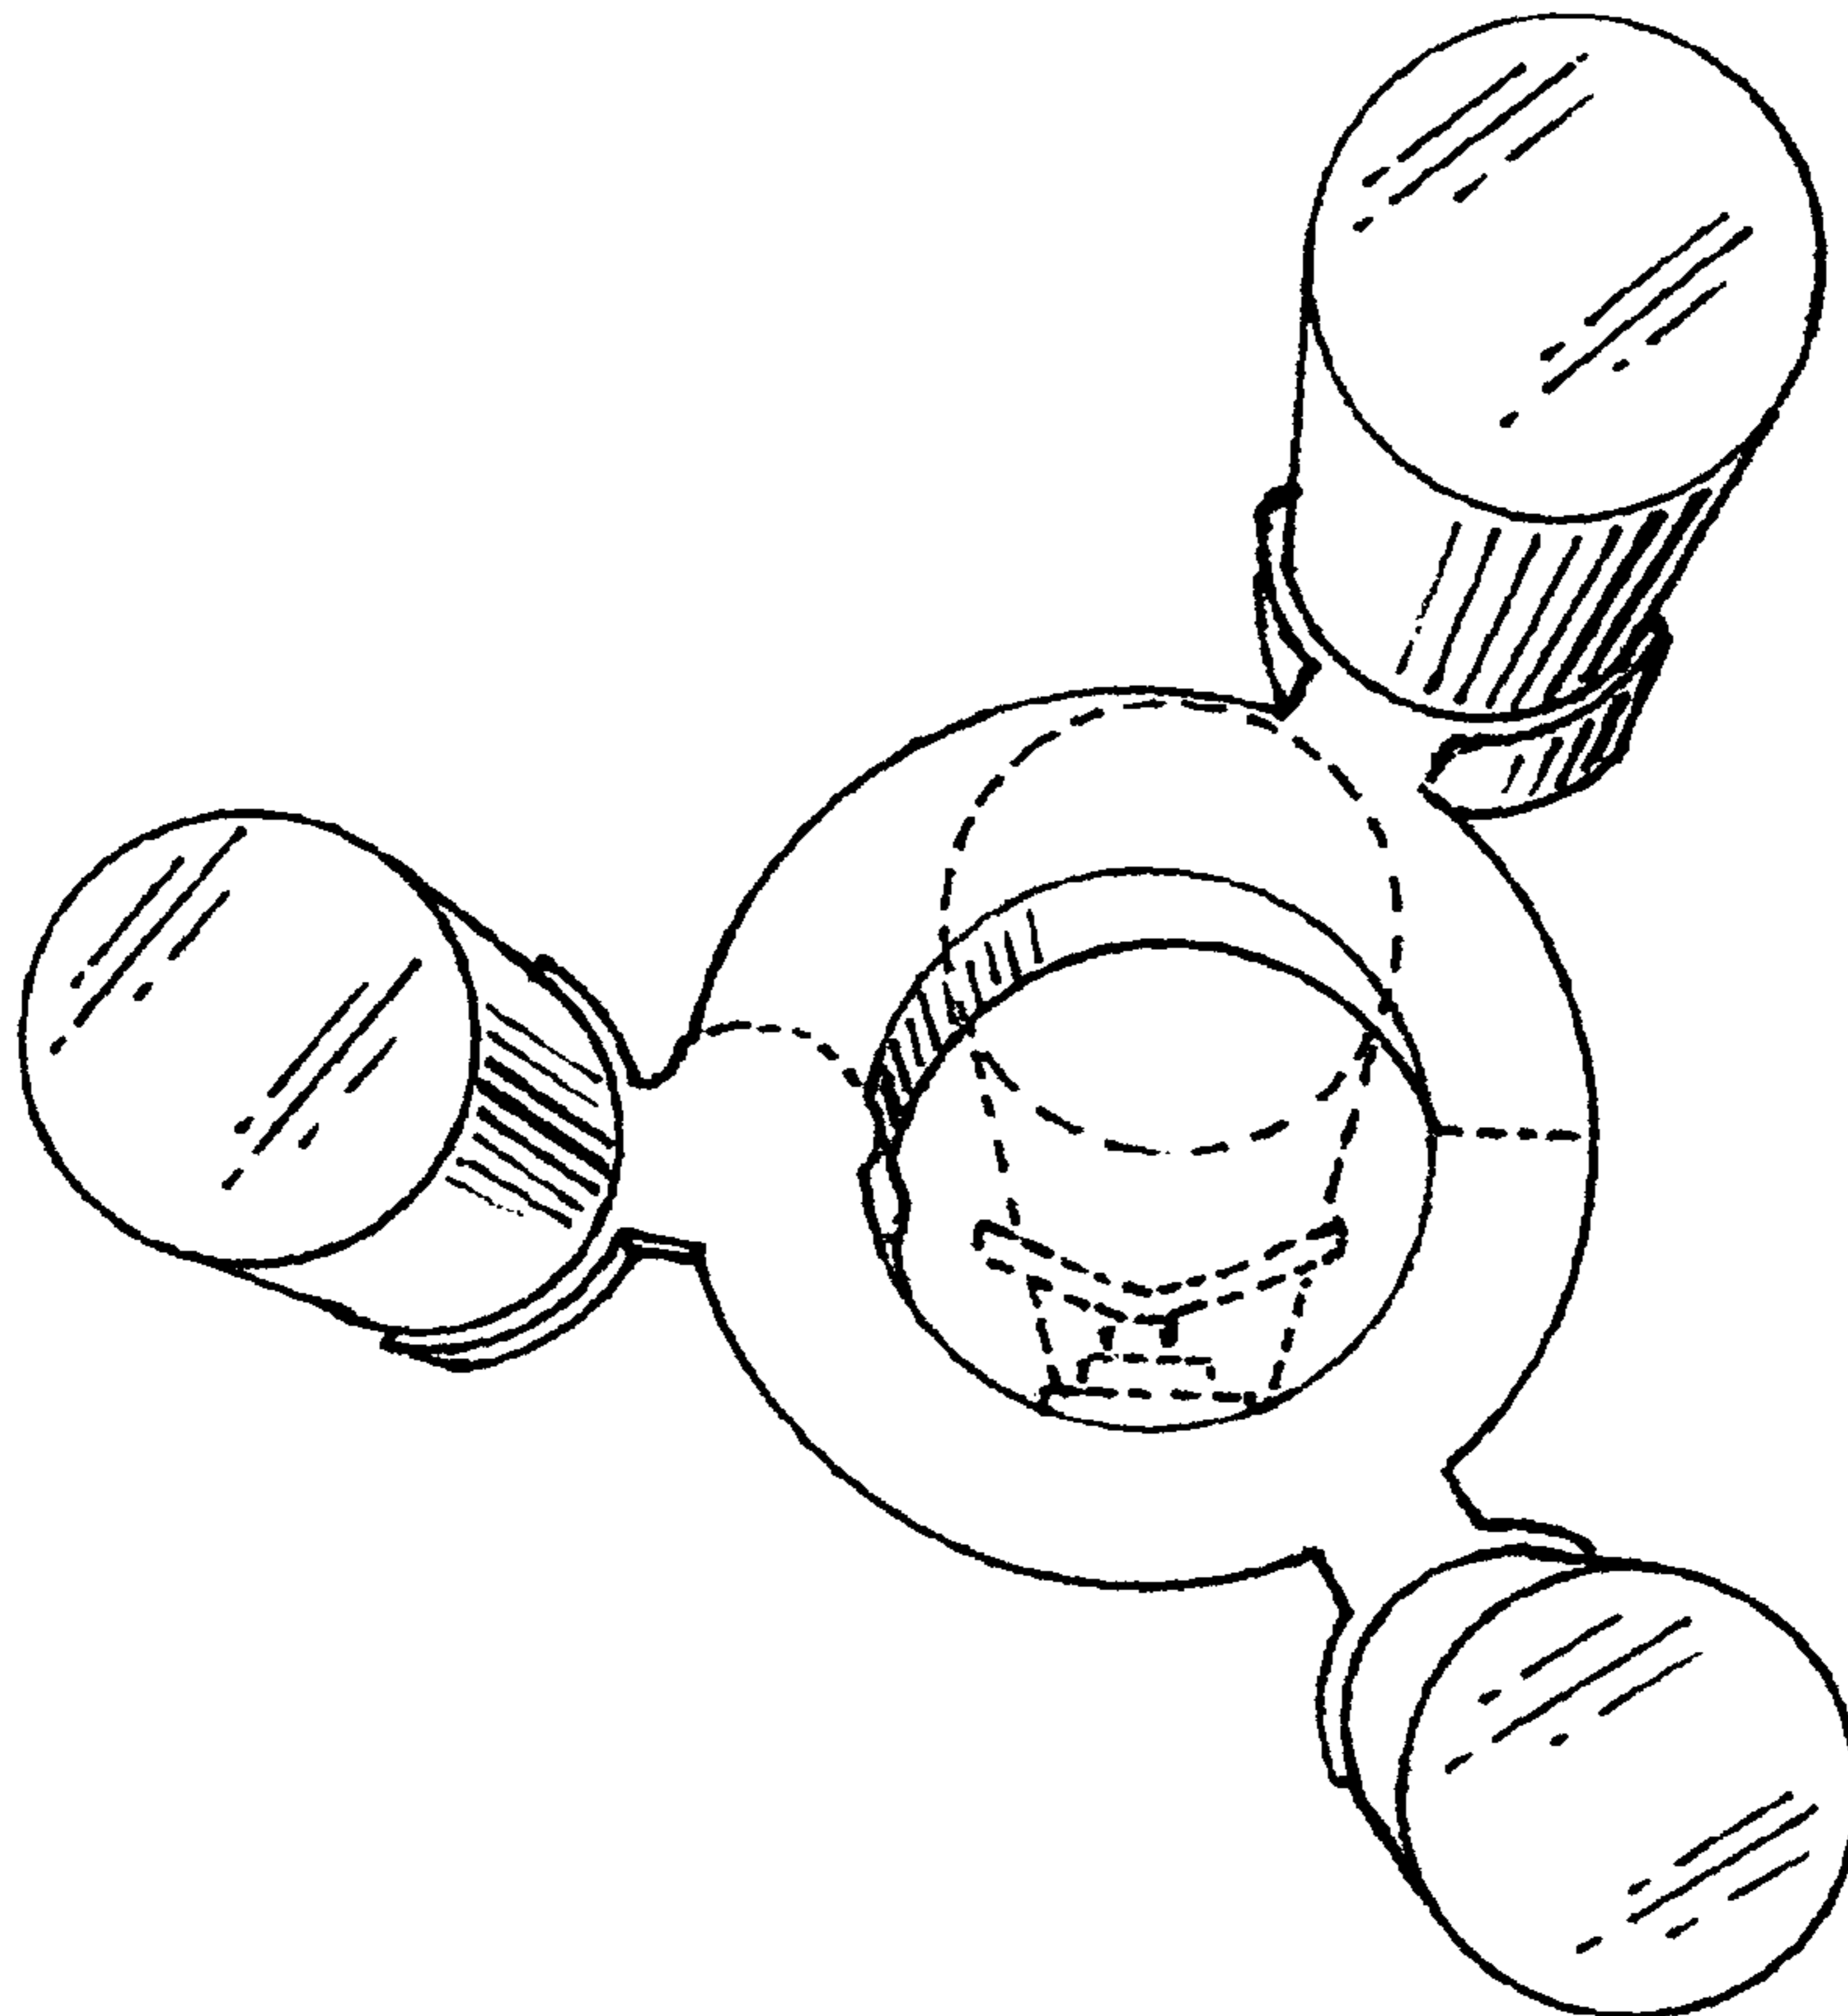

The features shown in the drawings in dashed lines illustrate only environmental structure and form no part of our design.
