(57) **CLAIM**

The ornamental design for a combined puck light and fixed mounting bracket, as shown and described.

**DESCRIPTION**

FIG. 1 is a front perspective view of the combined puck light and fixed mounting bracket of the present invention in an engaged configuration;

FIG. 2 is a rear perspective view thereof;

FIG. 3 is a front elevation exploded view of the combined puck light and fixed mounting bracket of the present invention in a disengaged configuration;

FIG. 4 is a rear elevation view thereof;

FIG. 5 is a left side elevation view thereof with the right side being a mirror image thereof;

FIG. 6 is a bottom plan view thereof;

FIG. 7 is a top plan view of the mounting bracket portion of the combined puck light and fixed mounting bracket, showing the new design with the puck light portion removed for illustrative purposes only;

FIG. 8 is a top plan view of the puck light portion of the combined puck light and fixed mounting bracket, showing the new design with the mounting bracket portion removed for illustrative purposes only; and,

FIG. 9 is a bottom plan view thereof.

The broken lines are shown in the views for illustrative purposes only and form no part of the claimed design.
