(57) **CLAIM**

The ornamental design for a personal vibratory massager, as shown and described.

DESCRIPTION

FIG. 1 is a frontal perspective view of a first embodiment of a personal vibratory massager, including elements shown in phantom lines that are not part of the claimed design.

FIG. 2 is a rear plan view of said first embodiment.

FIG. 3 is a frontal plan view of said embodiment.

FIG. 4 is a right side plan view of said embodiment.

FIG. 5 is a left side plan view of said embodiment.

FIG. 6 is a bottom plan view of said embodiment.

FIG. 7 is a top plan view of said embodiment, including elements shown in phantom lines that are not part of the claimed design.

FIG. 8 is a frontal perspective view of a second embodiment of said personal vibratory massager, including elements shown in phantom lines that are not part of the claimed design.

FIG. 9 is a rear plan view of said second embodiment.

FIG. 10 is a frontal plan view of said second embodiment.

FIG. 11 is a right side plan view of said second embodiment.

FIG. 12 is a left side plan view of said second embodiment.

FIG. 13 is a bottom plan view of said second embodiment.

FIG. 14 is a top plan view of said second embodiment, including elements shown in phantom lines that are not part of the claimed design.

FIG. 15 is a frontal perspective view of a third embodiment of said personal vibratory massager, including elements shown in phantom lines that are not part of the claimed design.

FIG. 16 is a rear plan view of said third embodiment.

FIG. 17 is a frontal plan view of said third embodiment.

FIG. 18 is a right side plan view of said third embodiment.

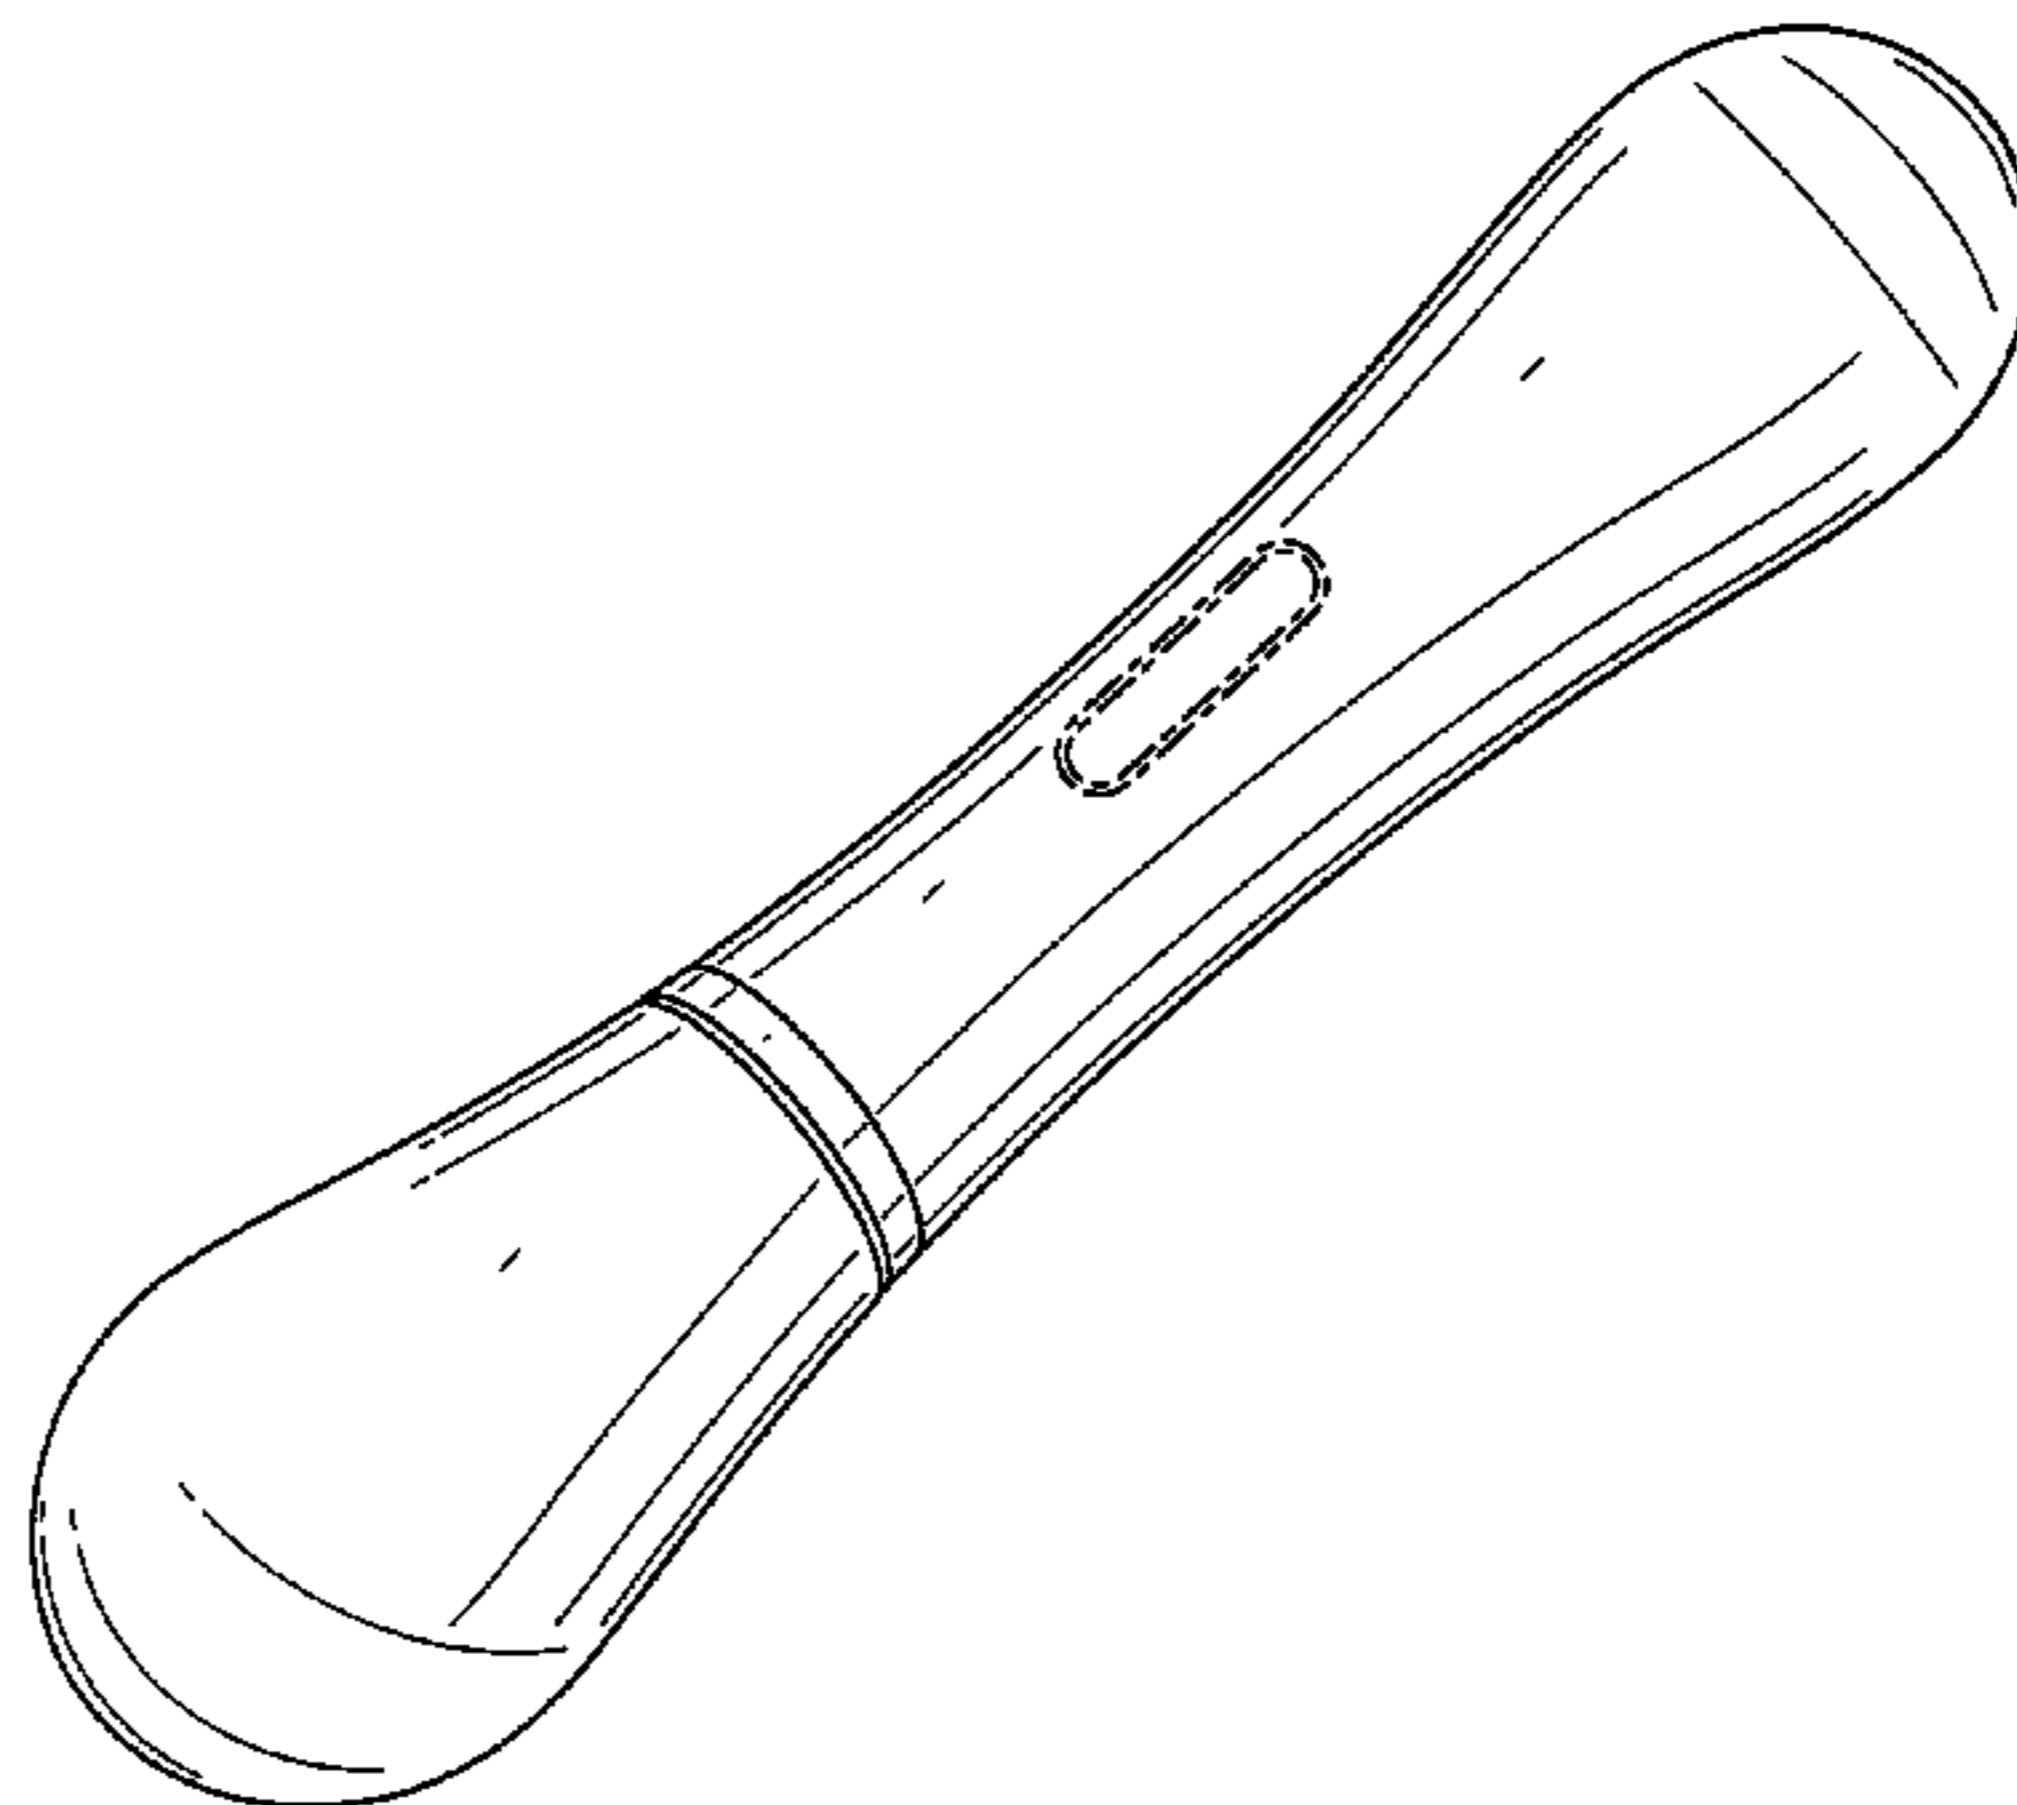

FIG. 19 is a left side plan view of said third embodiment.

FIG. 20 is a bottom plan view of said third embodiment; and,

FIG. 21 is a top plan view of said third embodiment, including elements shown in phantom lines that are not part of the claimed design.

The broken lines shown in the drawings represent unclaimed portions of the design and form no part thereof.
