(57) **CLAIM**

The ornamental design for a sheet material with octagonal surface pattern, as shown and described.

DESCRIPTION

The sole FIGURE is a view of the sheet material with octagonal surface pattern, showing our new design; and

The bottom surface of the sheet material with octagonal surface pattern is plain and unornamented.

The claimed design is a two-dimensional pattern applied to sheet material surfaces such as clothing, fabrics, piece goods, bedding, and similar surfaces. The broken line boundary forms no part of the claimed design.
