(57) **CLAIM**

We claim the ornamental design for a graphical user interface for a display screen, as shown and described.

DESCRIPTION

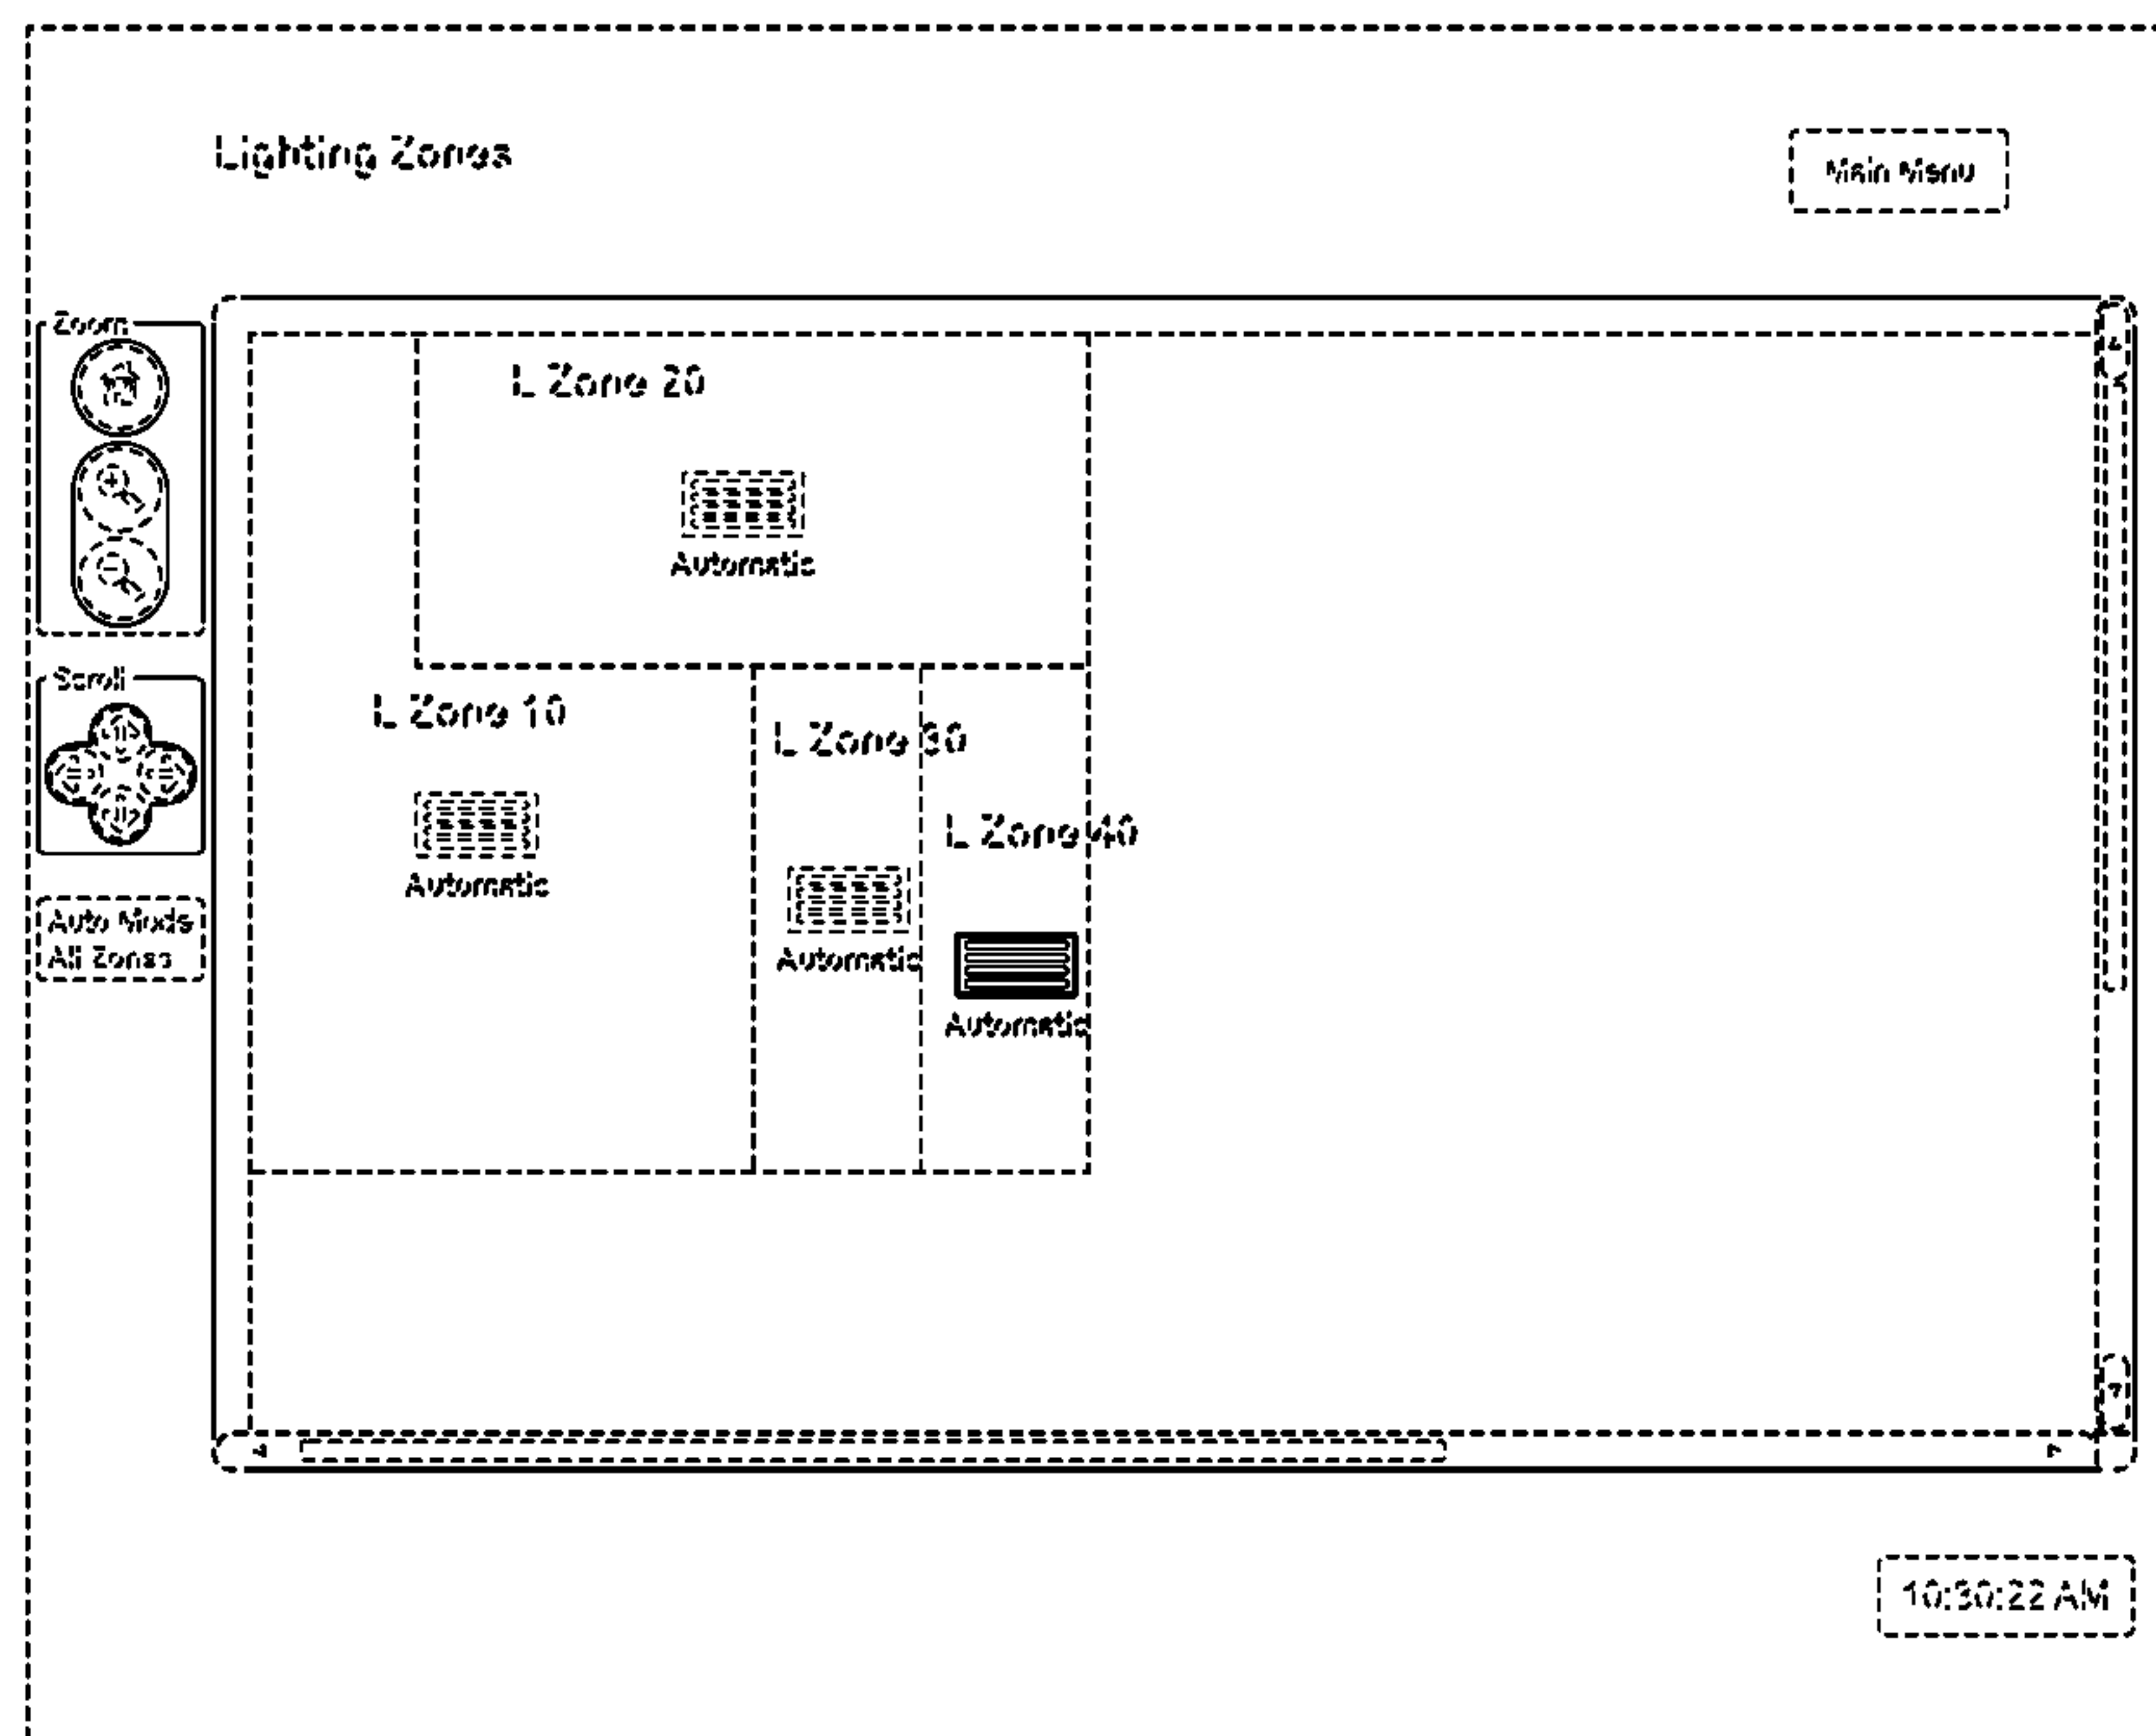

FIG. 1 is a front view of the graphical user interface for a display screen, shown without the display screen for ease of illustration; and,

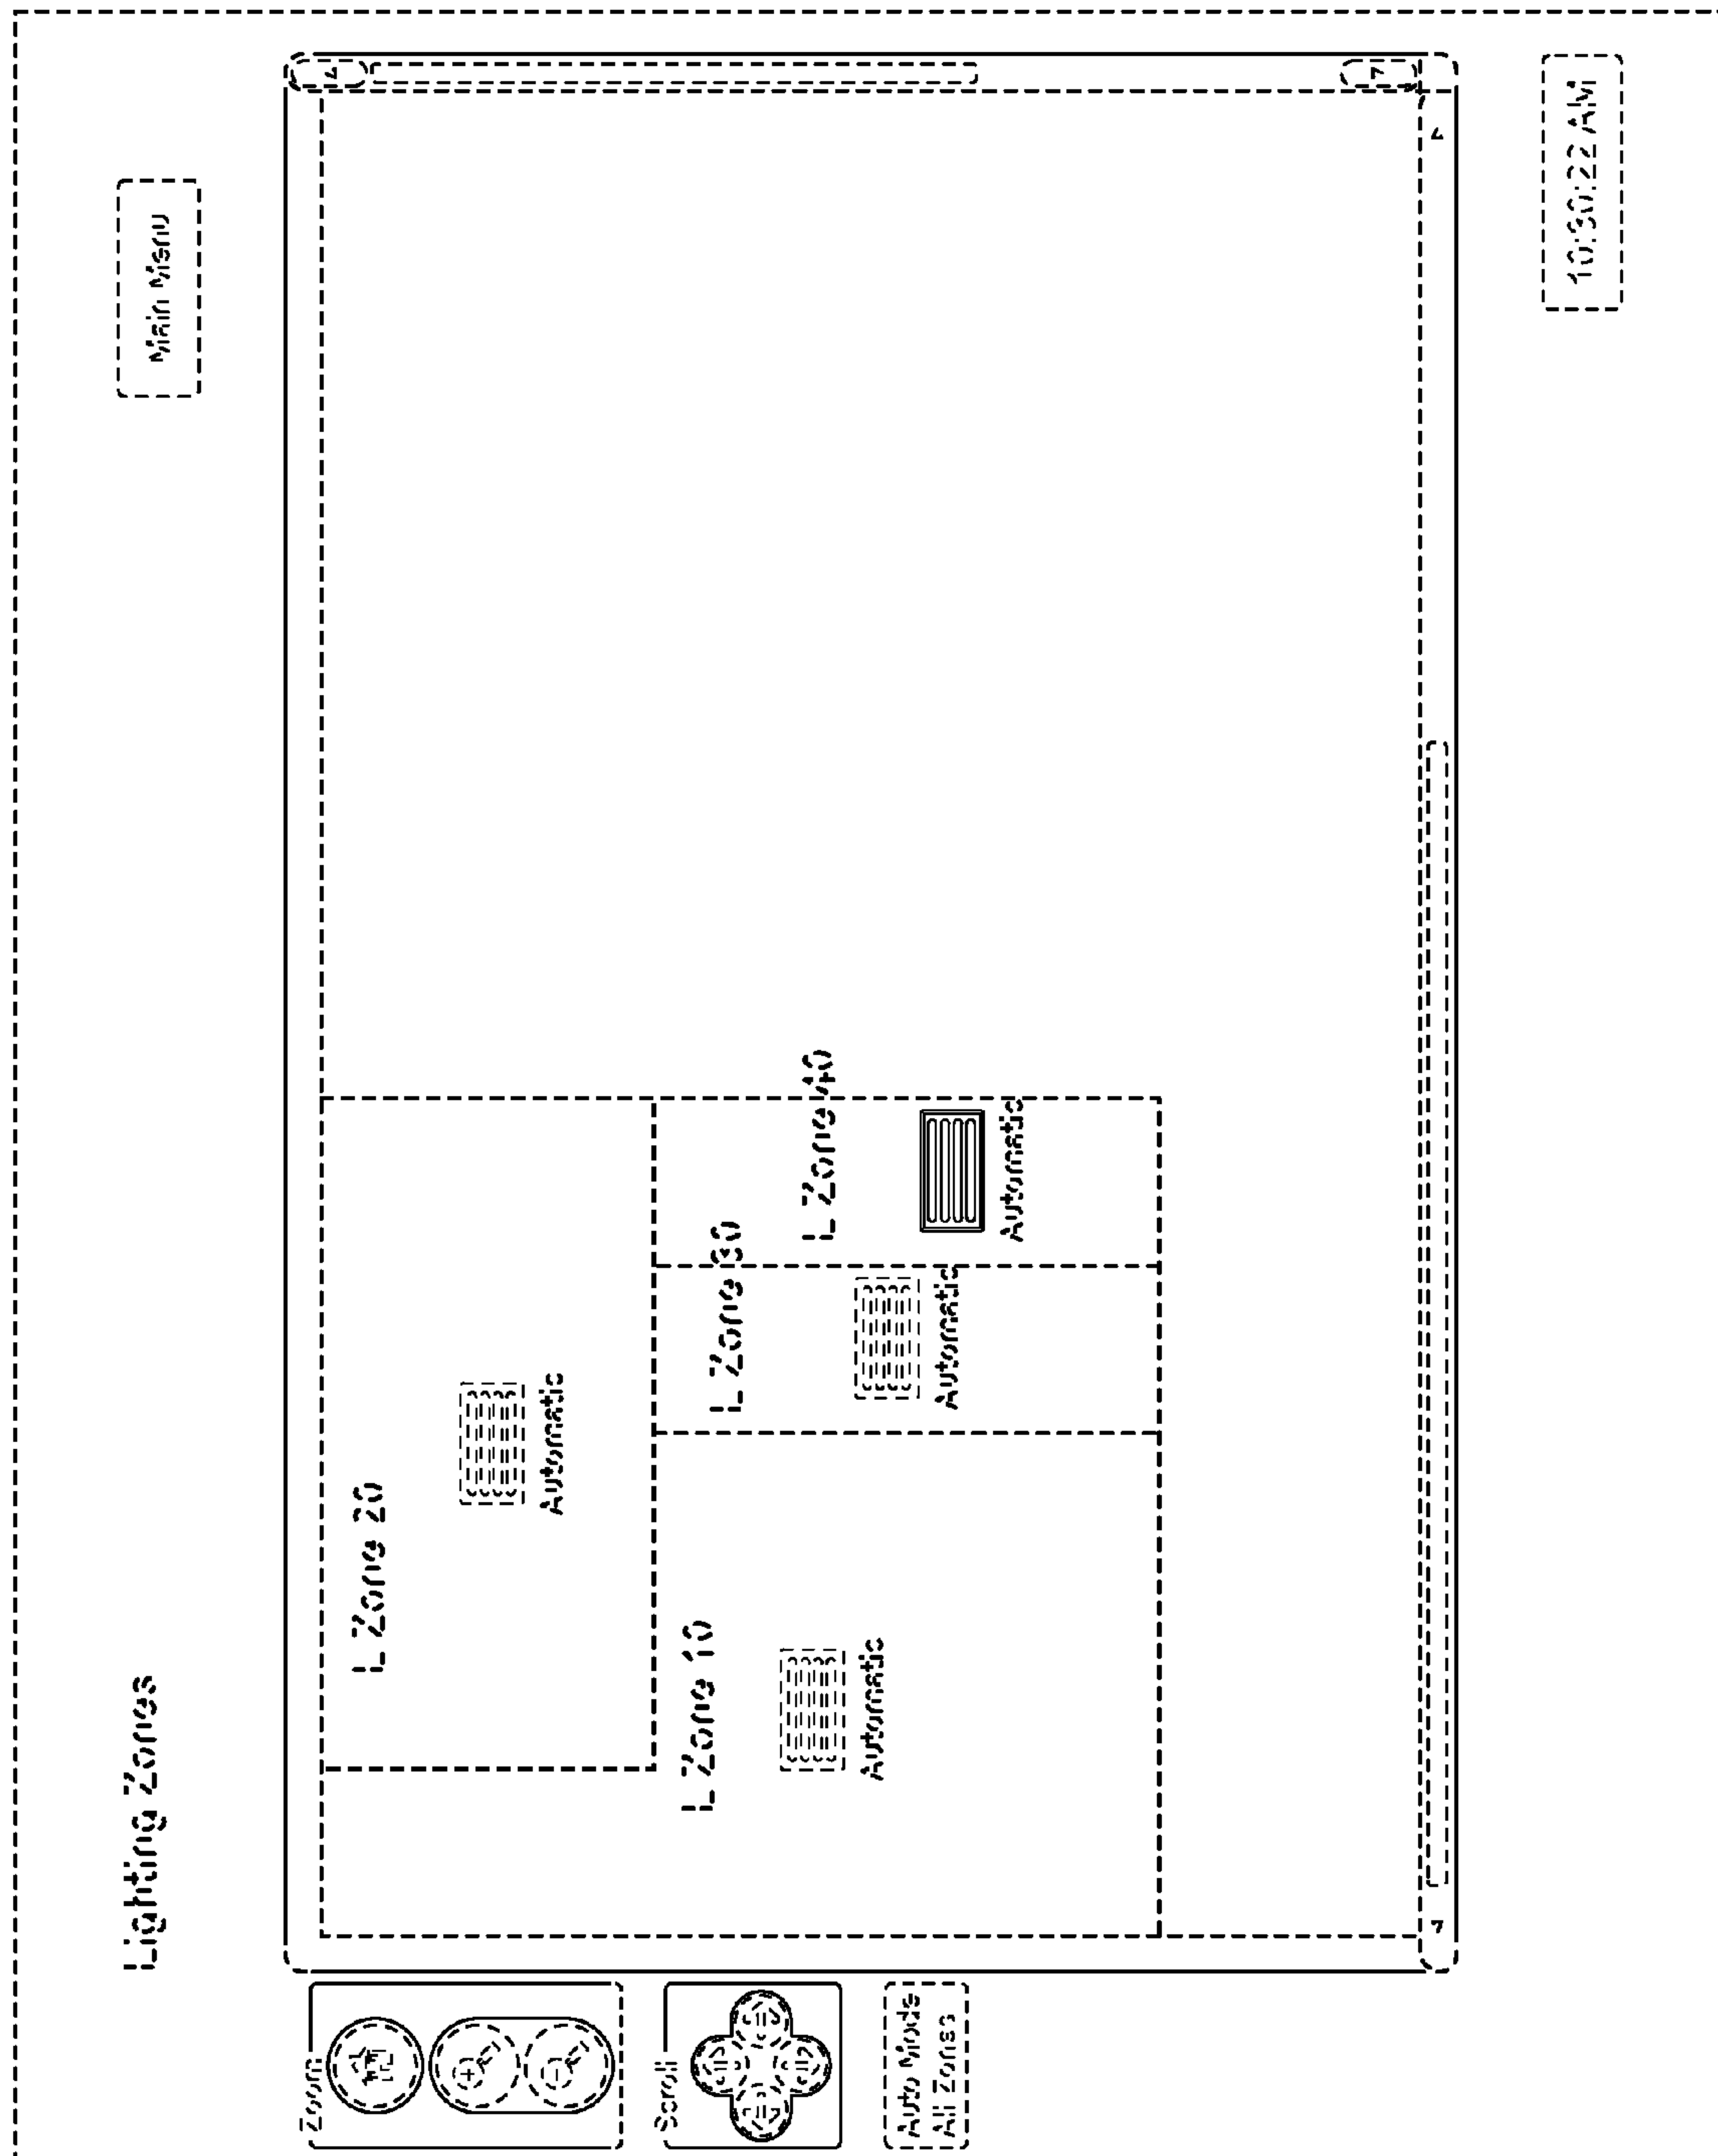

FIG. 2 is an additional front view of the graphical user interface with the display screen shown in broken lines.

The ornamental design which is claimed is shown in solid lines in the drawings.

The broken lines in the drawings illustrate the unclaimed portions of the graphical user interface and the unclaimed display screen and form no part of the claimed design.
