(57) **CLAIM**

The ornamental design for a gutter cleaning system, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of a first embodiment of a gutter cleaning system showing my new design;

FIG. 2 is a front elevational view thereof;

FIG. 3 is a rear elevational view thereof;

FIG. 4 is a right side elevational view with the left side being a mirror image thereof;

FIG. 5 is a top view thereof;

FIG. 6 is a bottom view thereof;

FIG. 7 is a perspective view of a second embodiment of a gutter cleaning system showing my new design;

FIG. 8 is a front elevational view thereof;

FIG. 9 is a rear elevational view thereof;

FIG. 10 is a right side elevational view with the left side being a mirror image thereof;

FIG. 11 is a top view thereof;

FIG. 12 is a bottom view thereof; and,

FIG. 13 is an environmental perspective view thereof.

The threaded pipe shown in broken lines in FIG. 13 forms no part of the claimed design. The break in FIGS. 1-4, 7-10 and 13 represents indeterminate length.
