DESCRIPTION

FIG. 1 is a front view of medical gown as worn by a user.

FIG. 2 is a rear view of the medical gown shown in FIG. 1 as worn by a user.

FIG. 3 is front view of a medical gown.

FIG. 4 is a rear view of the medical gown shown in FIG. 3.

FIG. 5 is a rear view of the medical gown that illustrates both attachment of the rear members near a neck area of the gown and separation of the rear members at the lower area of the gown.

FIG. 6 is a material cut out view of one of the sleeves of the medical gown shown in FIGS. 1-5; and,

FIG. 7 is a detailed view of the neck area of the medical gown shown in FIG. 5 illustrating an attachment between the back members and a series of perforations through a material of the gown.

The broken lines in FIGS. 1 and 2, represents a portion of the human form and under clothing and showing the gown in use, form no part of the claim.

The curved ellipses shown in FIGS. 2, 4-5, and 7 are understood to represent perforations.

The long dash line shown in FIG. 6 represents fold line.
