(57) **CLAIM**

I claim the ornamental design for a seat control interface, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the seat control interface according to the invention;

FIG. 2 is an enlarged perspective view of the seat control interface according to the invention;

FIG. 3 is an enlarged side elevational view of the seat control interface according to the invention;

FIG. 4 is a front elevational view of the seat control interface according to the invention; and,

FIG. 5 is a top plan view of the seat control interface according to the invention.

The broken lines shown in the drawings are for illustrative purposes only and form no part of the claimed design.
