(57) **CLAIM**

The ornamental design for a spherical remote control holder, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a spherical remote control holder.

FIG. 2 is a front view of the remote control holder.

FIG. 3 is a rear view of the remote control holder.

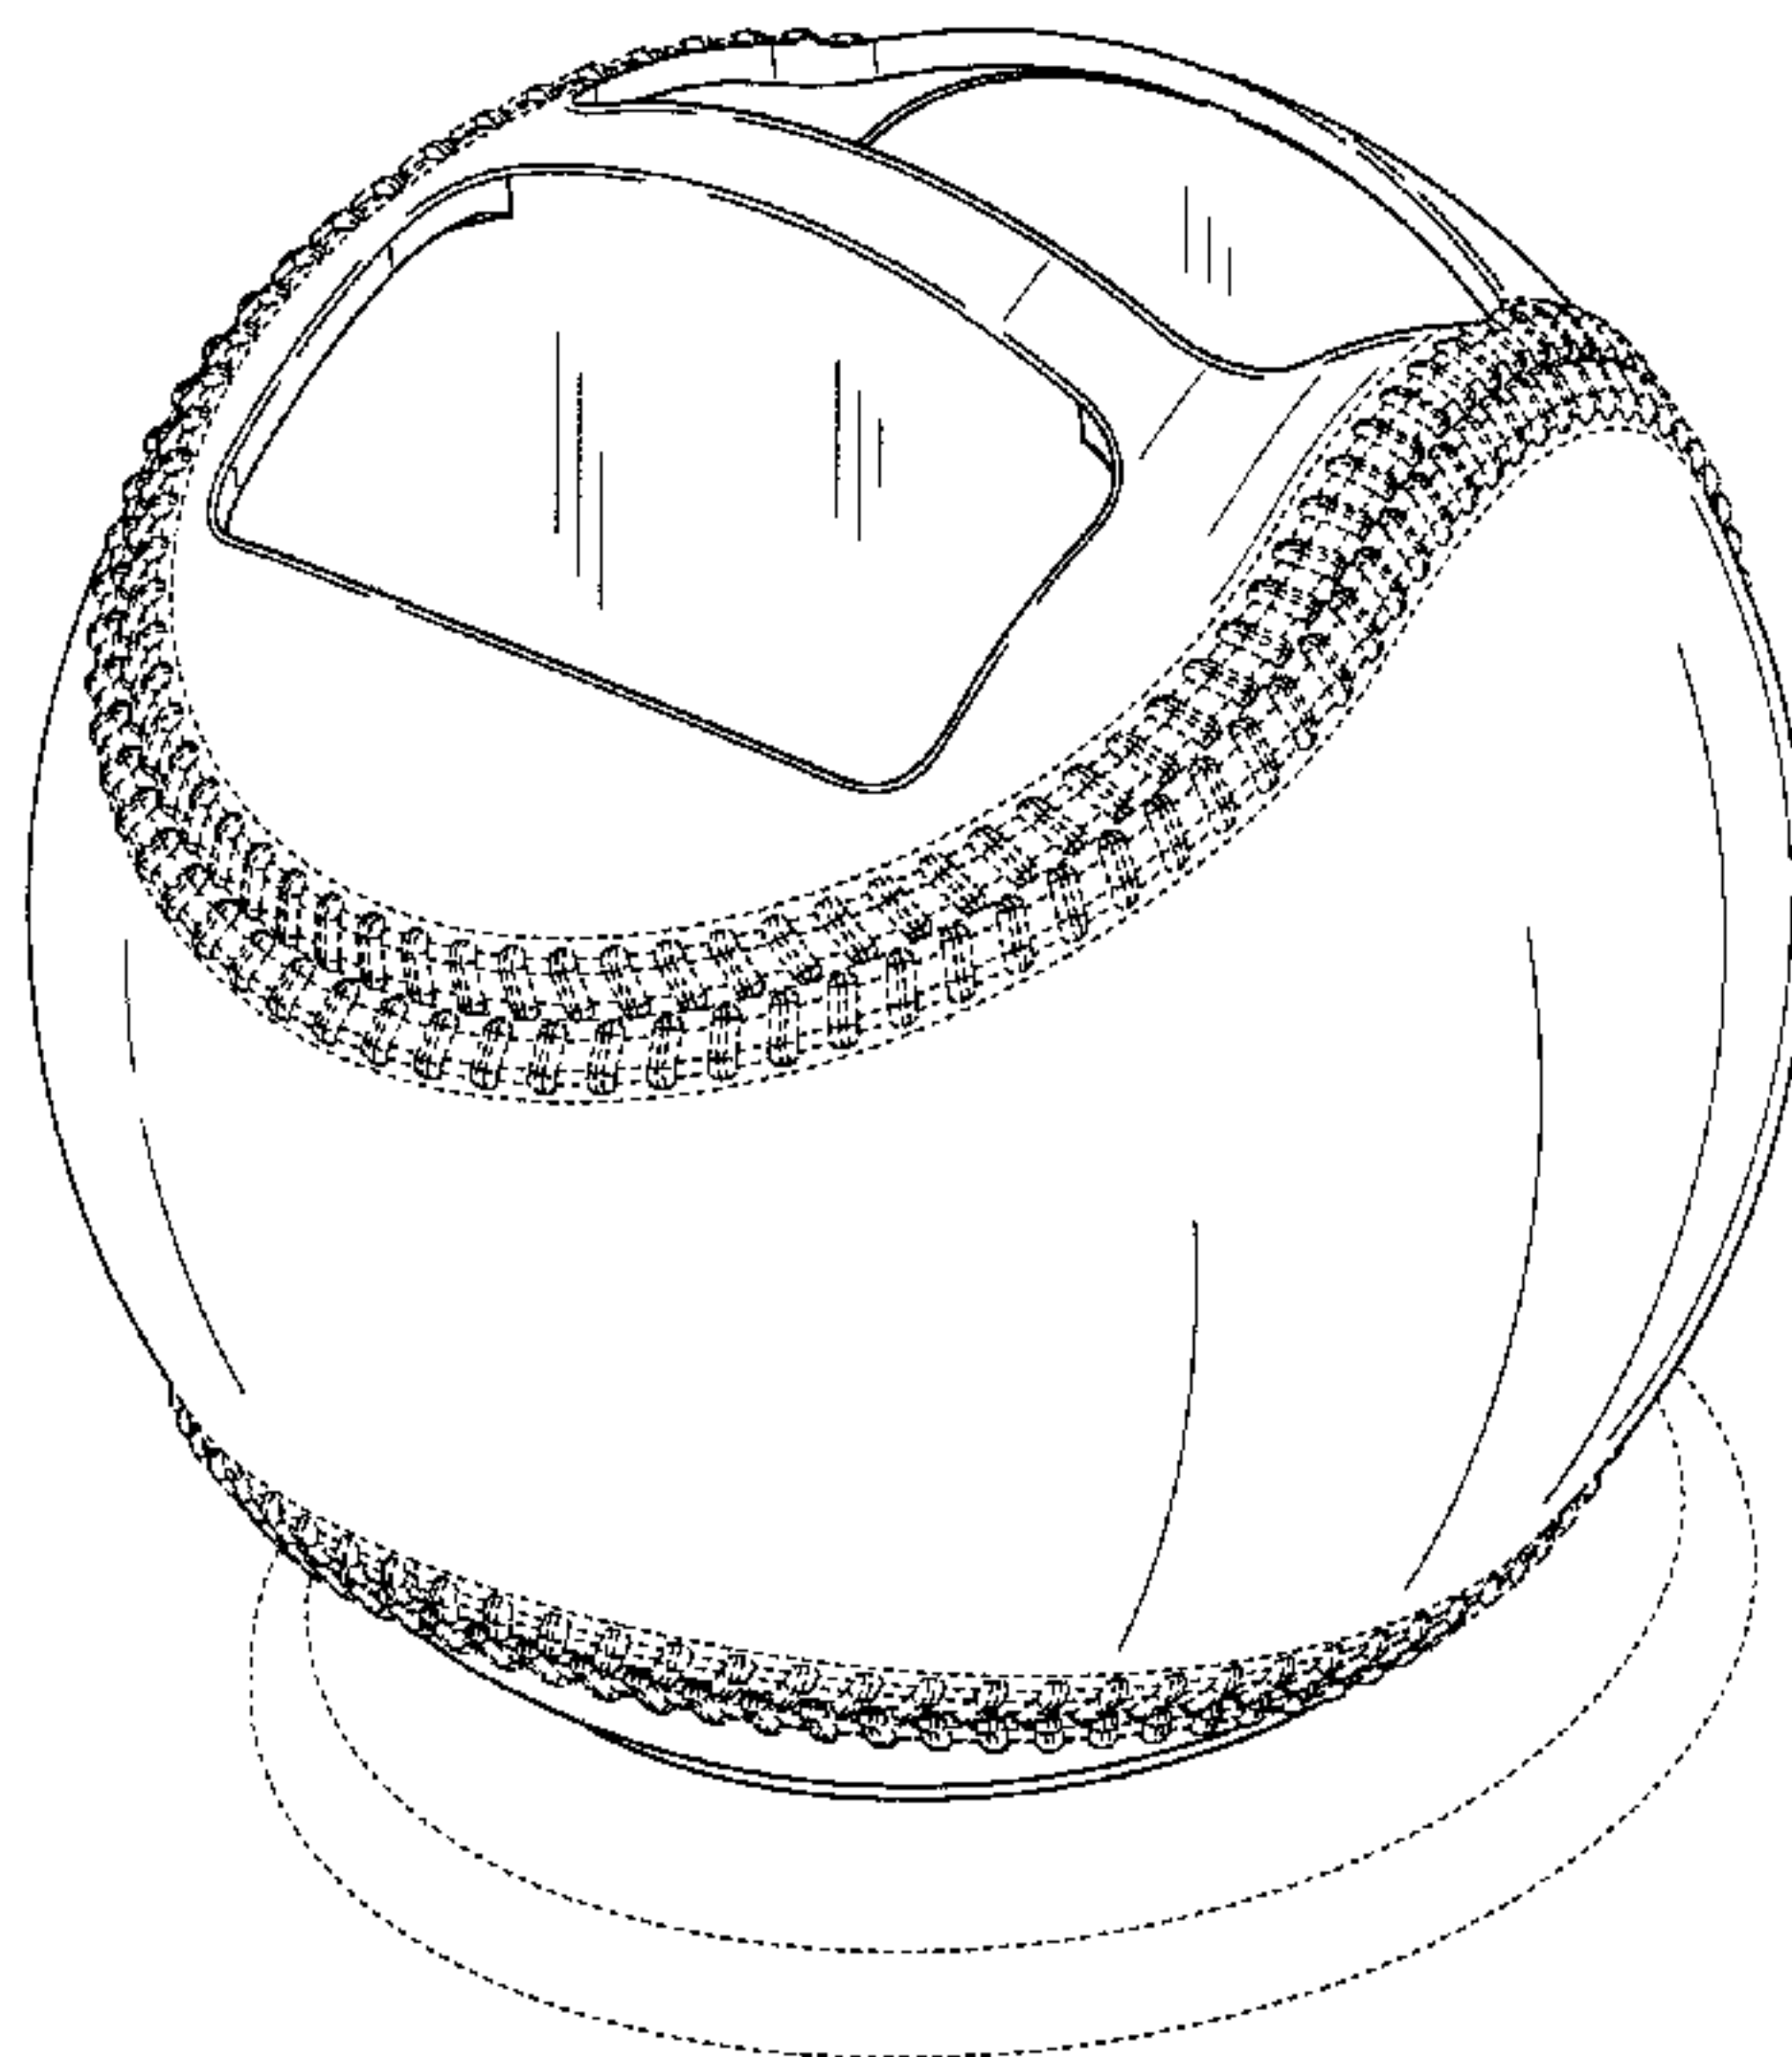

FIG. 4 is a side view of the remote control holder. The other side view of the remote control holder is a mirror image of the side view depicted in FIG. 4.

FIG. 5 is a top view of the remote control holder; and,

FIG. 6 is a bottom view of the remote control holder.

The remote control holder has markings of a baseball. The broken lines in the figures are for environmental purpose only and form no part of the claimed design. Viewpoints not illustrated present no additional ornamental features over those illustrated in the present set of drawings.
