(57) **CLAIM**

The ornamental design for a muddler, as shown and described.

DESCRIPTION

This application is related to U.S. Utility patent application Ser. No. 12/545,806, filed Aug. 21, 2009, still pending. The contents of that application is incorporated by reference herein in its entirety.

FIG. 1 is a first side view of the muddler showing our new design;

FIG. 2 is a second side view of the muddler showing our new design, the view being a 90 degree turn relative to FIG. 1;

FIG. 3 is top view of the showing our new design;

FIG. 4 is another view showing our new design;

FIG. 5 is a perspective view from the bottom of the showing our new design;

FIG. 6 is a perspective view from the top of the showing our new design with parts separated; and,

FIG. 7 is a view from the bottom of the showing our new design.

1 Claim, 7 Drawing Sheets
