(57) **CLAIM**

The ornamental design for a mortar master blade, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the mortar master blade of this invention.

FIG. 2 is an elevational view of one side of the mortar master blade of this invention.

FIG. 3 is a top plan view of the mortar master blade of this invention shown in FIG. 2.

FIG. 4 is a front end view of the mortar master blade of this invention shown in FIG. 2.

FIG. 5 is an elevational view of the opposite side of the mortar master blade of the invention from that shown in FIG. 2.

FIG. 6 is a bottom plan view of the mortar master blade shown in FIG. 5; and,

FIG. 7 is a left end view of the mortar master blade shown in FIG. 5.
