(57) **CLAIM**

The ornamental design for a cheek rest for a firearm, as shown and described.

**DESCRIPTION**

The inventions described herein may be manufactured, used and licensed by the United States Government for United States Government purposes.

FIG. 1 is a front isometric view of a cheek rest for a firearm;

FIG. 2 is a top plan view of the cheek rest;

FIG. 3 is a bottom plan view of the cheek rest;

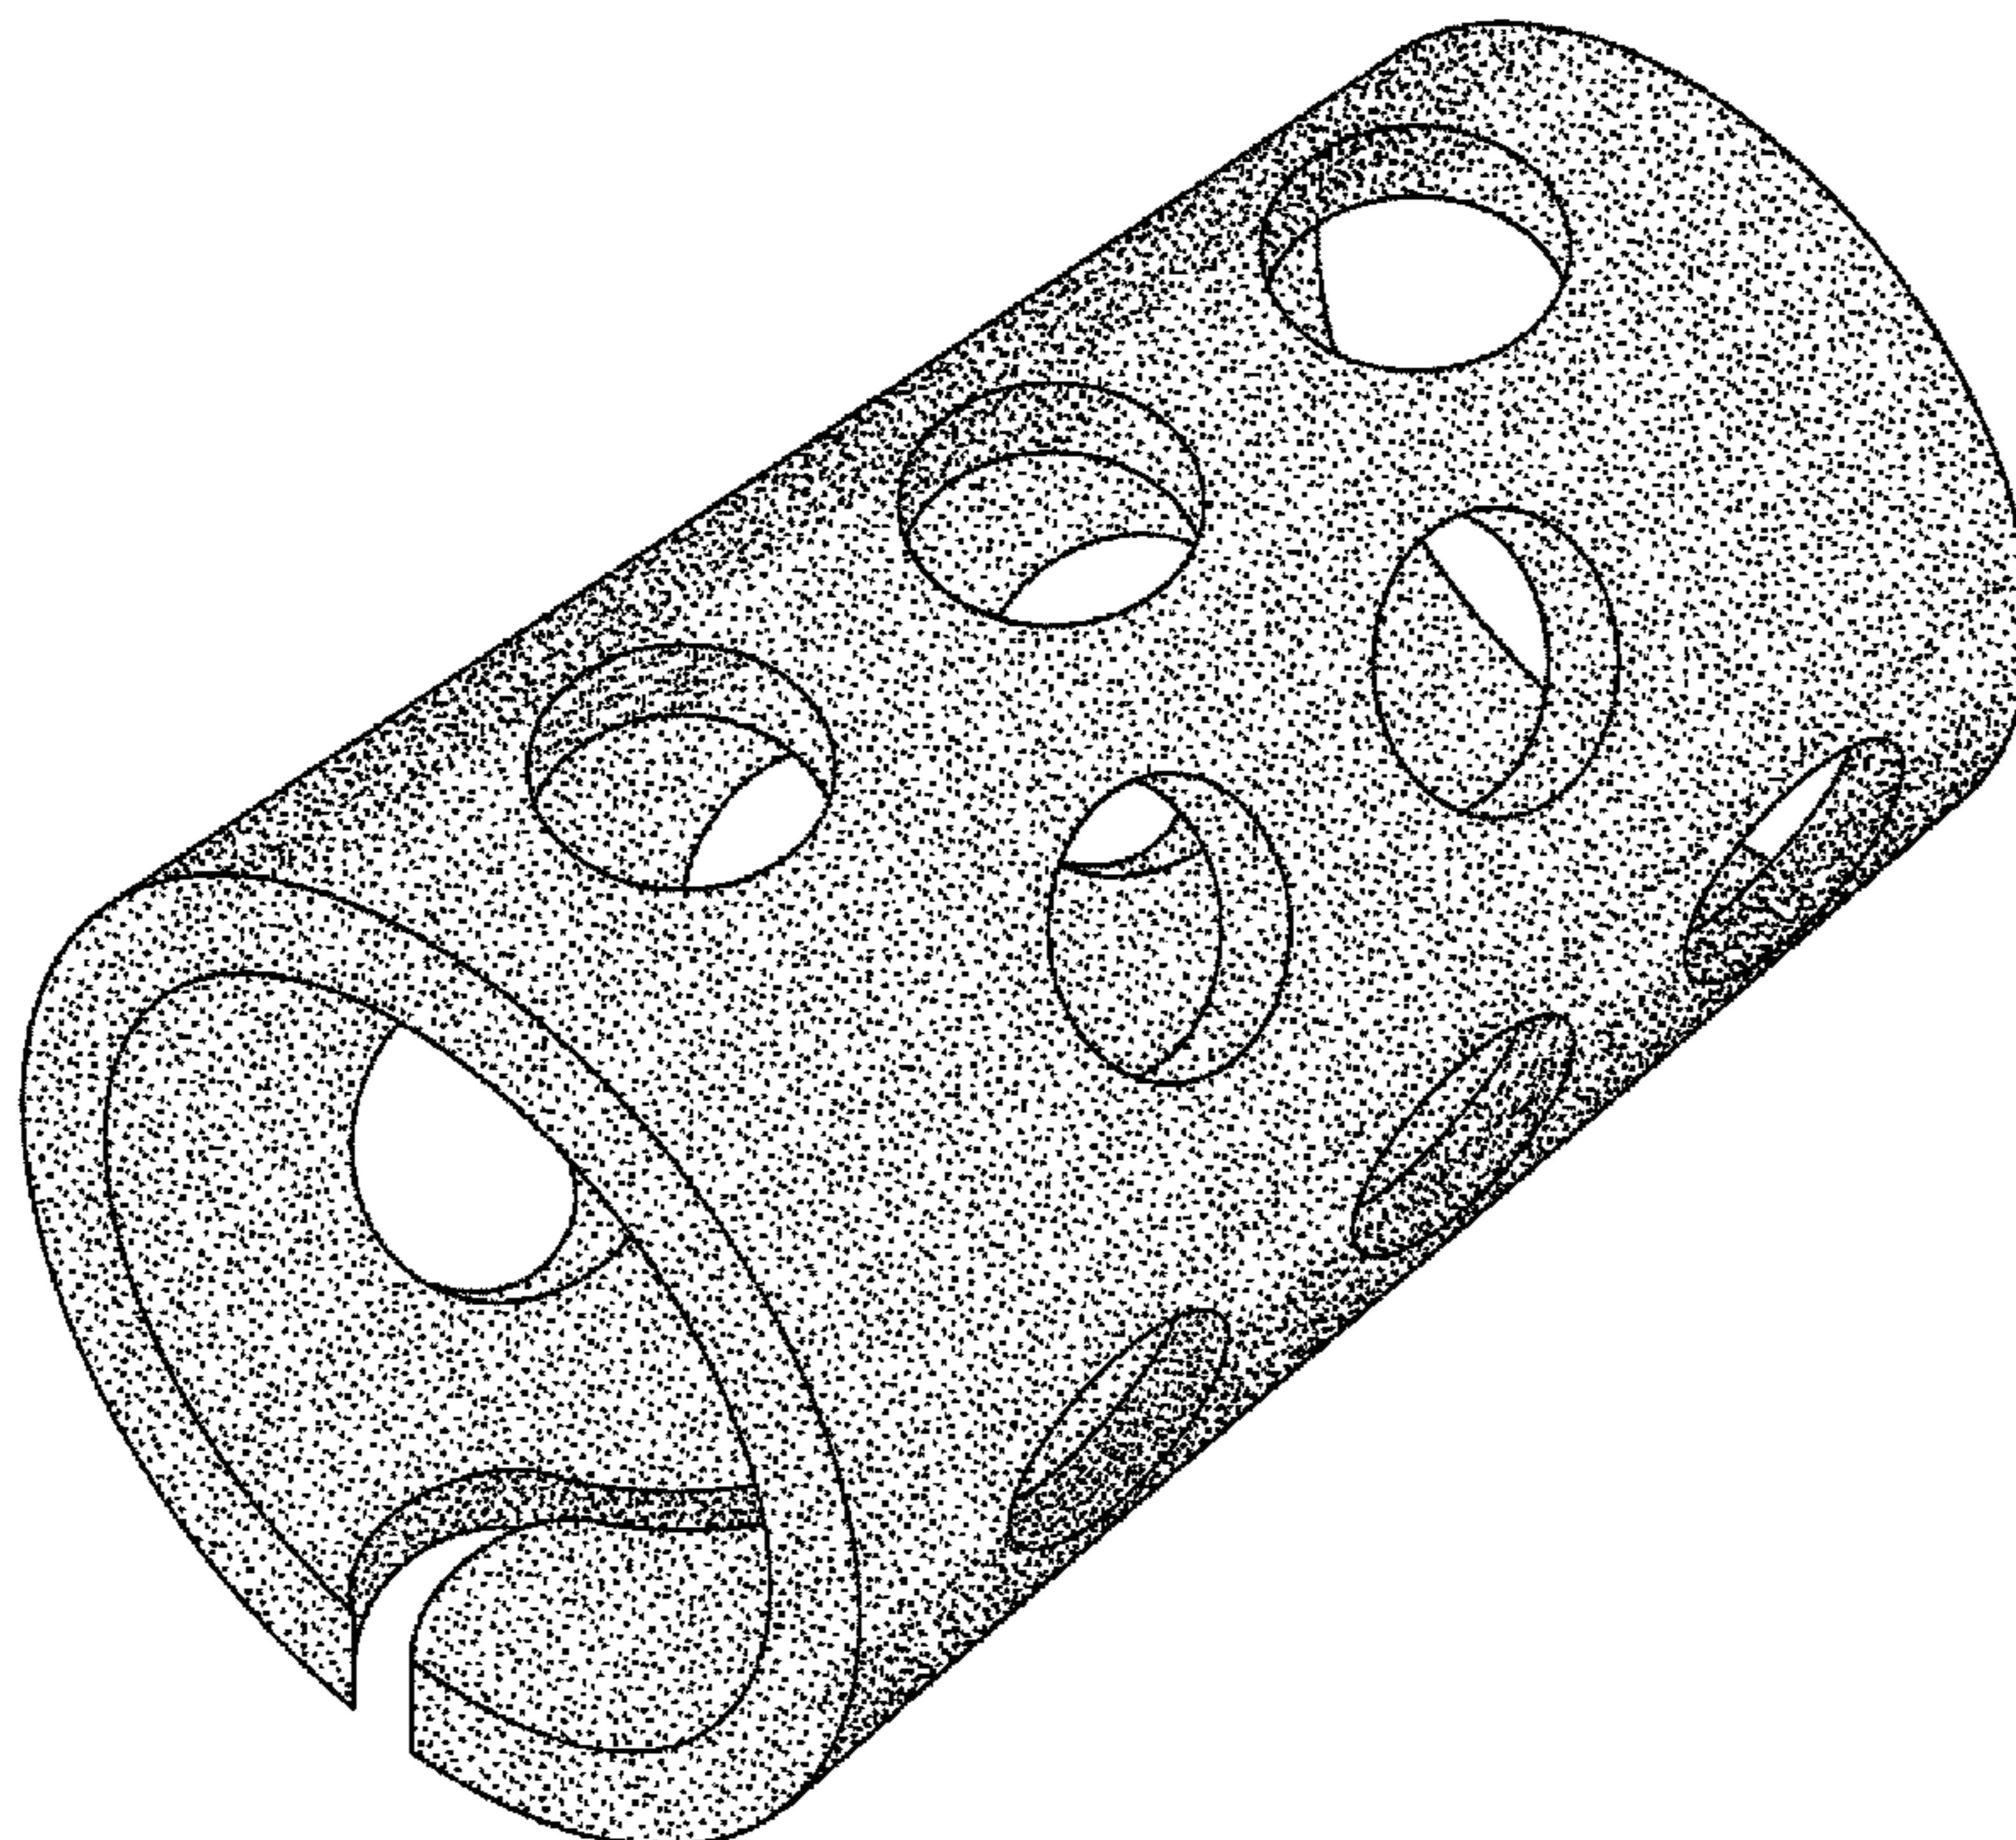

FIG. 4 is a left side elevation view of the cheek rest (the right side elevation view being a mirror of the left and is not illustrated);

FIG. 5 is a front elevation view of the cheek rest (the rear elevation view being a mirror of the front and is not illustrated); and,

FIG. 6 is a rear isometric view of the cheek rest, wherein the cheek rest in a typical environment is illustrated.

The broken lines depict environmental structure illustrating the design in a condition of use. The broken lines and structure do not depict or form any part of the claimed design. Views are orthogonal projections unless otherwise noted. The various views are not necessarily to scale in order to better illustrate the design.
