(57) **CLAIM**

I claim the ornamental design for a hair iron, as shown and described.

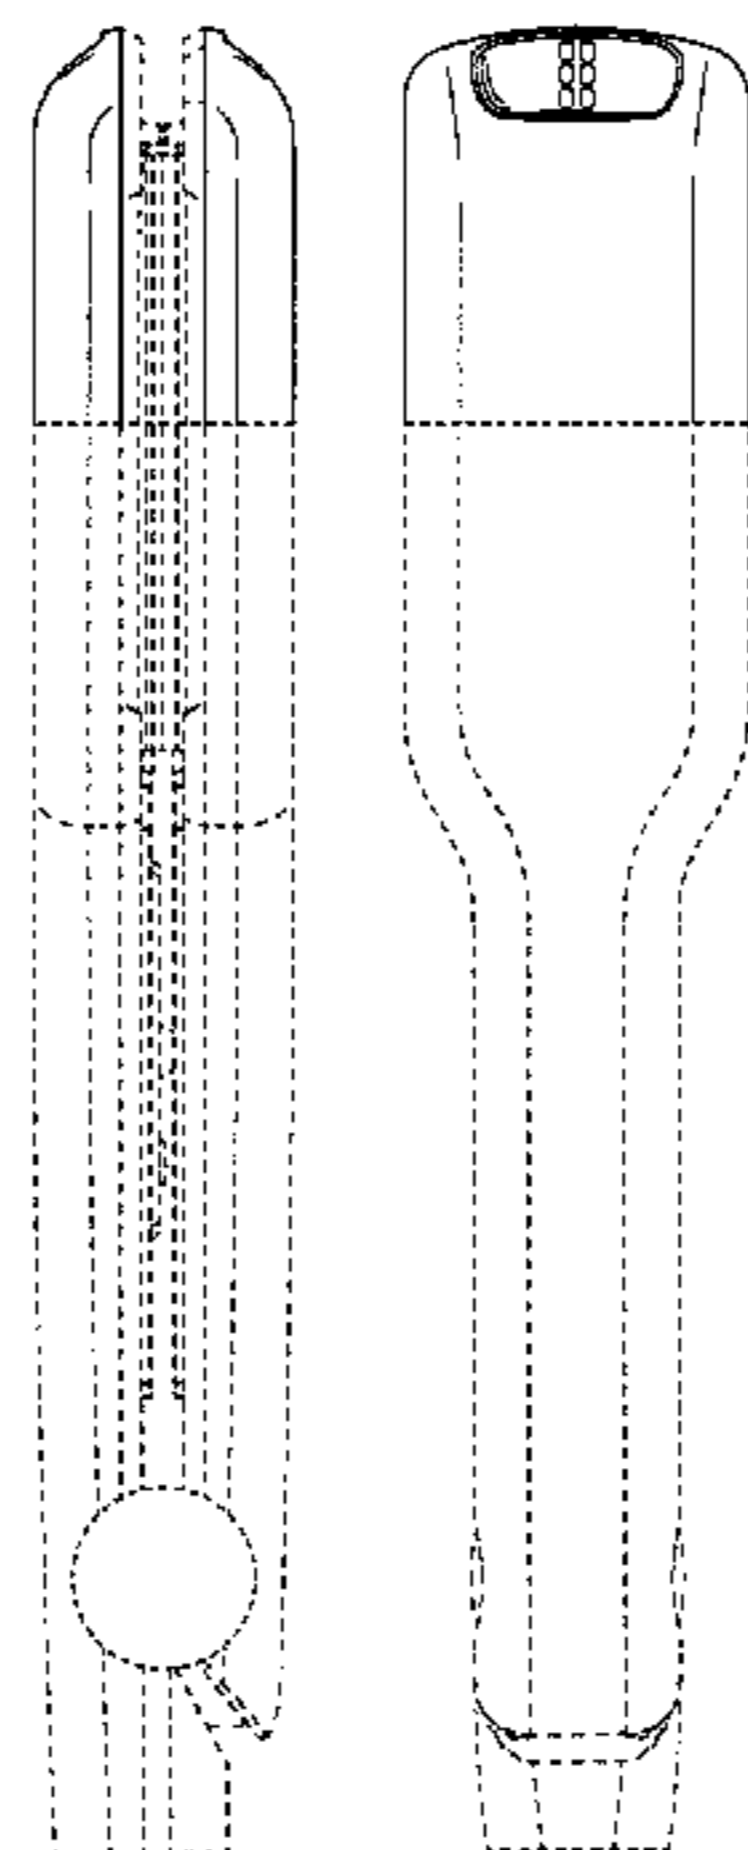

FIG. 1 is a left side view of a hair iron showing the new design;
FIG. 2 is a bottom plan view thereof;
FIG. 3 is a front end view thereof;
FIG. 4 is a rear end view thereof;
FIG. 5 is a right side view thereof;
FIG. 6 is a top plan view thereof;
FIG. 7 is a view of a portion of the front end thereof illustrating the tip depressions;
FIG. 8 is a view of a portion of the front end thereof illustrating the second embodiment of the tip depressions;
FIG. 9 is a view of a portion of the front end thereof illustrating the third embodiment of the tip depressions;
FIG. 10 is a view of a portion of the front end thereof illustrating the fourth embodiment of the tip depressions;
FIG. 11 is a view of a portion of the front end thereof illustrating the fifth embodiment of the tip depressions; and
FIG. 12 is a view of a portion of the front end thereof illustrating the sixth embodiment of the tip depressions.
FIG. 13 is a view of a portion of the front end thereof illustrating the seventh embodiment of the tip depressions;
FIG. 14 is a view of a portion of the front end thereof illustrating the eighth embodiment of the tip depressions; and,
FIG. 15 is a view of a portion of the front end thereof illustrating the ninth embodiment of the tip depressions.

The end portion of the hair iron is shown separately in FIGS. 8-15 for convenience of illustration.

FIGS. 8-15 illustrate various tip depression combinations defined in the tip of the hair iron.

The broken lines connecting the outer solid lines of the hair iron represent the bounds of the claim. The remaining broken lines illustrate portions of the article. None of the broken lines forms part of the claimed design.
